*I do not know where to begin to thank all the volunteers that have helped with the renovation at the Central Service Office (CSO). I cannot mention names for fear I would leave someone out. The office has come together beautifully because of the help we received from the fellowship. You did everything from building a sales counter, to laying tile, and every other carpentry work in between, not to mention all the wonderful contributions of display cases, bookshelves, conference table, etc.*

*We have more space which will help us to be even more efficient, including the space to carry the inventory we need to service our AA community. Remember, there is even meeting space available. There is a separate entrance, so CSO would not need to be open. Just call to schedule.*

*We will have that party I promised. Please give us a couple of months to get settled.*

A special thank you to Pete P, a CSO phone volunteer since 1983, that is 25 years! Pete had to resign, and we will miss him here at the office. He has seen many transitions at CSO over the years, more than any other individual. We wish him the best.

-Vicky, Volunteer Coordinator

**Opening:** Casey B. opened with a moment of silence followed by the Serenity Prayer.

**Introductions:** No new COR's

**Approve Previous Month's Minutes:** Minutes approved as presented.

**Announcements:** See CSO website for announcements. Events can be sent to Char to load onto the website.

**Financial Report:** Linda reported that for April, CSO was \$976 in the black. CSO received a check from Weekend In SA with AA for \$33,032.88. CSO finances will have no more prepaid accounts. Therefore, each monthly P & L Statement will be a true reflection of the money spent and received. Budget will be redone once the extra space is subleased. CSO may have too much money in CD's and as so may be in violation of Concept 11 since the money is not available at all times. Board will be revising pay scales for CSO positions.

**CSO Board Liaison Report:** Casey reported the lease on the office next door is officially executed. Work is under construction. Char and Paul are going to A Gathering of Eagles. Paul is going in order to attend an archivist workshop. Grapevine committee is having a fundraiser picnic at St. Bridgets on June 28<sup>th</sup>.

**Telephone Service Report:** No report given.

**Archives Committee Report:** Paul reported he has identified a digital recorder to use for recording oral histories. He is waiting on a release form to be approved by a lawyer. Supplies are purchased and now need to get organized.

**Outreach Committee Report:** Philippe reported that the first CSO Outreach Committee meeting will be held at 6:00 PM June 2<sup>nd</sup> (Monday) at CSO with the board members. They will be discussing how to divide up the city for everyone to be able to contribute. Suggested that each COR attend one extra meeting to find out if they have a COR and encourage them to get one if they don't. If no one wants to contribute, then we will look at shutting down the Outreach Committee.

**Old Business:** None

**New Business:** Please call in orders to CSO before you come to pick them up for the next few weeks. Construction has everything scattered and in boxes. June COR meeting will be held at CSO.

Reagan reported the SAMSO Special Needs Committee has a fact-finding survey they would like filled out by 1<sup>st</sup> Sunday in July.

Paul reported a comment from his group that they were concerned about the website being constantly in need of work

Passed the Seventh Tradition basket.

Closed with the Lord's Prayer.

## CSO Archives

*If you'd like to capture a "longtimer's" personal account of what **REALLY** happened here in San Antonio, we've started an oral history library program.
