COMMUNICATION

One of the most important things we do in AA is communicate with each other. The most effective way to communicate is through the NightCap and What's Happening. We have an email list of almost 1,300 and growing. Please let us know about your Group's events and any changes. Also attending the monthly CSOR meeting is a great way for your Group to be a part of the whole AA picture in San Antonio.

"In our Twelve Traditions we have set our faces against nearly every trend in the outside world. "

"We have denied ourselves personal government, professionalism and the right to say who our members shall be. We have abandoned do-goodism, reform and paternalism. We refuse charitable money and prefer to pay our own way. We will cooperate with practically everybody, yet we decline to marry our Society to anyone. We abstain from public controversy and will not quarrel among ourselves about those things that so rip society asunder -- religion, politics and reform. We have but one purpose: to carry the AA message to the sick alcoholic who wants it.

"We take these attitudes not at all because we claim special virtue or wisdom; we do these things because hard experience has told us that we must -- if AA is to survive in the distraught world of today."

This year we will have a full Spanish and English line-up, with Speakers and workshops.

Speakers, Silent Art Auction, Split-The-Pot, and Hospitality are just some of the wonderful events to enjoy during your time at Weekend In SA With AA. This year we have one fully packed day of sharing. Plus A live Original Stage Production – The Committee – An A.A. Musical.

Those of you who have attended in the past can once again expect our great Hospitality of free breakfast, lunch, dinner, coffee, and snacks throughout the conference. As always, Weekend In SA With AA will continue to nourish your Mind, Body and Spirit. “Come Join Us in The Fellowship”

“Once upon a time, all AA meetings were held in homes. There weren’t committees and nobody put up a cent. We hadn’t even a name and founders were unheard of. It was that simple.

“Yet we did enjoy one ‘service’—a valuable one, too. Wives baked cakes and brewed strong coffee for us alkies huddling together in the front parlors, still terrified that our new program might not work after all. Those kindly dispensations of good cheer smoothed the way and so lightened our burden of doubt.”

October 16---Only One Problem
Jim D. passed away 9/21/2019. Stahl Road Group was his home group and was very active at other Groups. He had been active with the Correction Facility Committee for several years. Jim had 33 yrs on Sept 13th.

Tom J passed away in September. He was an active member of Group 12.

Lord, make me an instrument of thy peace!
That where there is hatred, I may bring love.
That where there is wrong, I may bring the spirit of forgiveness.
That where there is discord, I may bring harmony.
That where there is error, I may bring truth.
That where there is doubt, I may bring faith.
That where there is despair, I may bring hope.
That where there are shadows, I may bring light.
That where there is sadness, I may bring joy.

Lord, grant that I may seek rather to comfort, than to be comforted.
To understand, than to be understood.
To love, than to be loved.
For it is by self-forgetting that one finds.
It is by forgiving that one is forgiven.
It is by dying that one awakens to Eternal Life.

CSOR Agenda Calendar for 2019

January of each year:
Elect a nominating committee to serve for one year
Elect a financial review committee to review The Central Service Office financial records.

November of each year:
Elect Board of Trustees as required in by-laws

Every six months: January and July

Concept Three's short version reads, "To insure effective leadership, we should endow each element of AA—the Conference, the General Service Board and its service corporations, staffs, committees and executives—with a traditional 'Right of Decision.'"

In other words, so that everyone in service can function efficiently, each is entrusted with a Right of Decision.

However, none should abuse this privilege by: 1) failing to consult the proper people for advice regarding a major decision; 2) delaying to make a report describing the outcome of an important AA vote; or 3) exceeding one's clearly defined authority. If any of the above situations should occur, there are ways to remedy it. For instance, if services at Grapevine, Inc. or World Services, Inc. founder, the trustees can appoint better directors and hire better workers; if the trustees exceed their authority, the delegates can censure them; and if the General Service Conference functions poorly, the AA groups can elect more effective delegates.

Public Information Committee / Cooperation with the Professional Community Committee (PI/CPC)

October 2019

Those of us who live in large cities are overcome by the reflection that close by hundreds are dropping into oblivion every day. Many could recover if they had the opportunity we have enjoyed. How then shall we present that which has been so freely given us? (Alcoholics Anonymous, p. 19).

That is still as true today as in 1939 when the Big Book was first published. The mission of the PI/CPC is to bring the message of recovery to the still suffering alcoholic. We take informational meetings and presentations to court programs, outpatient recovery centers, as well as to professionals and future professionals who may encounter alcoholics in their work. We also have booths at numerous health fairs and AA events.

If all that sounds like a big mission, it is. We are always in need of people seeking to be involved in service to help out at all levels of this work. Especially right now as we enter the end of the two-year rotation of our trusted servants. At the October meeting of the PI/CPC committee, we will be electing a new chairperson and alternate chairperson. I have had the privilege of chairing this committee for almost two years now. It is a big job, and I have proven that you can’t kill AA no matter how hard you try. The San Antonio Inter-Service is a committee formed to coordinate the efforts of the districts that make up the San Antonio area and have set out guidelines for these committees. Those guidelines layout the Chairpersons duties as such:

“The standing committee chairs shall facilitate monthly or bi-monthly meetings, organize the service effort for their committee, participate in Inter-Service workshops, work with the D.C.M.s to encourage committee participation at the district and group level, and appoint a secretary who will consistently take committee meeting notes. All committee chairs or their alternate chairs shall attend and give a written and verbal report at the monthly Inter-Service meeting. They shall prepare a written report to be passed on to their successor at the completion of service.”

Attempting to fill those duties has been a tremendous growth opportunity for me and most importantly helped keep me sober for those two years. I have been blessed with a committee filled with passionate, understanding, and tireless members to keep it going. As we prepare for a new season of servants, I can tell anyone interested in membership or a position in this committee; it has definitely been worth it.

Our next meeting is on **Sunday, 27 October 12:30 pm** at 4242 Bluemel at St. Francis church. Hope to hear from or see you soon!
