MAY ISSUE 2021

It's finally happening! Hugs are back!!! Hugs abound and I have so many catch up on! Is your home group meeting in person yet? Have you gone to a live meeting lately? It's opening up again so stay tuned. Check the Meeting Guide App and the CSO website to see if the information on your group is up to date. Everyone who wants or needs a meeting needs to find one and not do the foot work only to find an empty room with no one there. It breaks my heart when that happens and apparently it's happening way too often lately. Please help the Central Service Office staff keep your meeting information current. If your group is planning an event, like an anniversary or workshop, let CSO know that, too so we can spread the word through Nightcap or What's Happening. Last month's Nightcap was the largest published to date. That's a good sign of things getting back to some sense of normalcy. It may not be the same, but we can be willing to welcome and embrace it. I can't do sober by myself!

I had the privilege of attending the **19th Annual Spiritual Unity on the Frio** conference a few weekends ago and met AAs and Al-Anons from all over Texas that were just so darn happy to be there. Lots of hugs and fellowship to go around. It felt so good to be back among my recovery family, even though I had never met most of them before. I'm sure we'll meet again on this journey. I attended District 18's workshop with the focus on group autonomy and how spirituality meets financial responsibility. Again, it was great to hear the voices of recovery and be with like-minded members dedicated to service. The Inter-Service workshop featured avenues to carry the message to the still suffering alcoholic into facilities that have been closed for the past year due to the pandemic. Accessibilities is being defined and with the aid of virtual meetings is exploring so many new opportunities to reach the still suffering alcoholic that cannot attend in person meetings. There are two more District workshops slated for June that address timely topics for all. See details in this issue of Nightcap. It's time for all of us to regroup and get busy!

The calendar is filling up fast for the rest of the year and it looks like we're going "live". I hope to see many of you at the Texas State Convention in Fort Worth in June, the 45th Annual Hill Country Round Up in Kerrville in August and Weekend in AA in SA in September! All great ways that we can stay connected. It's all about **unity!** The 1st Tradition tells us...:

"Our common welfare comes first; personal recovery depends upon A.A. unity."

Big Hugs!

MONTHLY EDUCATION LIAISON REPORT
CENTRAL SERVICE OFFICE BOARD OF TRUSTEES

Our Meetings in Print

The A.A. Grapevine is the international journal of Alcoholics Anonymous in print (also available in digital and audio). The Grapevine has been an integral part of A.A. since 1944 through its magazines, apps, websites, books, etc. that reflect the full diversity of experience and thought found within the A.A. fellowship – as does La Vina, the bimonthly Spanish-Language magazine, first published in 1996.

The Grapevine began in the spring of 1944, just nine years after the Fellowship's founding. A small group of A.A. members living in New York began an A.A. magazine with the goal of providing news of A.A. to members curious about the growth of the A.A. program and fellowship (remember, back then, A.A.s had little opportunity to communicate with anyone other than their small groups. It was not as easy as it is today for non-members to find sprawling groups – A.A. members in Texas had no idea what was happening with A.A. in Florida, for example). So, with the blessing of Bill W., the first issue of the Grapevine was published in June 1944 as a large-format newsletter and a copy of the first issue was sent to every A.A. group (totaling about 300 at the time), as well as to A.A. members in the Armed Forces overseas fighting in WWII. Back during the war, each month, an entire page was devoted to "mail call from A.A.s in the Armed Forces."

And so took off the A.A. monthly newsletter as it became an integral part of the growth and development of A.A. as it is today. In fact, the Twelve Traditions were first presented to the fellowship by Bill W. in an April 1946 Grapevine article entitled "Twelve Suggested Points of A.A. Tradition." The A.A. Preamble was written by one of Grapevine's first editors, based on the Foreword to the First Edition Big Book. Today, Grapevine and La Vina reach an A.A. population that's obviously very different from the 1940s. There are more diverse groups represented throughout A.A. now, including young people, more women, LGBTQ members, and members who speak different languages. The magazine is especially vital to A.A. members in prison who cannot necessarily make it to a meeting regularly.

All articles for the magazine are contributed by A.A. members, with the exception of a few nonalcoholics familiar with the fellowship. They are reviewed by the Grapevine staff made up of A.A. members and are selected for publication after discussion and consensus of the staff. All publications can be found on the Grapevine website as well, with a subscription.

Grapevine is incorporated as one of the two independent arms of A.A.'s General Service Board, with its own corporate board, staff, and financial operation separate from that of the General Service Office. Grapevine staff are voting members of G.S.O. Financially, Grapevine is supported entirely through sales of the magazine and related items and does not accept contributions from the Fellowship, in contrast to G.S.O., which receives group contributions. Your group can elect a Grapevine Representative to make the magazines available to the group, encourage group members to read them, contribute to them, and use them in twelve step work! Visit the A.A. Grapevine website at www.aagrapevine.org to subscribe and keep this vital resource going!

Accessibilities Committee

The Responsibility Statement:

I am Responsible.

When anyone, anywhere reaches out for help,

I want the hand of A.A. always to be there.

And for that; I am responsible.

Some have significant barriers that must be overcome to ensure full participation in A.A. The Accessibilities Committee is here to identify what the local strengths in accessibilities are and where we are lacking. We are looking to the groups to help us identify where there maybe a wheelchair ramp or elevator for access. Does your group have ADA (Americans With Disabilities Act) restrooms? Is your meeting online or face to face? These are just a few questions in a very broad topic of inclusivity. Can we do better to get this information out there to those who may need it? There is an Accessibility Checklist that will be very helpful for the committee to compile information and communicate with San Antonio A.A. It has been added to the bottom. You can email me with your groups inventory of accessibility. The Accessibility Committee will be meeting online zoom

Understanding our Spiritual Tradition of Anonymity in the Digital World

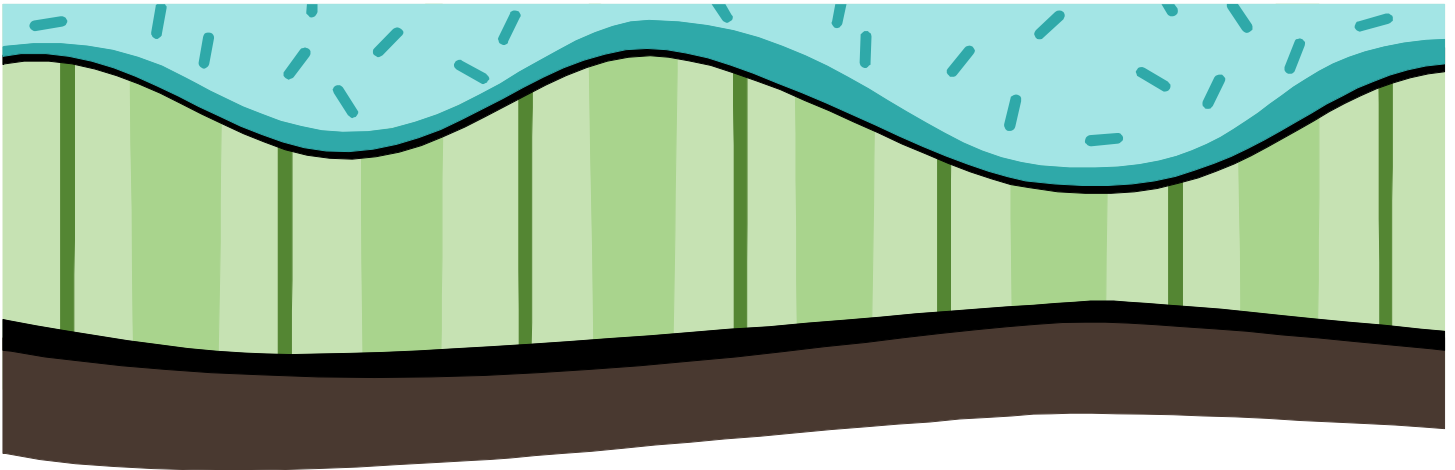

It is hard to discern what is acceptable and unacceptable when it comes to preserving our spiritual tradition of anonymity on mobile phones, iPads, computers, and on platforms such as Zoom, Skype, Facebook, Facetime, email, etc.

Join us with a panel of AA members who will be sharing their experience with Anonymity in the Digital Age. What do you think about it? What have you experienced? Is there a right answer or is it up to the individual?

Who will we remember?

When I first became your Archivist, I went to a National Archives Workshop. I brought back a passion about the importance of our members who had passed. “The Things We Cannot Change” started there.

Learning our history through their stories.

I began searching obituaries using the key word “alcoholics”. In Alcoholics Anonymous many of our members have nicknames. We know so much about each other but not our given names. These full names are not necessary unless we send invitations to an event or visit a hospital or are searching obituaries. As I found names, I went on a search for next of kin information. The Archivist at the General Service Office explained about anonymity after death. ***Members generally think it is unwise to break the anonymity of a fellow AA member even after their death. However, they recognize the final decision rests within their family members.***

P-47 Understanding Anonymity

Recently, I spent some time at the Winners Club. To my surprise there were “in memory of” recognition items for many of their members on the wall. I was so happy to find last names. I found the same at Club 12.

Yesterday I spent time with two women. One had saved funeral cards, the other was a wife who generously shared her husband's information. She looks forward to his tribute at Weekend in SA, as will many others.

The upcoming tributes at Weekend in SA will give each of us an opportunity to share the lives of our members who have passed. A wonderful sharing from our hearts to tell their stories. All their stories are important to our collective history of Alcoholics Anonymous in San Antonio. Please consider the members we have lost and join this effort to bring them alive and have them remembered and celebrated at Weekend in SA.

Yours in Service,

Tami Slater, Archivist

InterService

Accessibilities: This new committee meets online each third Sunday and is currently refining their purpose statement. Most of its initial work will be focused on getting accessibilities information to the CSO. We encourage all members to attend the monthly meeting and share ideas.

Archives: San Antonio Archives is currently working on the “Things We Cannot Change” tribute to members we have lost during the pandemic. As always, we can assist in collecting the oral histories of Old Timers and group histories. This committee meets the first Thursday of the month online at 6 pm.

Corrections (CFC): The Texas Department of Criminal Justice is starting to allow in-person meetings at correctional facilities, but it is a slow process to get our schedule back on track, and we are looking for willing volunteers. Recently, the CFC committee created DVDs that can be viewed in prisons while maintaining member anonymity. We have completed over fifty hours worth of material, with much more planned. We are sharing these recordings with New York and other areas so that they might be used wherever needed.

Grapevine/ La Vina: We are delighted to celebrate the 25th birthday of La Vina this year with the publication of two new books. Our next workshop will be on June 12th from 2-3:30. Thank you to all who attended our March workshop, which was a huge success. Remember that when you purchase a subscription, you can access all back issues of the Grapevine online. Similarly, all La Vina online articles are translated into English with the click of a button. We are available to give presentations to groups and districts at their convenience. This committee meets virtually the fourth Sunday of every month at 2 pm.

PI/CPC (Public Information and Cooperation with the Professional Community): We are continuing to give presentations at Lifetime Recovery every six weeks. We are reaching out to other recovery places as well. All who are interested, please attend our monthly meeting at 12:30pm on the fourth Sunday of every month.

*Reminder that group contribution checks to Inter-Service must be made to San Antonio Inter-Service. The bank will no longer accept checks made to Inter-District.

Eileen--Lambda Group is continuing to do Zoom, every day at 5:30 pm and 8:15 pm. Now, live meetings are added Mon and Fri, in addition to the Zoom (not hybrid—2 meetings at the same time). Group 12 had added LGBTQ+ meeting Wed at 5:30 pm. This Wed is first group conscience meeting.

Carol --Stay in the Solutions- meets 7 days a week at noon. Speaker meeting is on the last Sat of the month- This month's speaker will be Shane.

Charlotte--Tue night Big Book Group- is going hybrid June 1, and continuing at Alamo Heights Methodist Church.

Dani--weekend in AA in SA will be on Sat, Sept 4- Labor Day Weekend at the Alzar Shrine... Fund raisers include... Backyard movie night is Sat May 15 starting at 7 pm—Meet the Robinsons-- it is \$10 for adults, \$5 for children. Age 5 and under are free. BYOB- bring your own blanket (or lawn chair) to St Francis Episcopal Church on the lawn at 4242 Bluemel. We are also planning a put-put golf for the family and a karaoke show and dinner. Archives has an event during AA in SA- "Things we cannot change" to record the stories of old timers. Get with Regan or Tami.

Reminder- please check your group information for accuracy on the website at <https://aasanantonio.org/meetings/>. This info feeds the Meeting Guide app.

Minutes of previous meeting – Andy J moved to accept the minutes from the previous meeting, minutes approved.

CSO Group information--Virginia B – We have a new Accessibilities Committee with Sonya as chair. She will be here next month to make a report. It is about information for accessibility to meetings and groups for people with disabilities or mobility challenges. This committee meets the 2nd Sun of the month. Any questions on the group accessibility questionnaire can go to Sonya.

BOARD REPORTS

Liaison Report by Don K –

At board meeting, Doug F gave an archive report. The chairs of the committees and archives are going to stay on one more year on account of the pandemic year. David M gave Interservice Committee report -- they have monies for group projects that have not been spent. Interservice is having a workshop on Sun—presentation on pamphlet P11 “Medication and Other Drugs.” Winner’s Group is talking about moving. Board member David M has tendered his resignation from the board. He has taken a job in recovery and cannot--by By-laws--also be a Trustee. There is now an opening on the board.

Board Financial Report --Wanda B – Reviewed Balance Sheet including assets, liabilities and equity. Reviewed Income Statement including... sales, expenses, annual comparison, group contributions. Reviewed P&L (profit & loss) for March. Explanation about bank reconciliations and credit card charges.

San Antonio Interservice--Wanda G.- About reason for excess funds,,, because of pandemic, service committees have done less. Explanation: Interservice is over the service committees--sets up a budget, coordinates and is responsible to members, districts and groups. We can work with Districts for funding workshops, etc. Review of activities of committees and the 2 workshops this upcoming weekend, detailed in the NiteCap newsletter. Questions to sainterservice@gmail.com or to surge98b@gmail.com

Hispanic intergroup--Mike – Duties: Take board reports back to groups, bring back fliers, accessibilities information and group changes to CSO that end up in the NiteCap. We don’t yet have a member of Spanish Intergroup at this CSO meeting.

Archives by Tami S—Tami is the archivist for San Antonio. Excited to find an assistant to be approved. We continue to work on Tribute project for AA in SA conference. We continue to work with old timers getting oral histories and building a list of old timers for oral history recordings. July, August, October, November is available for training groups for oral histories. Phone numbers available thru the CSO office.

Nominating committee-- Joe R- no report

San Antonio Helpline--Phyllis H- have had 3-4 call volunteers fall off the list. Requesting we go to groups for volunteers for after-hours phone volunteers. At least for backup. Have a Sat night from 10 pm to 7 am.

Managers' report by Jim –We have been working with the website—a daily effort—to keep group info updated. The Meeting Guide app is driven by our website. Aboutt accessibility, we are working to get as much detail from responses as we can, into meeting information. Zoom meetings are here to stay—I can put closed captioning on our CSO recordings. Costs \$20/month and I'm looking into it.

Issue to consider- do we want to go to in-person CSO meetings? Jim has made a call to the Episcopal church on Starcrest where we met, and they have not returned call...If we go to hybrid meetings, office will need a laptop to have hybrid meetings—we can afford it.

Discussion: Mary is not ready to return to in-person meetings. Cindy said she feels ready to have in-person meetings and would enjoy that. Paula agrees with Cindy and says she is ready to get back together. Tami is ready to get back and offered laptop to donate for hybrid meetings... commented that hybrid meetings are a bit chaotic. Kris said she wants to get back to in person meetings. Mary suggested we go another month to make room for trial of closed captioning, and to get feedback from the church we met at.

The Vote will be- stay zoom, go hybrid, or go in-person?

Old business –

None

New business

Discussion and vote on continuing CSO by zoom, going hybrid, or going in-person. Leigh moved that discussion-vote be tabled to next month. Motion to table approved.

Secretary- Brad C.

7th Tradition Statement: One of the most common misconceptions of these gatherings is that they are AA meetings, and that since "There are no dues or fees for AA membership," there should be no fees to attend. Conventions are special events, not regular meetings. They require months of planning and preparation and money to present. This convention is self-supporting. The cost of the convention is paid through registration fees, and as responsible AA members we must pay our own way.

***If you have a paid registration for the TSC in 2020 you are already registered for the 2021 Convention.**
