Thank You Weekend In SA Committee

"Neither snow, nor rain, nor gloom of night..." It was a rainy, cold weekend, but activities were cooking at Weekend in SA this year. I always think the one I'm at is the best one yet, and this was no different. I was amazed at the attendance in spite of the weather. Nothing keeps us away from a good thing.

Roy H and his committee did an excellent job with the conference. It was obvious that much hard work and dedication went into the weekend. Thank you also to our groups for their help. This would not have happened without you.

We are so fortunate to have a central office in San Antonio. The Weekend in SA committee is a big part of the continued success of the Central Service Office. The message of Alcoholics Anonymous is passed on every single day in our community and throughout our fellowship because you continue to support the office.

THANK YOU!

WELCOME

The Central Service Office has extended its service area to include the towns/cities of Blanco, Buda, Canyon Lake, Driftwood, Dripping Springs, Gonzales, Kyle, Lockhart, Luling, New Braunfels, San Marcos, Seguin, Spring Branch, Waelder, and Wimberley.

It is a privilege to be of service to you. We are available to assist your groups in any way we can to help you carry the message of Alcoholics Anonymous. Please look for groups/meetings in these towns/cities in the next San Antonio Metro Area meeting directory, and of course, currently on our website. We are working at putting a map locator on our website and hope to have that database up by the end of the year.

Other towns/cities in the Metro Area that we have been serving for years include: Boerne Noon, Castroville, Devine, Floresville, Hondo, Jourdanton, Kirby, LaVernia, Pleasanton, Poteet-Strawberry, Selma, and Universal City.

Our vision continues to grow in the services we provide. Thank you for your continued support.

SURVEY

Those of you who attended the Weekend in SA w/AA Conference heard of, and hopefully participated in, a Central Service Office (CSO) survey. Results of that survey will be posted in The Nightcap next month.

CSO will conduct the same survey in all our groups in hopes of giving everyone an opportunity to participate. These surveys will be mailed to each group. You may make as many copies as your group would like, and either tally them up and send one survey back, or send them all back.

Your opinion is important to us as we plan for the future; so please take the time to fill out a survey when you receive it. All surveys will need to be returned to the office by June 1.

THE NIGHTCAP IS ABOUT, BY AND FOR MEMBERS OF THE AA FELLOWSHIP. OPINIONS EXPRESSED HEREIN ARE NOT TO BE ATTRIBUTED TO ALCOHOLICS ANONYMOUS AS A WHOLE, NOR DOES PUBLICATION OF ANY ARTICLE IMPLY ANY ENDORSEMENT BY EITHER AA OR THE NIGHTCAP. (Exceptions: Quotations from AA books, pamphlets, and the 12 Steps and/or 12 Traditions are reprinted with permission of AA World Services Inc. The AA Preamble, slogans, etc. are reprinted with permission of The Grapevine, Inc.)

But Don't A.A. Groups Use the Lord's Prayer?

The practice of ending meetings with the Lord's Prayer, once almost universal, is still common in many areas. Where it still exists, the leader normally asks attendees to join in only if they choose to. North American groups today have found a variety of ways to close their meetings. Use of the Lord's Prayer is rare in Spanish groups in the U.S. and groups outside the United States. Many recite the Serenity Prayer or A.A.'s Responsibility Statement; others use some other informal prayer or phrasing, or simply a moment of silence. And whatever the specific wording, the group conscience makes the decision.

Groups that continue to close with the Lord's Prayer are following a custom established in the Fellowship's earliest days, when many of the founding members found their support in meetings of the Oxford Groups. The practice of closing with the Lord's Prayer very likely came directly from those meetings. At the time, there was no A.A. literature, and so the founders leaned heavily on Bible readings for inspiration and guidance. They probably closed with the Lord's Prayer because, as Bill W. explained, "it did not put speakers to the task, embarrassing to many, of composing prayers of their own." Meeting formats became more inclusive once A.A. began to spread throughout North America and then the rest of the world; and it became obvious that the program of recovery could cross all barriers of creed, race, and religion.

In *Alcoholics Anonymous Comes of Age*, the Rev. Samuel Shoemaker, one of the nonalcoholic friends who was instrumental in shaping the Fellowship in the very beginning, reflects on the founders' fundamental decision not to define a set of beliefs. He says (pages 263-64): "A.A. has been supremely wise, I think, in emphasizing the reality of the experience, and acknowledging that it came from a higher Power than human, and leaving the interpretation part pretty much at that.... If A.A.'s had said more, some people would have wanted them to say a great deal more, and define God in a way acceptable and congenial to themselves. It would have taken only two or three groups like this, dissenting from one another, to wreck the whole business.... So they stuck to the inescapable experiences and told people to turn their wills and their lives over to the care of God *as they understood Him*. That left the theory and the theology. . . to the churches to which people belong. If they belonged to no church and could hold no consistent theory, then they had to give themselves to the God that they saw in other people. That's not a bad way to set in motion the beginnings of a spiritual experience." *taken from "About AA" fall 2003*

Correctional Facilities is in need of individuals to help carry the message....

These are the two facilities that we are working on to start new meetings:

**SATFII, located in the State Hospital
Monday Nights at 6:45 meeting starts at 7:00
Men with men and women with women**

**We currently have women interested in participating in this meeting but no men
6 months sobriety. Valid TX DL**

**Texas Department of Criminal Justice, Parole Division, located at 2902 N.E. Loop 410, near Perrin Beitel
Tuesday Nights at 6:45 meeting starts at 7:00
Men with men and women with women
6 months sobriety, Valid TX DL or ID**

We need individuals or groups that will commit and be consistent with keeping up with these meetings. The First Parole meeting begins the first Tuesday of April. Also, we are going to have two of the Substance Abuse Counselor's at our quarterly meeting to speak on behalf of the Texas Department of Criminal Justice, Parole Division facility. Our meeting is on April 29, 2007 @ 5:30pm, located at the Serendipity group.

We are hoping that we can begin taking a Monday Night meeting at SATF II the second week of April.

Anyone that is currently cleared to enter TDCJ is requested to join in the rotation for Dominguez here in San Antonio. Please let me know as we do have a regular meeting on Thursday Nights. Must be there at 6:30. Must be on the clearance list through Captain Carter.

Cotulla prison is looking for interested individuals. Must be cleared and called in. This meeting has not been established and we are working with Willard and the Devine group to take the meeting.

Please contact me if you have any questions or would like to participate. Service work has been such a blessing for me and I would like to share this opportunity with the fellowship. Please pass this information on to your groups and friends in the fellowship.

These facilities contacted me to bring AA to their clients. I have been working with them to establish meetings. But, we need the help of the fellowship and the support of the groups.

I will be sending out a current list to everyone about the service opportunities that we have listed through the Correctional Facilities Committee. As for right now these are the meetings in need.

Respectfully, Cindy R,
CFC Chairperson

Is your group represented at the Central Service Office?

The Central Office Representatives (CORs) meet on the 3rd Monday of each month.

"Elect a COR to attend." Keep your group up-to-date on service opportunities and the Central Office relocation efforts.

A.A. is a "we" program, and the Central Office Rep (COR) position provides a way for your group to connect with other groups and A.A. as a whole; also, it provides a service opportunity that can lead to more service options for your group.

NEW AT CSO

From the A.A. Grapevine: Language of the Heart-large print (\$17.50); The Best of Bill-large print (\$8.00); and The Best of Bill-Audiobook (\$12.50)

An old-timer went to breakfast at a restaurant where the "Seniors Special" was two eggs, bacon, hash browns and toast for \$1.99.

"Sounds good," the old-timer said. "but I don't want the eggs."

"Then I'll have to charge you three dollars and forty-nine cents, because you're ordering a la carte," the waitress warned.

"You mean I'd have to pay for not taking the eggs?" "YES!" the waitress replied.

"I'll take the special", said the old-timer.

"How do you want your eggs?" the waitress asked.

"Raw and in the shell," was the old-timers reply. The old-timer took the two eggs home.

DON'T MESS WITH OLD-TIMERS...THERE ARE REASONS WHY THEY HAVE BEEN AROUND A LONG TIME!

THAT AIN'T IN THE BOOK...

Editor's note: this item appeared in the Central bulletin, Cleveland Central Office, then in the New Reporter, Washington DC. It's offered here as food for thought:

We hear a lot of stuff said in meetings that can't be reconciled with the program as described in the Big Book of Alcoholics Anonymous. What follows are some of the things we often hear, along with what the Big Book has to say on the subject.

✓**"Stay out of relationships for the first year!"**

Page 69, paragraph 1: "We do not want to be the arbiter of anyone's sex conduct."

Page 69, paragraph 3: "In meditation, we ask God what we should do about each specific matter. The right answer will come if we want it."

Page 69, paragraph 4: "God alone can judge our sex situation."

Page 60-70: "Counsel with other persons is often desirable, but we let God be the final judge."

Page 70, paragraph 2: "We earnestly pray for the right ideal, for guidance in each questionable situation, for sanity, and for the strength to do the right thing."
