## Chairman's Corner

All,

I hope this finds you And your well. I have been happy to attend meetings online that continue to reach the suffering alcoholic. Several meetings have welcomed newcomers for their first meetings ever. Gratefully, the hand of AA is still here.

Thank you all for keeping CSO informed of your meetings whether opening or virtual, with times and access so we can provide those who call needing a meeting.

Let us know how we can serve you better Looking forward to seeing you all at the upcoming Workshop!

## ARCHIVES CORNER

### Archives: Preserving Group History

We all know that things change over time. When a change is sudden, like a sweeping pandemic, it usually sticks in our minds. Other changes happen subtly. You may remember your first drink and your last one. Do you remember the first drink you had in the morning or when you began drinking alone? Most of us have difficulty remembering moments that happen in the in-betweens. This is where SA Archives steps in, documenting and preserving current events and making them available to future members of our fellowship. One way we do this is by recording histories at the group level.

We can't know what the future holds. In 50 or 100 years, if your home group is still going, most people who started the group will likely be gone. What do you want them to remember? How did you get your name? Who helped you get the group started? Why was the format chosen? What did your meeting place look like? "Group Histories" can serve as a guide for future group members when issues arise.

Every so often, someone in my home group suggests a lock box for the daily 7<sup>th</sup> tradition envelopes. The one time we locked them up, the box was broken into and all the money was stolen. Without people preserving that piece of our group history, we might continue to repeat this each time the idea comes up. Archives can serve as a reminder of these moments when all the people who remember are gone. If something were to happen to AA in San Antonio, the Archives would be available to help others put together the pieces so AA can continue to help the alcoholic who still suffers and provide hope to all those who turn toward AA long after we are gone.

**Step 8: Made a list of all persons we had harmed, and became willing to make amends to them all.** Step eight is one of the steps I really do believe (out of personal Experience) that needs to be taken with a sponsor who I trust and will be honest with me. I still have too many emotions when it comes to looking at people I have harmed, my sponsor I the voice of reality pointing out those that should not be on the list and those I have omitted. My Fourth Step was a great starting point, we used this as the foundation for my list. I had a lot of Fear when it came to this step because I knew Step 9 was next, but what I have discovered is if I take the Steps in order I find in doing so the courage to take the next Step.

Fear has always been a major problem in my life, this step was no exception. Remember this is my experience with Step 8, so any views or methods are mine and can be used or discarded.

To help solve the Fear issue my Sponsor had me divide the list into two parts. A. One I can and will do now. B. The ones I will do when Hell freezes over. This removed most of my fear and I could make a very good list and I discovered in going back over the list looking at each one on the never list and talking them through with my sponsor I moved most of them to the now list.

**Concept 8:** The Trustees of the General Service Board act in two primary capacities: (a) With respect to the larger matters of overall policy and finance, they are the principal planners and administrators. They and their primary committees directly manage these affairs. (b) But with respect to our separately incorporated and constantly active services, the relation of the Trustees is mainly that of full stock ownership and of custodial oversight which they exercise through their ability to elect all directors of these entities.

This Concept deals with the ways the General Service Board “discharges its heavy obligations,” and its relationship with its two subsidiary corporations: A.A. World Services, Inc. and AA Grapevine, Inc. Long experience has proven that the board “must devote itself almost exclusively to the larger questions of policy, finance, group relations and leadership . . . . In these matters, it must act with great care and skill to plan, manage and execute.” The board, therefore, must not be distracted or burdened with the details or the endless questions which arise daily in the routine operation of the General Service Office or the publishing operations, including Grapevine. “It must delegate its executive function” to its subsidiary, operating boards. “Here, the board’s attitude has to be that of custodial oversight . . . . The trustees are the guarantors of good management of A.A. World Services, Inc. and AA Grapevine, Inc . . . . by electing the directors of these service arms, a part of whom must always be trustees . . . . The executive direction of these functions is . . . lodged in the . . . service corporations themselves, rather than the General Service Board. Each corporate service entity should possess its own bylaws, its own working capital, its own executives, its own employees, its own offices and equipment.” Bill draws from earlier mistakes by the General Service Board in trying to run the service functions directly and warns repeatedly against “too much concentration of money and authority

### **Tradition 8: Alcoholics Anonymous should remain forever non-professional, but our service centers may employ special workers.**

"Alcoholics Anonymous should remain forever non-professional. We define professionalism as the occupation of counseling alcoholics for fees or hire. But we may employ alcoholics where they are going to perform those services for which we might otherwise have to engage non-alcoholics. Such special services may be well recompensed. But our usual A.A. "12th Step" work is never to be paid for." Throughout the world A.A.s are "12th stepping" with thousands of new prospects a month. Between one and two thousands of these stick on our first presentation; past experience shows that most of the remainder will come back to us later on. Almost entirely unorganized, and completely non-professional, this mighty spiritual current is now flowing from alcoholics who are well to those who are sick. One alcoholic talking to another; that's all. Could this vast and vital face-to-face effort ever be professionalized or even organized? Most emphatically, it could not. The few efforts to professionalize straight "12th Step" work have always failed quickly. Today, no A.A. will tolerate the idea of paid "A.A. Therapists" or "organizers". Nor does any A.A. like to be told just how he must handle that new prospect of his. No, this great life-giving stream can never be dammed up by paid do-gooders or professionals. Alcoholics Anonymous is never going to cut its own lifelines. To a man, we are sure of that. But what about those who serve us full time in other capacities--are cooks, caretakers and paid Intergroup secretaries "A.A. professionals"? Because our thinking about these people is still unclear, we often feel and act as though they were such. The impression of professionalism subtly attaches to them, so we frequently hear they are "making money out of A.A.", or that they are "professionalizing" A.A. Seemingly, if they do take our A.A. dollars they don't quite belong with us A.A.s any more. We sometimes go further; we underpay them on the theory they ought to be glad to "cook" for A.A. cheap. Now isn't this carrying our fears of professionalism rather far? If these fears ever got too strong, none but a saint or an incompetent could work for Alcoholics Anonymous. Our supply of saints being quite small, we would certainly wind up with less competent workers than we need. We are beginning to see that our few paid workers are performing only those service tasks that our volunteers cannot consistently handle. Primarily these folks are not doing 12th Step work. They are just making more and better 12th Step work possible. Secretaries at their desks are valuable points of contact, information, and public relations. That is what they are paid for, and nothing else. They help carry the good news of A.A. to the outside world and bring our prospects face to face with us. That is not "A.A. therapy"; it's just a lot of very necessary but often thankless work. So, where needed, let us revise our attitude toward those who labor at our special services. Let us treat them as A.A. associates, and not as hired help; let us recompense them fairly and, above all, let us absolve them from the label of professionalism. Let us also distinguish clearly between "organizing the A.A. movement" and setting up, in a reasonably business-like manner, its few essential services of contact and propagation. Once we do that, all will be well. The million or so brother alcoholics who are still sick will then continue to get the break we 60,000 A.A.s have already had. Let us give our "service desks" the hand they so well deserve.

Bill W. Grapevine 1952

# THINGS WE CANNOT CHANGE

*Helen G..*

Helen passed away this July. Helen was a very active member of the old 24hr Group.

Helen had 45 years of sobriety

Lord, make me an instrument of thy peace!  
That where there is hatred, I may bring love.  
That where there is wrong, I may bring the spirit of forgiveness.  
That where there is discord, I may bring harmony.  
That where there is error, I may bring truth.  
That where there is doubt, I may bring faith.  
That where there is despair, I may bring hope.  
That where there are shadows, I may bring light.  
That where there is sadness, I may bring joy.  
Lord, grant that I may seek rather to comfort, than to be comforted.  
To understand, than to be understood.  
To love, than to be loved.  
For it is by self-forgetting that one finds.  
It is by forgiving that one is forgiven.  
It is by dying that one awakens to Eternal Life.

PI/CPC CONFERENCE

Hello Trusted Servants of Panel 70!

Our Area continues to face challenges around scheduling our assemblies and conferences due to the ongoing COVID-19 pandemic. Subsequently, this year's PI/CPC Conference will be online-only on Saturday, Aug 22. Donita S, our Area PI/CPC Chair, will email you soon with more details about the agenda.

Districts 3B and 3C, who were originally scheduled to host this year's in-person PI/CPC Conference, will instead host in 2021. The location will remain the same, at the Omni Southpark Hotel in Austin.

At this time, we are still planning to meet in-person for our Fall Conference and Voting Assembly in Kerrville, Oct 16-18, hosted by District 12.

Please let me know if you have any concerns/questions, and thank you for your service to A.A.!

Yours in service,  
Barbara Ruiz

¡Hola servidores de confianza del Panel 70!

Nuestra área continúa enfrentando desafíos sobre la programación de nuestras asambleas y conferencias debido a la continua pandemia de COVID-19. Posteriormente, la Conferencia de PI / CPC de este año será solo en línea el sábado 22 de agosto. Donita S, nuestra Coordinadora de PI / CPC de área, le enviará un correo electrónico pronto con más detalles sobre la agenda.

Los distritos 3B y 3C, que originalmente estaban programados para ser anfitriones de la Conferencia de PI / CPC en persona de este año, serán los anfitriones en 2021. La locación será la misma, en el Omni Southpark Hotel en Austin.

En este momento, todavía estamos planeando reunirnos en persona para nuestra Conferencia de Otoño y Asamblea de Votación en Kerrville, del 16 al 18 de octubre, organizada por el Distrito 12

¡Avíseme si tiene alguna inquietud / pregunta, y gracias por su servicio a A.A.!

En servicio,  
Barbara Ruiz  
Coordinadora de SWTA68
