## Things we cannot change

The passing of a friend...

Nando C. from the Stay in the Solution Group

passed away June 17th.

## Special Needs

What do we need, and how can we as one member, a group, the Central Service Office, the city-wide AA 's as a whole, assist our AA members with special needs,?

If this topic interests you, then you might want to be a part of a group who is going to study the problem that exists here in San Antonio, and suggest a solution.

Round table discussion in September. Date to be announced.

# SERVICE

**Opens: 7pm**

**Guest Speaker: Denise T.**

Panel 62 Area Chair

**7150 Stahl Rd

**PI/CPC**

**Project for all groups**

**Adopt a literature rack**

*PI/CPC Committee met with the CSOR's and offered each group in San Antonio the opportunity to be involved in the PI/CPC service work in San Antonio. They asked groups that are interested in placing a literature rack in a health clinic, public or school library, or other institution to get in touch with the PI/CPC committee for a rack. Free literature is available through the Central Service Office, as well as a wide selection of AA brochures for sale that could be tailored to the placement of the literature rack. Ongoing maintenance of the literature would be the group's project. Contact the PI/CPC committee.*

*Personal telephone numbers for the committee members may be obtained by calling CSO*

## Service Material from the General Service Office

### TRADITIONS CHECKLIST from the A.A. Grapevine

All twelve traditions are discussed in this article. Come to CSO and get the full article.

These questions were originally published in the AA Grapevine in conjunction with a series on the Twelve Traditions that began in November 1969 and ran through September 1971. While they were originally intended primarily for individual use, many AA groups have since used them as a basis for wider discussion.

### Practice These Principles....

**Seven: Every AA group ought to be fully self-supporting, declining outside contributions.**

1. Honestly now, do I do all I can to help AA (my group, my central office, my GSO) remain self-supporting? Could I put a little more into the basket on behalf of the new guy who can't afford it yet? How generous was I when tanked in a barroom?
2. Should the Grapevine sell advertising space to book publishers and drug companies, so it could make a big profit and become a bigger magazine, in full color, at a cheaper price per copy?
3. If GSO runs short of funds some year, wouldn't it be okay to let the government subsidize AA groups in hospitals and prisons?
4. Is it more important to get a big AA collection from a few people, or a smaller collection in which more members participate?
5. Is a group treasurer's report unimportant AA business? How does the treasurer feel about it?
6. How important in my recovery is the feeling of self-respect, rather than the feeling of being always under obligation for charity received?

**Wednesday is “Volunteer Day”**

Wednesdays from 9am to 5pm is “Volunteer Day” at the Central Service Office and Bookstore.

Come by and let us know that you want to spend some time helping out in the bookstore. Sobriety requirement is “sober” and “willing” to participate in your sobriety by helping others. You will not be answering telephones. Those volunteers are scheduled volunteers and require some training. You might be doing any of the following tasks, no training required, one hour or more. It’s your choice.

pricing books-sorting literature-stocking shelves- dusting shelves- typing lists- stapling- shredding- sweeping

Call the office for more information: 821-6325, or just drop in on Wednesday. Lunch is at 12:30, bring your own lunch.

***What happens in the CSO office when the telephone rings !***

***In the month of May there were 321 telephone calls recorded by the Volunteers on duty.***

*Three of those calls were referred to persons on the 12 step list for assistance.*

*272 of those callers had conversations with the in-house Volunteers. Volunteers answered questions regarding how AA works, directions to AA meetings, and general information about recovery in AA.*

*36 of the telephone calls were about other matters, and those callers were referred to the proper sources.*

---

**Thank you telephone volunteers.**

---

**I am responsible...**

***Three times during the past month, people have walked into the CSO office with no prior notice, asking for help with a drinking problem. The Volunteers in the office were able to assist these new AA members. Thanks Volunteers for being there to help newcomers.***

## **Seventh Tradition (long form)**

“The A.A. groups themselves ought to be fully supported by the voluntary contributions of their own members. We think that each group should soon achieve this ideal; that any public solicitation of funds using the name of Alcoholics Anonymous is highly dangerous, whether by groups, clubs, hospitals, or other outside agencies; that acceptance of large gifts from any source, or of contributions carrying any obligation whatever, is unwise. Then too, we view with much concern those A.A. treasuries which continue, beyond prudent reserves, to accumulate funds for no stated A.A. purpose. Experience has often warned us that nothing can so surely destroy our spiritual heritage as futile disputes over property, money, and authority.” (reprinted with permission - copyright AAWS)
