# In Memory

Tim S. Passed away on July 15. He was 75 years old and had 34 years of sobriety. Tim was an active member of The Acceptance Group.

Jason P Passed away on June 24th. Jason was an active member of Group 12

Mary M passed away this past April the week of the 25th. She was a member of Group 12 and was considered family at the Club.

Lord, make me an instrument of thy peace!

That where there is hatred, I may bring love.

That where there is wrong, I may bring the spirit of forgiveness.

That where there is discord, I may bring harmony.

That where there is error, I may bring truth.

That where there is doubt, I may bring faith.

That where there is despair, I may bring hope.

That where there are shadows, I may bring light.

That where there is sadness, I may bring joy.

Lord, grant that I may seek rather to comfort, than to be comforted.

To understand, than to be understood.

To love, than to be loved.

For it is by self-forgetting that one finds.

It is by forgiving that one is forgiven.

It is by dying that one awakens to Eternal Life.

—Saint Francis of Assisi—

**CSOR Agenda Calendar for 2019**

**January of each year:**

Elect a nominating committee to serve for one year

Elect a financial review committee to review The Central Service Office financial records.

**November of each year:**

Elect Board of Trustees as required in by-laws

**Every six months: January and July**

Concept Three's short version reads, "To insure effective leadership, we should endow each element of AA--the Conference, the General Service Board and its service corporations, staffs, committees and executives--with a traditional 'Right of Decision.'"

In other words, so that everyone in service can function efficiently, each is entrusted with a Right of Decision.

However, none should abuse this privilege by: 1) failing to consult the proper people for advice regarding a major decision; 2) delaying to make a report describing the outcome of an important AA vote; or 3) exceeding one's clearly defined authority. If any of the above situations should occur, there are ways to remedy it. For instance, if services at Grapevine, Inc. or World Services, Inc. founder, the trustees can appoint better directors and hire better workers; if the trustees exceed their authority, the delegates can censure them; and if the General Service Conference functions poorly, the AA groups can elect more effective delegates.
