CHAIRPERSON’S CORNER

I hope your holidays have been merry, bright and happy..... Here we go 2020!
I am honored to begin my journey as the Chairperson for the Board of Trustees of CSOSA. I will undoubtedly have much help along the way with continuing board members: Oskar and Susan plus the new board members: Don, David, Karen and Randy. I look forward to our work together. And am happy to have Jim and Virginia at the CSO Office as well!
I want to say a very big THANK YOU to our outgoing board members: Regan, Melissa, Greg, and Bailey for their service and enormous contributions throughout the past 2 (+) years. You have been an inspiration to me and many others.
As we go through the coming year, I will include a paragraph or two on various topics. Please feel free to reach out with questions to the CSO office, as usual or..... you may contact me directly. I may not/do not have all the answers (no doubt - ha!), but I do a pretty good job of searching them down.

TRADITION OF THE MONTH

CONCEPT OF THE MONTH

Final responsibility and ultimate authority for A.A. world services should always reside in the collective conscience of our whole Fellowship.

We are looking for Guest Writers each month to write their experiences with the Steps/Traditions/Concepts.

Articles should be no more than 200 words in 12 point type. Margins set at .5 all the way around.

Write an article for your Birthday month and any month you want.

AA and the ADA: Service Animals

The Central Service Office Board of Trustees recently learned that local meetings have encountered the scenario of attendees bringing dogs to meetings. The issue is real and bound to grow. We may be approaching the crossroads of group autonomy, “love and tolerance [as] our code”, and the fact that our Traditions do not supersede the law.

So, let’s address the following questions: How does the Americans with Disabilities Act (ADA) define “service animal”? How does a “service animal” differ from an “emotional support/comfort animal”? Does Texas state law differ? Lastly, is there any clear guidance for service animals in AA meetings?

What is a service animal?

The ADA defines a service animal as a dog, individually trained to do work/perform tasks for an individual with a disability. The tasks must be directly related to the person’s disability (i.e. a specific action needed to assist with a disability).

What are “emotional support animals”, “therapy animals”, and “comfort animals”?

These terms describe animals providing comfort by their presence; they are not trained to perform a specific job or task. These animals are not protected by federal or state law. State law allows these animals in public places, but businesses are not required to make special accommodations.

Does Texas law differ from the ADA?

The complexity of the interchange between federal law and state law fills textbooks. For simplicity, think of federal law as a “baseline” set of protections, leaving states free to add additional protections. In this case, Texas law mirrors federal law almost exactly - protecting service animals but not emotional support/comfort animals.

Texas also imposes penalties for fraudulently representing your dog as a service animal, bringing a $300 fine and up to 30 hours of community service at an organization serving people with disabilities.

Is there any guidance from G.S.O.?

In recent years, the General Service Office (AA World Services) has received many calls regarding service animals, but offers neither compliance (with the ADA) advice nor legal advice. That means for now, our individual groups will decide as long as those decisions align with federal and state law.
Things to remember should your group need a “service animal” group conscience:

**FIRST,** The ADA and state law require government agencies, businesses, and other entities providing goods and services to provide *reasonable modifications* to policies and procedures to accommodate those with disabilities, including service animals.

**SECOND,** The ADA does not require service animals wear a special vest, identification tag, or special harness. However, the dog must be leashed or harnessed at all times unless this interferes with the task the dog performs. When it is not obvious a dog is a service animal, individuals may only ask two questions:

- Is the dog a service animal required because of a disability?
- What work or task has the dog been trained to perform?

Individuals cannot request documentation for the dog, require the dog demonstrate its task, or inquire about the nature of the person’s disability.

**THIRD,** religious institutions/organizations are specifically exempt from the ADA. If your AA group meets in a place of worship, please check with their administration.

**FOURTH,** the ADA does not overrule legitimate safety concerns. If a dog is out of control, or its behavior poses a direct threat to the health/safety of others (including not being housebroken or barking continuously), the animal may be excluded.

As service and “emotional support/comfort” animals become increasingly common, our meetings may face decisions. Hopefully, this article provided some guidance so that those decisions are informed and guided by law, love, and tolerance.

**Working with Local Intergroups and Central Offices**

Traditionally, general service committees and intergroup/central offices have performed different functions. Central offices provide local services; general service committees maintain the link between the A.A. groups and the A.A. General Service Board by means of the Conference. So these two separate but vital service structures coexist in many areas in mutual cooperation and harmony.

At the time the Conference was started, there were already well-established central offices in several large cities, providing services for local A.A. groups and members. Today, there are many more central offices throughout the U.S. and Canada, supported by the A.A. groups in the communities they serve. Each group elects a representative to attend central office meetings.

These offices provide such services as:

1. Receiving, arranging, and following up Twelfth Step calls.
2. Answering inquiries about A.A.
3. Establishing local public information committees.
4. Maintaining information about local hospitals and recovery facilities for alcoholics.
5. Publishing local A.A. meeting lists.
6. Providing a newsletter.
7. Ordering, selling, and distributing A.A. Conference-approved literature.

In contrast, the Conference structure is the method through which all A.A. groups in an area can provide the most effective communication within the area and between the groups and the General Service Board and G.S.O. on matters of policy that affect A.A. as a whole. These include policy on: Conference-approved literature, A.A. public information, A.A. cooperation with the professional community, A.A. activity in treatment and correctional facilities, A.A. finances, AA Grapevine, and the election of trustees to the General Service Board.

Many areas find that a liaison between the intergroup/central office and the area committee is very helpful in maintaining good relations and communication. In some areas the liaison has a vote at the assembly; in others, a voice but no vote.

CSOR Agenda Calendar for 2020

- January of each year:
  Elect a nominating committee to serve for one year
- November of each year:
  Elect Board of Trustees as required in by-laws
- Every six months: January and July
  Elect new officers

Concept Three’s short version reads, "To insure effective leadership, we should endow each element of AA--the Conference, the General Service Board and its service corporations, staffs, committees and executives--with a traditional 'Right of Decision.'"

In other words, so that everyone in service can function efficiently, each is entrusted with a Right of Decision.

However, none should abuse this privilege by: 1) failing to consult the proper people for advice regarding a major decision; 2) delaying to make a report describing the outcome of an important AA vote; or 3) exceeding one's clearly defined authority. If any of the above situations should occur, there are ways to remedy it. For instance, if services at Grapevine, Inc. or World Services, Inc. founder, the trustees can appoint better directors and hire better workers; if the trustees exceed their authority, the delegates can censure them; and if the General Service Conference functions poorly, the AA groups can elect more effective delegates.

"A VISION FOR YOU"

Abandon yourself to God as you understand God. Admit your faults to Him and to your fellows. Clear away the wreckage of your past. Give freely of what you find and join us. We shall be with you in the fellowship of the Spirit, and you will surely meet some of us as you trudge the Road of Happy Destiny. May God bless you and keep you until then.

Events Out of Town

The 2020 International Convention of Alcoholics Anonymous will be held July 2–5, 2020 in Detroit, Michigan with the theme “Love and Tolerance is our Code.” A.A. members and guests from around the world will celebrate A.A.’s 85th year at this event with big meetings held Friday night, Saturday night and Sunday morning in the Ford Field Stadium. Other meetings, scheduled or informal, will take place throughout the weekend in the COBO Center in downtown Detroit. We know many are excited about the International Convention and eager for detailed information. As the time gets closer, additional information about the Convention and Detroit, our host city, will be provided.

This website will be updated as more information becomes available. Also watch for articles in our quarterly news bulletin, Box 4-5-9, which is mailed to the general service representative of every group in the U.S. and Canada listed with G.S.O. and is also posted on the website.

Registration forms will be mailed in August 2019 to all G.S.R.s, central offices, intergroups and international G.S.O.s. Online registration will be available September 9, 2019, on aa.org. Advanced registration for the convention between September 9, 2019 and April 14, 2020 will be $115.00 (USD) per attendee. Registration after April 15, 2020 will be $140.00 (USD) per attendee.

• Bring a lot of Patience

• Bring a souvenir of San Antonio, you will want to exchange these with other people. These need to be pins to stick on badges. These will be available at CSO.
• Get to meetings early, They will fill up. According to Fire Marshal rules when the room is at its limit, they quit letting people in.
• Expect to wait at good restaurants.
• Keep your badge with you at all times.
• Get to registration as early as possible, there will be long lines.
• Buy a Souvenir Book have people you meet sign it. This will be a treasured keepsake for years to come.
• Sign up with Uber/Lyft, cheaper than cabs however they will be busy.
