MARCH ISSUE 2021

I'm sure I'm not alone when I say, "I'm glad February is over!" Life in general has its challenges but after a pandemic, an arctic event (with all that entails), I'm wondering if locusts are next! Bring it on! I'm just grateful to be sober and have a program with a fellowship and a higher power that will lead me through it. I can't do this by myself! I pray all of you trudging this road with me are safe and secure.

Your CSO Board of Trustees had our regular meeting and have put together a plan of action to reach out to your group. We hope to attend as many meetings as possible to give a face and voice to the Central Service Office. We want to share with you what CSO offers and find out if you have any needs we can help with.

To those of you who have representation at the CSOR meetings, we thank you! For those of you who do not, we urge you to connect with the AA community through those monthly meetings. We share group meeting updates, group issues that could benefit from shared experience, service opportunities and events. We also update everyone on Central Service Office activities, the financial status and ask for input on ways we can serve the groups more efficiently and effectively.

My first service position was as the Central Service Office Representative for my home group. I had no idea what I was doing in those meetings and at first thought they were boring with information I did not understand. As time went by, I got to know and connect with other reps and looked forward to the meetings. (I am still friends with some of them today!) I took the information back to my home group and we got involved with service opportunities I learned about through those meetings. Eight years later that group still carries the message into Laurel Ridge on Monday nights. It became an event that united us through a group service commitment.

It's been my privilege to be a part of every service committee and so far, I cannot tell you I have a favorite. They all offered perspective and insight to the disease of alcoholism and the solution that is offered through Alcoholics Anonymous. I am so grateful to be an active member and engaged in our primary purpose of helping the alcoholic who still suffers. The Central Service Office is an integral part of that. It's the glue that keeps us together!

AA Declaration of Unity

This we owe to A.A.'s future:

To place our common welfare first; To keep our fellowship united.

For on A.A.'s unity depend our lives, and the lives of those to come.

Yours in Service,

Karen M.

Who knew that Intergroups/Central Office representatives met annually for a conference? I had zero idea. To be sure, that means our dependable Central Office managers (Jim and Virginia B.!) participate annually to learn what other central offices are doing to help carry the A.A. message. The first Intergroup/Central Office/A.A.W.S./A.A.G.V. Seminar (great title, right?) was held in 1986 with 98 representatives from 82 Intergroups attending! The purpose of the seminar was to provide a forum for discussions and solutions to those who work the A.A. frontlines - answering the A.A. Hotline in every city, managing the websites, selling A.A. literature, chips, etc. These conferences have continued to take place annually for thirty-five years, with the primary theme being how can the various Central Offices help carry the message of A.A. in their area. Every city and metro area in the U.S. generally has at least one Central Office like ours (now numbering over 500). They are responsible for maintaining and updating the meeting roster, stocking literature and chips, keeping the community informed, managing the website and MUCH more.

However, there is a slight issue, these offices and representatives are not *technically* part of the General Service Conference in New York and don't fall in the official G.S.O. Service Structure, per se. While both service entities fulfill the same mission – aiding suffering alcoholics – there are times when different perspectives and lack of communication may seem at odds and hinder A.A.'s primary purpose. In September 2020, the Des Moines, Iowa central office hosted a virtual ICOAA (Intergroup/Central Office A.A.) seminar. Quoting directly from the seminar, "ICOAA and G.S.O. really should be partners, we have way more things in common than we do differences, but we need to tell G.S.O. what we are doing and G.S.O. needs to tell us. It's a two-way street." "One of the pain points we've experienced for years is one-way communication with New York. Several decisions are made at the General Service Conference that impacts our offices," says the San Francisco Intergroup manager.

So, this begs the question, why are Intergroups and Central Offices not officially represented at the General Service Conference? After all, structurally, intergroups predate the creation of G.S.O. *and* the A.A. Service Structure. Not to mention, Intergroups and Central Offices are the ones generally implementing the decisions made at the G.S.O. level. They are really the A.A. boots-on-the-ground doing 12-step work in every city and community! Central Offices have long talked about lack of representation at G.S.O. There are liaisons between the two that exchange information and ideas, but sometimes things get lost in translation (especially with alcoholics).

A statement from a G.S.O. member reads, "Nobody argues that we don't have the same job of carrying the message, and A.A. World Services understands that Intergroups feel they are not being heard. We are taking actions to demonstrate that we are listening to their concerns. If there is a common theme from this recent seminar, it's this: to discover what is possible when we really start working together, understanding our differences and making them work for A.A. as a whole."

Perhaps now that A.A. is changing, for example with the introduction of thousands of online meetings which are NOT going away, probably ever, now is the time for the best communication possible between all service entities. There are those that wholeheartedly believe the service structure must remain as-is and strictly believe central offices are not "part of A.A." I disagree. I tend to think the best solution is for the ICOAAs to be allowed to send a delegate to voice their concerns at G.S.O. each year in New York – this will, in my opinion, help us serve our primary purpose with direct communication and coordination. Carrying the A.A. message is our ONLY OBJECTIVE, we ought to consider every single opportunity and angle we have!

Education Liaison

Dear Group Members:

RE: **Birthday Club**

We need your help getting this letter to your Group members, Live and Virtual.

We have a tradition that has occurred in San Antonio AA for many years.

**The idea of contributing a dollar (\$1) a year on our A.A. Birthday. A celebration of our sobriety!
Others may give a penny or a nickel a day for each day of their sobriety.**

Members can fill out this form and submit their birthday contribution to CSO, call in with a credit card or go to our website. Birthday contributions may be given in honor of one’s own Birthday or an AA Friend’s birthday.

Contributions may be listed, with your permission, in one of the Central Service Office publications:

- **The “What’s Happening in San Antonio”** a publication of events around town and in Groups. We have added a special section called **“The Birthday Club”** at the end of the publication.

These contributions have helped us keep the AA Literature at the same price. Please call me if you have any questions regarding the **Birthday Club** program or anything involving the Office or Bookstore.

With a grateful heart,

Jim Burke
CSO Manager

Group Histories

When I went to my very first A.A. meeting, I didn't even realize what the group's name was or how long it had been there, only that the doors were open when I needed help. As time passed and I became grateful for these people who may have saved my life, I became curious about how the group came to be and why they met in the church hall. I was certainly A.A. naive.

As I grew in the fellowship I became fascinated with the way it worked. How could so many groups inspire such loyalty in members that they took personal responsibility for keeping the doors open? I was hooked. The program had me and I started to study the history and growth of this thing called recovery.

Every year, my home group celebrated its anniversary and gloried in our commonality, gratitude, and caring. One year, someone from the Archives Committee asked if we would like them to put together a group history for our celebration. About a month before the date they met with key members and long timers to capture our history. On anniversary night, they provided us with a handout summary for those in attendance, created a picture and notebook display for us, and gave us a history to read at the gathering! It was great and made members, I think, feel even more a part of the fellowship.

If you would like your group to have that same type of experience, reach out to Scott B. on the CSO Archives Committee (grouphistory.saarchives@gmail.com). We would love to do your group's history and capture its part of the San Antonio A.A. Story.

For the next 3 months, all committees will continue to meet my Zoom. For hearing impaired, there is a weekly meeting interpreted with sign language. The area corrections conference will be February 29. For the annual service workshop, the new date is April 25 at 3:15.

Archives by Doug – 1) We are emphasizing putting together group histories, around the time of group anniversaries. 2) We are doing our first group oral history training project this month on the 24th at 11 AM at the Acceptance group. 3) Quarterly oral history training will be at Club 12 on March 14 at 3 PM. 4) New project for AA in SA called things we cannot change – highlighting group members by nomination.

Nominating committee for the Board– Mary led asking for persons who may be interested in joining to come forward: Expressing interest are John J, Phyllis H, Joe R.

San Antonio helpline by Phyllis – We are getting the word out to people to use the website, and to assure them that the meeting website is up to date.

Managers report by Jim – Things are going well at the office... contributions are coming in. Office is fully open--one person at a time--for social distancing. Website is updated daily. I appeal “please take a look at website for inconsistencies and I’ll update it.” The website drives the meeting guide app... Jim thanks the webmaster volunteers for constructing and maintaining our website.

Accessibilities Committee has a 2-page checklist for groups to fill out to indicate accessibility of groups. Jim to email. A positive of the pandemic is persons with disabilities now have-- through Zoom-- a way to get to the fellowship.

Accessibilities Committee

The Responsibility Statement:

I am Responsible.

When anyone, anywhere reaches out for help,

I want the hand of A.A. always to be there.

And for that; I am responsible.

Some have significant barriers that must be overcome to ensure full participation in A.A. The Accessibilities Committee is here to identify what the local strengths in accessibilities are and where we are lacking. We are looking to the groups to help us identify where there maybe a wheelchair ramp or elevator for access. Does your group have ADA (Americans With Disabilities Act) restrooms? Is your meeting online or face to face? These are just a few questions in a very broad topic of inclusivity. Can we do better to get this information out there to those who may need it? There is an Accessibility Checklist that will be very helpful for the committee to compile information and communicate with San Antonio A.A. It has been added to the bottom. You can email me with your groups inventory of accessibility. The Accessibility Committee will be meeting online zoom

Meeting ID 850 1179 6272 PW 496791
