In A.A.

November is Gratitude Month

For many decades now, we in the Fellowship have formally carved out from the calendar the month of November as a time to express our collective gratitude for our individual sobriety. Interestingly, no one is exactly sure why that month was originally chosen, though its connection with Thanksgiving seems obvious. A.A. cofounder, Bill W., thought for a while that his sobriety had begun in November, but later calculations established the date of his new beginnings as December 11. Misty origins notwithstanding, Gratitude Month has, since the 1940s, been November and our shared thankfulness over the years has taken many forms and will continue to do so as our membership widens.

Reprint from Box 459: VOL. 40, No. 5 /OCTOBER-NOVEMBER 1994 with permission From AA World Services, Inc.

What ways do we members and Groups participate in Gratitude Month?

Possibilities:

Groups may participate by passing a Gratitude Box at their groups's meetings. This gives their members the opportunity as individual members to support The San Antonio Helpline (telephone service) that connects the man or woman who is seeking help with their alcohol problem with the AA groups in the city and offers the additional assistance by providing "Twelve Step" AA members the opportunity to serve their fellow alcoholics. Also supports the constant update and printing of the "Meeting Directory" in paper form and on the Website, directing members to the meetings we as alcoholics all are in desperate need of.

The San Antonio Helpline, the Meeting Directory, The San Antonio Website, cover San Antonio, cities around San Antonio and further towns and many other communities East and West of the metropolitan area.

Gratitude Boxes are available by calling 210-821-6325

Tradition Eleven - Our relations with the general public should be characterized by personal anonymity. We think A.A. ought to avoid sensational advertising. Our names and pictures as A.A. members ought not be broadcast, filmed, or publicly printed. Our public relations should be guided by the principle of attraction rather than promotion. There is never need to praise ourselves. We feel it better to let our friends recommend us.

Cotulla Prison Meeting Growing Spiritually and in Numbers!

Often three or more English-speaking volunteers and a couple Spanish-speaking go on 2nd and 4th Saturdays into Cotulla Prison bringing Big Books for any offenders attending their *second* meeting.

With Big Books in hand, the inmates sit in small groups at tables in the prison cafeteria where they meet. Amidst the clatter and clanging of the kitchen preparations, they come up with topics and share in their groups for about 15 minutes, then share with the whole group - table by table.

Each week more inmates are coming to the meeting, growing from a dozen to a high of 70. The sharing has been powerful, and this month volunteers learned that a handful of inmates are sponsoring several of the others! **The Fellowship is growing inside Cotulla Prison just as it does on the outside, “. . . when one alcoholic talks with another alcoholic, sharing experience, strength, and hope.”** (Reprinted from *Alcoholics Anonymous*, page xxii. with permission of AAWS, Inc.)
