Mail to your group can be a "Problem"

We have found that most of the groups that meet in churches are not receiving the mail we send.

There seems to be a disconnect between your group and the church office that receives your mail.

We are collecting secure mailing address' from our CSORs and other group members that are willing to have their Groups mail arrive at their address.

Some Groups have PO Boxes.

We would like to mail information to you. Please help us by supplying a mailing address.

From The Archives

**Archives Committee meets the on the first Thursday of every Month at 6:30pm
in the Fellowship Room
8802 Tradeway, San Antonio, TX 78217**

Join us as we seek out the AA history, group history, and our older members, all in San Antonio.
There is no required experience to participate on this committee, only a willingness to learn.

Most Thursdays, Tami the Archivist is in the Fellowship Room trudging through the papers and researching our history. If you would like to help out on a Thursday, come on over. If you would like to make sure she is here, call first. 210-821-6325.

The Oral historian records the oral testimony of an AA member's own experiences in Alcoholics Anonymous.

The San Antonio Archives Committee Oral Historian is Melanie L.

To contact Melanie:
email her at: lane824@sbcglobal.net

Kim takes care of the Group History book and collects all of the interesting information about your AA groups in San Antonio and the metropolitan area. To meet Kim, you can attend the monthly meeting as Kim does attend the monthly Archives Committee Meeting on the first Thursday of each month at 6:30pm, in the Fellowship Room, 8804 Tradeway, San Antonio, TX 78217.

Kim is talented and makes our Group History Book come alive with color and pictures. We are grateful to have her participate on your San Antonio Archives Committee.

Your Group & Trusted Servants

HOW DO I GET LISTED AS A NEW G.S.R., D.C.M., OR COMMITTEE CHAIR?

Your area registrar can update G.S.O.'s records with your contact information. For a list of Area Web sites in the U.S./Canada to get in touch with your area registrar. Or, you may update your information directly with G.S.O. through our Records Department.

DO I GET A KIT AND/OR WORKBOOK?

- Once you're listed with G.S.O. (see above) we'll automatically send you the appropriate materials in a few weeks to help you in your service position. You can review service workbooks and the contents of various service kits by visiting the [specific resource pages](#) for each service area. These materials are sent to new trusted servants at no charge, thanks to contributions to G.S.O.

New [G.S.R.s](#), and [D.C.M.s](#) will receive a Kit to help them get started.

Area committee chairs for committees on [Cooperation With the Professional Community](#), [Corrections](#), [Public Information](#), [Special Needs-Accessibilities](#), and [Treatment](#) receive a committee Kit.

District and intergroup/central office committee chairs for these same committees plus [Archives](#) committees receive a **Workbook**.

HOW DO I ORDER LITERATURE FOR MY COMMITTEE'S WORK?

Purchasing A.A. literature can begin in an A.A. group. Groups and others can order from a [local Central/Intergroup](#), [Area](#), or District Office. The General Service Office cooperates closely with these offices, which have become a valuable resource for members and groups throughout the United States and Canada.

Anonymity

In Alcoholics Anonymous we talk a lot about anonymity. In the next three issues of the Nightcap we will share with our members a writing that Bill W. did for the January 1946 Grapevine. This is a long article and we will present the entire article in a three-part series. Please note that all Grapevine articles require permission to reprint.

A Tradition Born of Our Anonymity

AA's Traditions, Bill wrote, were "hammered out on the anvil of experience." Here, from an early Grapevine, Bill shares some of the experience that led to the adoption of our two anonymity Traditions - From the January 1946 Grapevine

IN THE YEARS that lie ahead, the principle of anonymity will undoubtedly become a part of our vital tradition. Even today, we sense its practical value. But more important still, we are beginning to feel that the word "anonymous" has for us an immense spiritual significance. Subtly but powerfully, it reminds us that we are always to place principles before personalities; that we have renounced personal glorification in public; that our movement not only preaches, but actually practices a truly humble modesty. That the practice of anonymity in our public relations has already had a profound effect upon us, and upon our millions of friends in the outside world, there can hardly be doubt. Anonymity is already a cornerstone of our public-relations policy.

How this idea first originated and subsequently took hold of us is an interesting bit of AA history. In the years before the publication of the book Alcoholics Anonymous, we had no name. Nameless, formless, our essential principles of recovery still under debate and test, we were just a group of drunks groping our way along what we hoped would be the road to freedom. Once we became sure that our feet were set on the right track, we decided upon a book in which we could tell other alcoholics the good news. As the book took form, we inscribed in it the essence of our experience. It was the product of thousands of hours of discussion. It truly represented the collective voice, heart, and conscience of those of us who had pioneered the first four years of AA.

*As the day of publication approached, we racked our brains to find a suitable name for the volume. We must have considered at least two hundred titles. Thinking up titles and voting upon them at meetings became one of our main activities. A great welter of discussion and argument finally narrowed our choice to a single pair of names. Should we call our new book *The Way Out* or should we call it *Alcoholics Anonymous*? That was the final question. A last-minute vote was taken by the Akron and New York Groups. By a narrow majority, the verdict was for naming our book *The Way Out*.*

*Just before we went to print, somebody suggested there might be other books having the same title. One of our early lone members (dear old Fitz M., who then lived in Washington) went over to the Library of Congress to investigate. He found exactly twelve books already titled *The Way Out*. When this information was passed around, we shivered at the possibility of being "the thirteenth way out." So *Alcoholics Anonymous* became first choice. That's how we got a name for our book of experience, a name for our movement, and, as we are now beginning to see, a tradition of the greatest spiritual import. God does move in mysterious ways His wonders to perform!*

In the book *Alcoholics Anonymous*, there are only three references to the principle of anonymity. The foreword of our first edition states: "Being mostly business or professional folk some of us could not carry on our occupations if known" and "When writing or speaking publicly about alcoholism, we urge each of our fellowship to omit his personal name, designating himself instead as 'a member of Alcoholics Anonymous,' " and then, "very earnestly we ask the press also to observe this request for otherwise we shall be greatly handicapped."

Since the publication of *Alcoholics Anonymous* in 1939, hundreds of AA groups^[1] have been formed. Every one of them asks these questions: "Just how anonymous are we supposed to be?" and "After all, what good is this principle of anonymity anyway?" To a great extent, each group has settled upon its own interpretation. Naturally enough, wide differences of opinion remain among us. Just what our anonymity means and just how far it ought to go are unsettled questions.

ALUMBRAR EL OSCURO PASADO

Confie en la idea de que el tenebroso pasado, estando en manos de Dios, es su más preciada posesión, clave de la vida y de la felicidad de otros. Con ella puede usted evitarles a otros la muerte y el sufrimiento.

— ALCOHÓLICOS ANÓNIMOS, p. 124

Mi pasado ya no es una autobiografía; es un libro de consulta para sacarlo del anaquel, abrirlo y compartirlo. Hoy al presentarme a mi trabajo me viene a la mente la más bella imagen. Porque, a pesar de ser un día obscuro —como deben ser algunos días— las estrellas brillarán con más resplandor, más tarde. En un futuro muy cercano seré llamado para atestiguar que ellas brillan. Todo mi pasado será parte de mí este día, porque es la llave, no la cerradura.
