WE SURVIVED!

I was feeling a bit sad walking away from the Alamodome on the Sunday morning of the International. I guess I didn't want all those people to stay, but at the same time we had all been so excited for so long that it was emotional when everything came to a close.

I saw pure exhaustion on the face of many of our volunteers. We all can be proud of a job well done. Everyone was talking about the members in the green tees, their friendly smiles, helpful attitudes, gracious hospitality. No one would have ever known it rained for half the convention. It didn't matter. We were together, and we were a family.

You, the volunteer, made the 2010 International Convention. The world will be talking about San Antonio for years to come. Thank you for your work and dedication to service. May your rewards be great and your sobriety be strengthened.

See you in Atlanta!

THANK YOU!

A special thank you to our local International Host Committee chairs, Jim B, Yoli F, and Bill T, for all their hard work in getting the volunteers organized and to where we were to be. The volunteers gave the convention the southern hospitality flavor that only South-west Texas can do.

Thank you!

The International Convention celebrating AAs 75th Anniversary was a huge success. As of Saturday at noon we had 53,000 registered.

The success of the International was due to your hard work and dedication. We provided everything from simple directions to finding a cheap drug test place for a parolee in Michigan who wanted to attend; but had to get a drug test while here to please his parole officer.

Another example of your dedication was on Wednesday night about 11:30 PM, we were overwhelmed by attendees wanting shuttle bus information (due to weather the drop off and pick up points were changed). One of our volunteers with his entire family stopped by; and seeing our problem, set down and went to work even though he was not on that committee. Your dedication to our visitors was outstanding.

During the Convention you constantly provided greetings and helpful information to our visitors. Your Texas hospitality was nothing short of outstanding.

I received nothing but compliments on the truly outstanding job all our volunteers did. Talley Management and GSO had nothing but compliments on your work.

Again I want to thank you very, very much for all your hard work. We really did not have any problems from our end. The few problems we did have were a result of weather and rescheduling the shuttle buses.

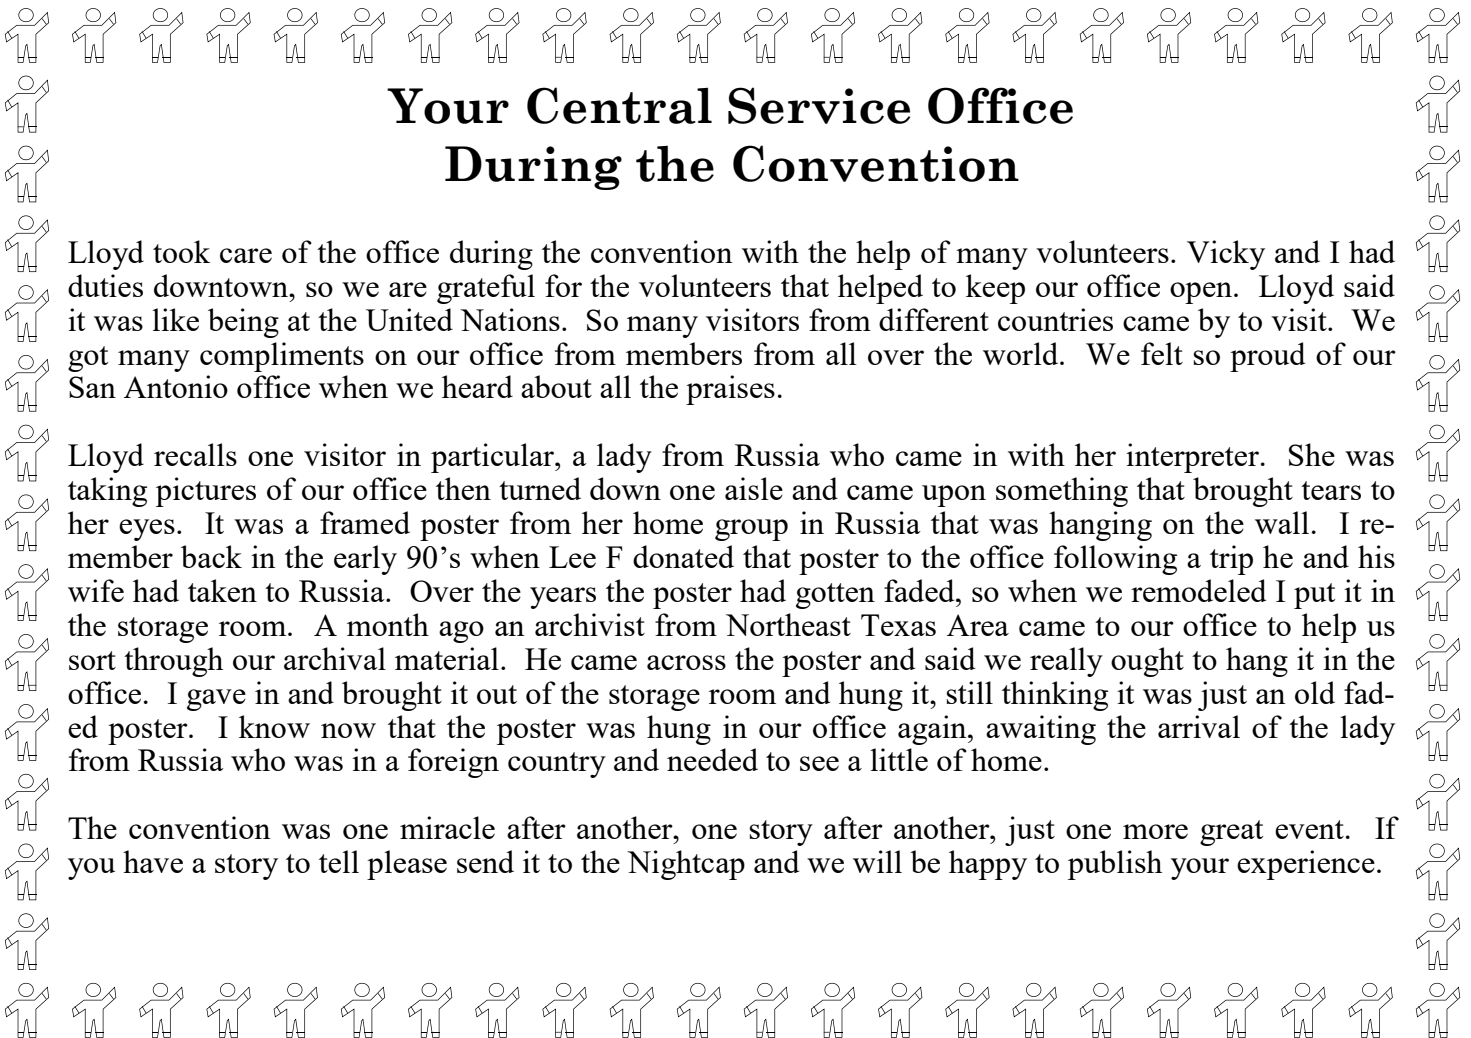

Thanks
See you all in Atlanta
Jim B.

Your Central Service Office During the Convention

Lloyd took care of the office during the convention with the help of many volunteers. Vicky and I had duties downtown, so we are grateful for the volunteers that helped to keep our office open. Lloyd said it was like being at the United Nations. So many visitors from different countries came by to visit. We got many compliments on our office from members from all over the world. We felt so proud of our San Antonio office when we heard about all the praises.

Lloyd recalls one visitor in particular, a lady from Russia who came in with her interpreter. She was taking pictures of our office then turned down one aisle and came upon something that brought tears to her eyes. It was a framed poster from her home group in Russia that was hanging on the wall. I remember back in the early 90's when Lee F donated that poster to the office following a trip he and his wife had taken to Russia. Over the years the poster had gotten faded, so when we remodeled I put it in the storage room. A month ago an archivist from Northeast Texas Area came to our office to help us sort through our archival material. He came across the poster and said we really ought to hang it in the office. I gave in and brought it out of the storage room and hung it, still thinking it was just an old faded poster. I know now that the poster was hung in our office again, awaiting the arrival of the lady from Russia who was in a foreign country and needed to see a little of home.

The convention was one miracle after another, one story after another, just one more great event. If you have a story to tell please send it to the Nightcap and we will be happy to publish your experience.

What a wonderful conference. Thank you San Antonio. What a great job you did. Thank you, Mikki and Jim M From Topeka, KS

.....

Greetings from Wisconsin:
Four of us made the trip to SA and were very pleased. You folks did one great job of organizing even though AA ought never be organized. I commend you all on a job well done. Many thanks also to the people of SA who were very gracious and patient with the large crowds.
My only complaint is that Applebees at the Drury hotel ran out of ice cream and apple pie.
Thank you again and God bless you all.
DJ
Menomonee Falls, Wisconsin

.....

Hope you are going to publish the final count of attendees at the recent Convention in San Antonio...what a great job was done by all who helped to organize this event! Courtney C

I was moved and transformed in more ways than I can say by my experience at the 2010 Convention and it was something I will never forget. I was impressed with the incredible organization of the entire conference, the smiling volunteers, even the "normies" of the local businesses picked up on all the energy and I never had a bad experience anywhere. The entire event was smooth, pleasant, and so spiritual for me. I felt like I was in a wave of love. Every time I turned around something was getting done and someone was there doing it. Incredible.....what an example of unity. Thank you

Thank you Thank you and God bless and keep you all.
