CHAIRMAN'S CORNER

NOVEMBER ISSUE 2021

November is gratitude month and we have so much to be grateful for in Alcoholics Anonymous here in San Antonio, Texas. Thank you everyone that attended the AA in SA event in October! Many thanks to Jim W., Daniella S. and the entire committee for their hard work and dedication in making this a memorable event. It was so wonderful to see so many friends after not being together last year due to the pandemic. The fellowship experienced was long overdue for this alcoholic! This event is the primary fund raiser for the Central Service Office to continue to do the 12-step work that keeps us all connected. Thanks to everyone who stopped by the CSO tables to purchase items or just to visit! I am so grateful for such a generous and loving fellowship! ***It is the perfect example of gratitude in action!***

You have another opportunity to show your gratitude through the Gratitude boxes that have been distributed through your CSOR. If you don't have one, please call CSO to arrange to get one.

There are lots of activities planned for the upcoming holiday season and if your group has something on the calendar, please don't forget to provide CSO with a flyer for publication in the Nightcap and What's Happening. It's the perfect way to let everyone know about your event or celebration. If you need copies made for distribution, CSO has a brand new Toshiba printer that can do the job for less than retail!

If you're looking for the perfect sobriety related gift for your sponsor, friend or sponsee, don't forget to shop at CSO. You'll find great books, big book covers, cards, jewelry and so much more. Shop local and support your Central Service Office.

Looking for a service opportunity in the upcoming new year? CSO is still accepting applications to fill 4 vacancies on the Board of Trustees for 2022-2023. Voting will be on Monday, November 15th at the CSOR meeting on Zoom. It's an important position that will ensure the successful continuation of the office that was started in 1943 to help the suffering alcoholic. What a legacy to keep alive! It's an honor and privilege to serve this great fellowship! It keeps me grounded in gratitude!

"I try hard to hold fast to the truth that a full and thankful heart cannot entertain great conceits. When brimming with gratitude, one's heartbeat must surely result in outgoing love, the finest emotion that we can ever know."

-Bill W. Grapevine, March 1962

Carrying the Message into Correctional Facilities

Some alcoholics aren't lucky enough to be able to go to meetings when they want to. They are in prisons or jails. They have limited contact with the shared experience that our Fellowship offers through its meetings. There are over 35,000 A.A.s in confinement and over 1,400 prison groups throughout the United States and Canada (data c. 2019). These meetings answer only a fraction of the need for more groups in correctional facilities all across the country. Many there reach for, but don't find, the hand of A.A.

In carrying the message inside a correctional facility, we are sharing our experience, strength and hope with another alcoholic. We let our stories speak for themselves. Our audience is more interested in learning how to stay sober than in hearing how we got drunk, so we talk about our program of recovery with the Twelve Steps of Alcoholics Anonymous. Deciding to participate in corrections Twelfth Step work is an important individual decision. A.A. members should carefully read all paperwork required by correctional facilities, and fully understand and be willing to comply with all rules/regulations prior to commencing such work. Dress neatly and in keeping with the requirements of the facility. A.A. is a program of attraction. The only thing we take in is our message. Take nothing out—no letters, messages or notes. Don't promise anything but sobriety. By giving this program away, we get to keep it.

You can help! Get involved with the San Antonio Correctional Facilities Committee and help in various ways. You can sign up for "Sponsor by Mail" - correspond with an inmate through the Corrections Correspondence Service. You can support corrections committees in our district, area, and region. You can join get certified to enter Texas prisons. Participate in correctional facilities workshops, etc.

The Correctional Facilities Chair for San Antonio is Mike C. and he can be reached at 617-685-6453 and he has provided his email as mikecarveycfc@gmail.com. The committee meets at 12:30 pm on the 4th Sunday of odd numbered months (Jan, March, July, Sept, Nov). The Correctional Facilities the committee visits are: Brisco (Dilley); Connelly (Kennedy); Cotulla (Cotulla); Dominguez (Dominguez); Garza West & McConnell (Beeville); Torres (Hondo); Halbert (Burnet) Lockhart (Lockhart); Bexar County Jail. Contact the chair, Mike C. to see how you can get involved today!

Very specific guidelines and suggestions on how to get a group started, or how to get involved with Correctional Facilities are in Pamphlet 26 by A.A.W.S. The link can be found here: https://www.aa.org/assets/en_US/p-26_AAinCF.pdf

BOARD REPORTS

Liaison Report by Don K: We had board meeting last Thu... I gave a summary of last CSOR meeting to the board. Randy gave archives liaison report; Rhiana gave presentation on meeting numbers and AA growth; John gave a report on the Interservice meeting; Jim B gave a financial report. CSO has a new printer, which will save us a lot of money over time. Website is doing well with Virginia doing constant updates. The Meeting Guide app has been having technical difficulties with Android phones—being worked on. We approved financial report and board minutes.

Board Financial Report—Jim B for Wanda B: Reviewed income--group contributions—thank you! During COVID year, budget came out pretty good. Expenses are on-track. Reviewed assets and liabilities/equity--operating reserve was never needed during COVID year, and we don't plan to need to. Thank you!

San Antonio Interservice (SAIS)—Wanda G: We are meeting hybrid. We did our group inventory. We're working on getting the website back up. We're working on getting a better connect back to districts- input from GSRs and DCMs has been less in Zoom. Financial responsibilities: We have money to spare for worthy proposals. Accessibilities is working on a pamphlet. Communications working on a new logo for Interservice. Grapevine had their bar-b-que... Sept writing workshop is postponed. Treatment facilities would like to see groups back to sponsoring meetings. Officer elections are coming up in October meeting.

Accessibilities Committee—Sonya D:

Hispanic Intergroup—Eliana for Mike: we have a committee that provides information to the public, to for example La Prensa newspaper. Also, we have the following committees: 12-step, literature, activities and events. We also maintain a website with updated group dates/times. We have an assembly coming up Nov 5-7 in Houston. A La Vina (Grapevine) workshop is coming up Oct 24.

Archives Chairperson-- Doug F: We had a Zoom meeting on Sept 2. For weekend in SA, we are gathering biographies to present tribute videos. We are working on recruiting our next committee. Groups are encouraged to have a representative to attend our meetings. Our oral history event is rescheduled for December. Archives handbook should be completed very soon.

Nominating Committee-- John J: we really need groups who have members with 5 years sobriety to volunteer to serve. Just make an announcement at your group..." being on the CSO board is incredibly good, fun and important service work." We need several candidates for November elections.

San Antonio Helpline—Phyllis H: Slots are filled, we are accepting back up phone volunteers.

Managers' report by Jim: We are very busy getting ready for AA in SA after a 2-year gap from COVID. We are still focused on keeping website and Meeting Guide app current, to get people to meetings. We printed meeting directory about 3 weeks ago, the first one in a year. About the new printer, it is great. It has additional capabilities and will save us money.
