Things We Cannot Change

Kathy M. passed away on May 3rd.

Kathy was an AA member with 22 years of sobriety, and well known at Goliad Group and other Groups she attended, and was a Club Manager of the Winner's Club. There will be a Memorial service at Winner's Club in early June. Call the Club for more information.

Her presence will be missed.

Melissa H. passed away on May 17th.

Melissa was a long time member of Group Twelve and attended the 11am Meeting. Memorial service is in the planning stage.

She will be missed.

Ray M. passed away on Saturday, May 20th.

Ray was known by many AA members, and for many different reasons, as a group member, as a counselor who helped alcoholics, and for several years he made the Weekend in SA badges, each one by hand, presenting each person who attended the Conference, a badge in calligraphy. Ray will be missed at many groups by many members.

There is a NEW program at the Central Service Office level.

Yes... it's service

This "Brainstorming" Group meets monthly. The Last Tuesday of each month at 11:45am.

Keeping the Focus on Our Primary Purpose

It is hoped that our common suffering as alcoholics and our common solution in A.A. would transcend most issues and curtail negative behaviors. As noted in the Big Book, Alcoholics Anonymous, “Love and tolerance of others is our code.”

Safety, however, is important to the functioning of the group. By maintaining order and safety in meetings, the group as a whole will benefit and members will be able to focus on recovery from alcoholism and a life of sobriety.

Ultimately, the experience of how these situations are handled can be as varied as our Fellowship. Good judgment and common sense, informed by the Twelve Traditions, seem to provide the best guide.

What Can Groups and Members Do?

Groups and members can discuss the topic of safety, to raise awareness in the Fellowship and seek through sponsorship, workshops and meetings, to create as safe an environment as possible for the newcomer, and other members or potential members. This can be the subject of sharing among groups at the district or area level.

Here are some helpful suggestions and reminders:

- Talk about issues of safety before they arise.
- Safety is something each member attending an A.A. meeting can be mindful of.
- Communicate clearly what A.A. is and what it is not.
- Sponsorship plays an important role and sponsors can be helpful in pointing out warning signs or unhealthy situations to sponsees and newcomers.
- A.A. members who are concerned about the words or actions of a sponsor or other member, may find it helpful to speak to someone they trust, their A.A. group, or a professional, as needed.
- Include Safety and the A.A. Meeting Environment as topics for a group inventory.
- Consider developing group guidelines and procedures on safety. Recommend that no one walk to a car alone but be accompanied by a trusted fellow or travel in a group.
- In all discussions about safety, keep the focus on our primary purpose, our common welfare, and place principles before personalities.

Southwest Texas Area 68 – Proposals
Brought before the Groups
Pre-General Service Conference Assembly
April 7-9, 2017

Proposal One

Add Accessibilities to Treatment : Add the responsibility of Accessibilities to the Treatment Facilities Committee and reflect this by changing the wording under Area Assembly, Paragraph II, Section B, Item 2, from Treatment

Facilities to read:

Treatment and Accessibilities

First time, needs a simple majority (50% +1) to take back to the groups

If possible we will print the Pros and Cons for this proposal in a later Nightcap.

The Area Voting Assembly will be this coming October. Will your group decide on how to vote?

A.A. and the Camel...

The camel has been one of the A.A. symbols for a very long time primarily in the Akron area. "Dr. Bob would explain prayer by telling how the camels in a caravan would kneel down in the evening, and the men would unload their burdens. In the morning, they would kneel down again, and the men would put the burdens back on.

"'It's the same with prayer,' Dr. Bob said. 'We get on our knees to unload at night. And in the morning when we get on our knees again, God gives us just the load we are able to carry for that day.'" - **Dr. Bob and the Good Old Timers, page 229**
 Reprinted with permission from AA World Services, Inc.

Some unknown clever AA wrote a little poem about the A.A. Camel:

"The camel each day goes twice to his knees. He picks up his load with the greatest of ease. He walks through the day with his head held high and he stays for that day completely dry."

Información

"El anonimato es la base espiritual de todas nuestras Tradiciones, recordándonos siempre anteponer los principios a las personalidades."

¿Para qué sirve el anonimato en Alcohólicos Anónimos? ¿Por qué está considerado como la mejor protección que nuestra Comunidad pueda tener para asegurar su continuación y su crecimiento?

Si consideramos la historia de A.A. desde su origen en 1935 hasta hoy día, veremos claramente que el anonimato tiene dos funciones diferentes pero de igual importancia.

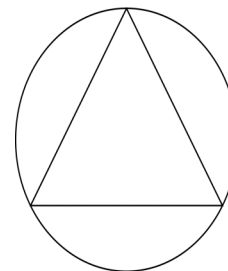

- A nivel personal, el anonimato les da protección a todos los miembros contra ser identificados como alcohólicos, una salvaguarda a menudo de especial importancia para el recién llegado.
- A nivel de prensa, TV, radio, cine y otras tecnologías mediáticas tales como el Internet, el anonimato hace destacar la igualdad de todos los miembros dentro de la Comunidad, refrenando a las personas que pudieran explotar su afiliación A.A. para ganar fama, poder o provecho personal.

Al utilizar medios digitales, los miembros de A.A. son responsables de proteger su propio anonimato y el de los demás. Cuando mandamos mensajes de texto o escribimos en un blog debemos asumir que estamos publicando ante el público. Cuando rompemos nuestro anonimato en estos foros, puede que inadvertidamente rompamos el anonimato de otros.

Nursing Students at Your Meeting

Nursing students, that are not alcoholics, attend open meetings of Alcoholics Anonymous as part of their curriculum. The aim is to make them aware of the A.A. program as a resource for the problem drinkers they will very likely encounter in their professional lives.

Usually in the springtime is when the San Antonio A.A. Helpline starts to get those telephone calls from students. The students call us and request information on meetings they may attend in our area. Sometimes the students are timid about asking. Some are unsure of our policy and if they will be received in a friendly manner. We always assure them that you will be delighted to help "professionals" understand our program. We tell them about anonymity in our meetings. We tell that picture taking and recording the meeting is not appropriate. We advise that they come a few minutes early to find a seat. We have referred many nursing students to our "open" AA meetings. We suggest they introduce themselves as "students" so that you will not be offering them a desire chip, which can embarrass the students and single them out in the meeting.

Occasionally a student will need to have a paper signed by their professor to show that they have attended the meeting. If you need to put a telephone number down and choose to, you can put the CSO number on the paper: 210-821-6325 (not the helpline, please.)

Two reminders for information purposes only:

- "open" meetings for anyone to attend, as an observer, not a participant.
- We accept contributions only from our members.

Information on Alcoholism (F-2)

Singleness of Purpose and Problems Other Than Alcohol

Some professionals refer to alcoholism and drug addiction as "substance abuse" or "chemical dependency." Nonalcoholics are, therefore, sometimes introduced to A.A. and encouraged to attend A.A. meetings. Nonalcoholics may attend open A.A. meetings as observers, but only those with a drinking problem may attend closed A.A. meetings. Tradition Six (long form)

Problems of money, property, and authority may easily divert us from our primary spiritual aim. We think, therefore, that any considerable property of genuine use to AA should be separately incorporated and managed, thus dividing the material from the spiritual. An AA group, as such, should never go into business. Secondary aids to AA, such as clubs or hospitals which require much property or administration, ought to be incorporated and so set apart that, if necessary, they can be freely discarded by the

groups. Hence such facilities ought not to use the AA name. Their management should be the sole responsibility of those people who financially support them. For clubs, AA managers are usually preferred. But hospitals, as well as other places of recuperation, ought to be well outside AA—and medically supervised. While an AA group may cooperate with anyone, such cooperation ought never go so far as affiliation or endorsement, actual or implied. An AA group can bind itself to no one.

Service in Alcohol Anonymous in San Antonio

How fortunate we are to live in a large city! Every AA service committee exists here in San Antonio!

Listed below are the many service committees available here in San Antonio for you to choose from. Some of our members have a particular area of service that they stick with during their sobriety. Other members will enjoy carrying the message in one of the service committees, and then move on to a different commitment. Why? Why not.

Willingness to continue to grow spiritually is a mainstay in our sobriety. Change is also a large part of our spiritual growth. Trying new interests assists in our growth.

Treatment Committees

While A.A. is not affiliated with any form of alcoholism treatment, A.A. Treatment committees are essential in carrying the A.A. message into treatment settings where the suffering alcoholic may be introduced to A.A. for the first time.

This committee meets monthly: 1st Sunday of each month at 5pm @ Fellowship Room

Email the Chairperson: cmte.tfc@gmail.com

Corrections Committee

The purpose of a Corrections committee is to coordinate the work of individual A.A. members and groups who are interested in carrying our message of recovery to alcoholics behind the walls, and to set up means of smoothing the way from the facility to the larger A.A. community through prerelease contacts.

This committee meets on even months on the 4th Sunday at 12:15pm @ St. Francis Episcopal Church

Email the Chairperson: cmte.cfc@gmail.com

Cooperation With The Professional Community (C.P.C.)

Members of C.P.C. committees inform professionals and future professionals about A.A.— what we are, where we are, what we can do, and what we cannot do. They attempt to establish better communication between A.A.s and professionals, and to find simple, effective ways of cooperating without affiliating.

This committee meets on even months on the 4th Sunday at 1pm @ St. Francis Episcopal Church

Public Information Committees

Like all of A.A., the primary purpose of members involved with Public Information service is to carry the A.A. message to the alcoholic who still suffers. Working together, members of local Public Information committees convey A.A. information to the general public, including the media.

Archives Committee – San Antonio Archives Committee

Like any other A.A. service, the primary purpose of those involved in archival work is to carry the message of Alcoholics Anonymous. Archives service work is more than mere custodial activity; it is the means by which we collect, preserve, and share the rich and meaningful heritage of our Fellowship. It is by the collection and sharing of these important historical elements that our collective gratitude for Alcoholics Anonymous is deepened.

This committee meets every month on the 1st Thursday at 6:15pm @ Fellowship Room
