**It's here!** By the time this issue is printed, copies of "A History of Alcoholics Anonymous in San Antonio" should be on the shelves at the Central Service Office (CSO). If you did not pre-order, please stop by CSO and purchase your copy today. It is a must!

*I would like to take a moment to share with you how all this talk about a history book came about. It is a fascinating story by itself.*

*I volunteered on the phones at CSO in the early 1990s. I was always awed at the history that was here.*

*When I came to work at CSO in 2003 I was saddened to discover much of our spiritual heritage had disappeared.*

*I came home from the International Convention in Toronto with their history book and marveled at what a wonderful idea this would be for the San Antonio fellowship. But who was to write this book? Certainly not me with my limited experience. So with much talk and lots of prayer, Bob R. came into the picture. God surely had a hand in this, because Bob is a research author, and somewhat of an historian, not to mention a member of our fellowship. I knew Bob, but as it is in A.A., did not know of his profession.*

*At first Bob did not think he had enough material for a book. We dug through everything at the office and our storage, Bob interviewed our old-timers, groups provided their histories, pictures were taken, and today we have a beautifully bound 200+ page history book, that will preserve this much of our history forever.*

*We cannot thank Bob enough for this gift to the fellowship of Alcoholics Anonymous in San Antonio. It is a priceless gift, and when you read these precious words of our past, my prayer is that you will agree.*

*-Char, CSO Manager*

**Weekend in SA w/AA is only weeks away (April 6-8). See pages 7 & 8 for more great events that will come to pass.**

**I**f you weren't there, you missed it. The Villita Assembly Hall was overflowing with members of Alcoholics Anonymous February 10th. We were there to support a fundraiser for Weekend in SA w/AA. We were there for the fellowship, food, and a dance. We were there for the celebration of 50 years of sobriety for our beloved Jim W. who has given his entire sobriety to reach the alcoholic who still suffers. Who could begin to guess how many alcoholics Jim has touched in his 50 years. We are sure this figure, if known, would fill Villita Assembly Hall many times over.

Jim would not want us to make a fuss as he has taught us that to serve is our act of gratitude. However, one of the efforts of his labor has been Weekend in SA with AA that benefits the Central Service Office. The Board at CSO and its staff extends their heartfelt appreciation, and sends congratulations!

THE NIGHTCAP IS ABOUT, BY AND FOR MEMBERS OF THE AA FELLOWSHIP. OPINIONS EXPRESSED HEREIN ARE NOT TO BE ATTRIBUTED TO ALCOHOLICS ANONYMOUS AS A WHOLE, NOR DOES PUBLICATION OF ANY ARTICLE IMPLY ANY ENDORSEMENT BY EITHER AA OR THE NIGHTCAP. (Exceptions: Quotations from AA books, pamphlets, and the 12 Steps and/or 12 Traditions are reprinted with permission of AA World Services Inc. The AA Preamble, slogans, etc. are reprinted with permission of The Grapevine, Inc.)

**REMINISCING**....I lay in bed last night thinking back to those early days at the "original" Winners Club. Back in 1986 & 1987, those first couple of years for me staying sober. Who all is still around. Many I know have died; many good people that helped me along the way.

Dade R: he was 35 years sober when I first met him. I thought he was just there for company--he certainly didn't exhibit any alcoholic tendencies. Then I heard his story of 24 years of drinking and realized that there were no alcoholic signs because he had been in recovery for 35 years. I wanted that!!!

Al D: always looking after the club, making sure there was literature and that the operation ran smoothly. He seemed to be the link between the club and CSO.

Jen R and Ted W: Ted, a former pro football player, though with his age and frail body it was hard to imagine until you heard some of his stories. Jen was overseeing the clubs getting cleaned one day. I walked in, my 4 or 5 months sobriety puffed out of my chest like it was 4 or 5 years (humph--I wished). Jen told me to grab a broom and help out. I looked at her, and with all my righteous indignation said to her and her 30 plus years sobriety: "Who do you think you are? What have you ever done for AA?". She just looked at me and smiled. It was a loving smile. I didn't understand right then, but came to realize in time that she was just accepting me for who I was, a newcomer that, in time, if I hung around, would not have to be told to grab a broom. Growth!!!

Jeff O'C: my first sponsor. Jeff was 12 years sober when I walked through the doors in February, 1986. He was responsible for getting me active in service work, one of the greatest gifts to be found in the AA fellowship. I can remember hopping in his pickup one day and off we went to a stationary and card shop that was going out of business. We loaded up 7 or 8 card racks (heavy) and took them over to the CSO which, back then, was on Jackson Keller as I recall. Dee S. was the CSO manager, a great gal who, at that time was around 30 years sober.

This service work was great stuff. I got to be around all these people with years and years of sobriety. Maybe, just maybe, if I kept doing the things they told me to do and I stuck with these winners, I had a good chance of staying sober. I wanted that.

Jeannie W: I happened to be chairing a meeting at the Morning After Group at the Winners Club (I think I was almost 7 months sober) and Jeannie announced this was her 28th sobriety birthday. At 7 months sober I was sick and tired of hearing first step meetings. I needed "depth"???. I asked Jeannie if, on her birthday, she would like to choose the topic for the day's meeting. She said yes, and that always around her birthday she liked to hear her favorite topic, "The First Step"!!! Oops! Maybe I'm not quite ready for "depth". If the first step is appropriate for a gal celebrating 28 years, I guess maybe I better pay attention too!!!

Little things, so many little things; that when added up are like each day added to the next, and before long you've got 365 days, and are celebrating the impossible dream, one year sober!!! Each day brings more little things; more wonderful people, both new and old. I miss those wonderful people, but they still live within and I can honor them by passing along what they so freely passed along to me. I've always used both my first and last name in the fellowship. Dr. Bob, in Dr. Bob and the Good Old-Timers says we are breaking the tradition of anonymity as much by not using our last name within the fellowship as we are by using it at the level of press, radio, and film. I was never embarrassed when I was being handcuffed for another DWI; I certainly am not embarrassed for being sober. I am so grateful to all of those wonderful old-timers and for all who trudge along with me. Those were good days at the old Winners Club; good days because of good people both old and new.

God bless AA.

*The following is written by: Elliot, CFC, Sponsor by Mail Chair*

The **Correctional Facilities Committee** has a small group of AA members that carry the message to the inmates who are still are confined by mail. That group of individuals is called "Sponsor by Mail". The inmate sends a letter to the CFC and asking someone to send a letter to back to them to help them through the 12 Steps. The sponsors don't reveal any personal data i.e. last name, address, Email, or phone numbers. All correspondence is done though the CFC PO Box. A representative then forwards the correspondence either to the sponsor or to the inmate. It is a good way to do some service work. I am asking for some sponsors, I need help. Please volunteer to be a Sponsor by Mail. Send your mailing address to: Sponsor by Mail, CFC, PO Box 33866 San Antonio, TX 78265.

"WHAT A COINCIDENCE - SO DOES HE."

**THAT AIN'T IN THE BOOK...**

*Editor's note: this item appeared in the Central bulletin, Cleveland Central Office, then in the New Reporter, Washington DC. It's offered here as food for thought:*

We hear a lot of stuff said in meetings that can't be reconciled with the program as described in the Big Book of Alcoholics Anonymous. What follows are some of the things we often hear, along with what the Big Book has to say on the subject.

✓"Remember your last drunk"

Page 24, Paragraph 2: "We are unable, at times, to bring into our consciousness with sufficient force the memory of the suffering and humiliation of even a week or a month ago. We are without defense against the first drink."

*continued in April issue*

*Don't cry because it's over; smile because it happened.*
