The last of its kind. This is the last Nightcap to be snail mailed—we are moving into the digital age. Well, its taken awhile for us to make this move to an electronic version of The Nightcap, but it is finally happening. The first electronic issue will be emailed to subscribers late December. It will be the January 2012 issue.

We have snail mailed our newsletter for 42 years. Actually, we have Nightcaps from the early 1950s, but there was a period of time, and for some unknown reason, the newsletter was not published. It picked back up again in 1969 and has continued on a monthly basis ever since.

The change to a digital newsletter has been slow in coming, but that is generally the AA way. If you are interested in receiving The Nightcap in an electronic format, please fill out the form on the back page. Hard copies will be available at the office.

It has been my pleasure to have published The Nightcap for the last nine years. There was much to write about over the years. Lloyd and I watched the miracles happen and I would attempt to write about them. We saw everything from the fellowship pulling the office out of a financial bind, to opening our arms to the Katrina evacuees. We all rallied around downtown San Antonio to welcome the world here for the 2010 International Convention. We cried at the loss of our old-timers. We clapped for the newcomer receiving a desire chip. We saw thousands of hopeless alcoholics being directed to meetings and 12-Step calls being arranged. Big Books moved through CSO by the case. The San Antonio community welcomed AA at their Health Fairs, schools and correctional facilities. There has always been a plethora of material for The Nightcap for we are not a glum lot! We will miss the blanket of spiritual warmth that covers this office. We are grateful to have gotten to be of service and welcome the inevitable change coming for us and to your office. *Thank you, -Char & Lloyd*

**CSO will be closed  
Christmas Day and  
Monday, December  
26, 2011.**

# MY HOME GROUP

We would like to run a series of articles about the groups in our greater San Antonio area. These groups are found in the cities and towns of Bandera, Blanco, Boerne, Buda, Canyon Lake, Castroville, Center Point, Comfort, Cotulla, Devine, Driftwood, Dripping Springs, Floresville, Fredericksburg, Gonzales, Hondo, Ingram, Jourdan, Junction, Kerrville, Kirby, Kyle, Lake Hills, LaVernia, Lockhart, Luling, Lytle, Medina, New Braunfels, Pleasanton, Potteet-Strawberry, San Antonio, San Marcos, Seguin, Selma, Spring Branch, Stonewall, Universal City, Waelder, and Wimberley. Your article should be about a half a page, single spaced, and can be an informative article, historical, or just how you feel about your home group and what it does for your sobriety. Please send your article to CSO, Attn: Char, 8804 Tradeway, San Antonio, TX, 78217, or email to [csosa@stic.net](mailto:csosa@stic.net).

My name is Amy D and was asked to send a little something about my home group to you. Thank you so much for all that you do at the Nightcap and allowing me to share the love and hope I receive from AA in San Antonio!

The **Fort Sam Houston Group** of Alcoholics Anonymous, I'm honored and truly blessed to say, is My Home Group. It's the best oasis! I receive the joy and love to carry throughout the week with me on post. I'm originally from Ohio and was called to duty to Ft. Sam. When I arrived (FEB 2011) there was no meeting at Ft. Sam yet GOD works in the greatest ways! On March 10th, 2011 I was informed some people were bringing a meeting to my battalion headquarters and I was so moved by those words I cried for joy in the middle of our company formation. I became so excited that I was going to be of service in more way than one. We hit the road with a slow start as an open discussion meeting on Thursday nights, but we grew within the month and even began a second Big Book meeting on Tuesdays. Not only do I feel at home in this group, I get the privilege to make others feel at home too. A lot of our group consist of young soldiers, warriors in transition, and vets that need the love and power of GOD and AA in their lives. I'm so proud to be a part in planting the seeds of Unity, Recovery and Service in their broken lives and watch them grow. It's kept me accountable and active and I wouldn't want it any other way! My home group has taught me balance between military and the AA way of life. We have grown so much since March, our new meeting place is at the AMEDD Chapel, 3125 Garden Ave., Ft. Sam Houston (Bldg# 1398) on Tuesdays and Thursdays at 1830 (6:30 pm). Currently everyone has been able to get on post without any trouble, and I'm so thankful to the members of the Rush Hour Group who brought the message in the first place. There's never a dull moment and what is best, of course, is the meeting before and after the meeting. When I walk back to the barracks I always have a heart full of gratitude and love accompanied by a permanent grin that I'm told is only found in AA. Hope to see you all there one day... We need YOU more than you need us.

*Sending light and love in the Spirit, Amy D (9/20/08) Home Group Member*

I chose **Marymont** as my home group for a very simple reason. They laughed. The meeting before the meeting, the meeting, the meeting after the meeting and at coffee later at Jim's were all full of laughter. I had not laughed in a long time and I wanted what they had. In those days it was a large meeting, 60-80 drunks all three nights a week. They included me immediately and I felt at home. The group included all ages from teenagers to old timers, I was 53. A similar range of sobriety, a good mix of men and women, all education levels and they were obviously having fun. I had not had any fun in a long time. I knew I was beginning to make some progress when my roommate of 32( at that time and 56 years now) years commented one night that I had started to laugh again. I had not laughed in a long time. *Curt—Home Group Member*
