## **Book Review**

### Stories of Experience, strength and hope from Grapevine

**AA in the Military** is a collection of stories, previously published in Grapevine, by members of Alcoholics Anonymous who have served in the military. The book begins with letters from the troops during World War II, when Grapevine first became a vital tool in keeping soldiers sober and connected to AA. The chapters that follow are filled with stories of experience, strength and hope—by both men and women—who served their country on land, sea and air. These personal accounts illustrate the challenges alcoholics in uniform encounter, often under difficult circumstances, far from loved ones. The book concludes with a powerful selection of stories by our sober veteran members, titled “Coming Home.”

## Tradition Eight (long form)

Alcoholics Anonymous should remain forever nonprofessional. We define professionalism as the occupation of counseling alcoholics for fees or hire. But we may employ alcoholics where they are going to perform those services for which we might otherwise have to engage nonalcoholics. Such special services may be well recompensed. But our usual A.A. Twelfth Step work is never to be paid for.

**Did you know that the long form of the Traditions is in your Twelve & Twelve on page 189?**

## Golf Scramble

We are holding our sixteenth Annual Weekend in SA with AA Golf Scramble Thursday, Sept. 27, 2018. This event will kick off our 35th Weekend in SA with AA Conference" to be held Sept. 28, 29, 2018 at the San Antonio Shrine Auditorium.

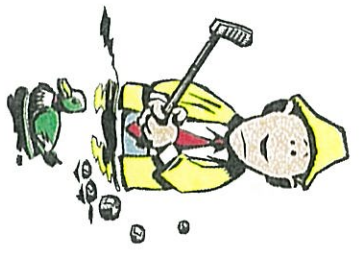

Come join us and meet some new golfing members in San Antonio. It's a "Scramble" format so all levels are welcome (you do not have to be a good golfer or even know how to play to participate). You do not need to be a foursome to play. We can help pair you with a partner and assign foursomes based on your level. Or, a partner that you wish to play golf with, they will accommodate that as well.
