The Communication Committee of the Central Service Office Representatives are working on the goal of 3,000 email address for the Nightcap. Currently there are 800 email address' in the database.

We can reach 9,000 AA members if we have 3,000 emails. Why? Because we know that our members share their copy of the Nightcap with at least two friends.

The Nightcap communicates what is happening in the Groups in our city and surrounding towns. It communicates the calendar for service events and area events. Help us achieve this goal by emailing your Group members email address' (with their permission)

The Amazing Paradoxes of A.A.

...reprinted from "The Professor and the Paradox", 2nd, Edition Big Book

We Suffer To Get Well: *There is no way to escape the terrible suffering of remorse and regret and shame and embarrassment which starts us on the road to getting well from our affliction.*

..

We Surrender To Win: *On the face of it, surrendering certainly does not seem like winning. But it is in A.A. Only after we have come to the end of our rope, hit a stone wall in some aspect of our lives beyond which we can go no further; only when we hit "bottom" in despair and surrender, can we accomplish sobriety which we could never accomplish before. We must, and we do, surrender in order to win.*

..

We Die To Live: *When we work at our Twelve Steps, the old life of guzzling and fuzzy thinking, and all that goes with it gradually dies, and we acquire a different and better way of life. As our shortcomings are removed, one life of us dies, and another life of us lives. We in A.A. die to live.*

..

We Give Away To Keep: *That seems absurd and untrue. How can you keep anything if you give it away? But in order to keep whatever it is we get in A.A., we must go about giving it away to others, for no fees or rewards of any kind. When we cannot afford to give away what we have received so freely in A.A., we had better get ready for our next "drunk". It will happen every time. We've got to continue to give it away in order to keep it."*

FULLY SELF-SUPPORTING

There are many A.A. Conferences held around the world. One of the most common misconceptions of these gatherings is that they are AA. Meetings. Conventions and conferences are special events which require a substantial amount of money. This Conference is funded primarily through registration fees, plus contributions from individual A.A. members and A.A. Groups. The majority of these contributions are in the form of food, drinks and scholarship money. No baskets are passed. Attendance is voluntary and as responsible A.A. Members, "we pay our own way".
