CHAIRMAN'S CORNER

OCTOBER ISSUE 2021

It's that time of year again when we hear a lot about the "spirit of rotation". Every 2 years we elect another panel of "trusted servants" to represent us and conduct the business of AA. At the national level it's "the main method we have to prevent power, prestige, and personal recognition from distorting our best intentions". But perhaps even more importantly it gives the newcomer a chance to serve. I got active in serve at about 7 months sober volunteering as a greeter at the 2010 International Convention here in SA. Wow!!! What an experience that was! Then I became the group CSOR and then GSR. We hear that after serving in a position for two years and just start to really understand what our job really entails, we rotate "on" (not "off") to something else. ***We must let go to grow!*** At that point we become part of the collective voice of experience. An elder statesman instead of a bleeding deacon, hopefully.

How do we select our trusted servants? Bill W. wrote an article in the 1959 issue of Grapevine entitled, "**LEADERSHIP IN AA: EVER A VITAL NEED**" (The AA Service Manual, pg. S53) which gives us a comprehensive overview of the qualities we look for in any leadership role. Note that it does not state anywhere that a leader dictates or governs. It defines qualities like organizational skills, the ability to take responsibility and compromise when necessary. We all strive to be good examples of the principles of this program, right? A good leader that sets a good example can make you ***want*** to help with whatever the goal or task is at hand. It promotes unity! ***The most important trait you can contribute is your enthusiasm!***

For me personally, I thought being a GSR was challenging but fun. Then I became the DCM and instead of one group, it became 18 groups, each with their own unique character. This I found fascinating and came to understand how each group was autonomous yet still part of the greater whole. My experience as a GSR allowed me insight to situations that seemed baffling before. When in doubt, always refer to the twelve Traditions. They will never let you down and keep a group healthy and thriving. Being active in service keeps me grounded in my program. It also expands my circle of experience by associating with other trusted servants who are just as passionate about this amazing program of Alcoholics Anonymous as I am. It all leads to better twelve step work! And that's why we're here. When your group, district, Area or Central Service Office has its elections and there's a vacancy, don't be shy, stand up to serve! It's an experience you don't want to miss! As someone told me at the beginning..." you can't screw this thing up! We won't let you."

In Love & Service,

Karen M.

Understanding Anonymity: The Twelfth Tradition in the Digital Age

If we look at the history of A.A., from its beginning in 1935 until now, anonymity serves two different yet equally vital functions. First, at the personal level, anonymity provides protection for all members from identification as alcoholics, a safeguard often of special importance to newcomers. Second, at the public level of press, radio, TV, films, and the Internet, anonymity stresses the equality in the Fellowship of all members by putting the brake on those who might otherwise exploit their A.A. affiliation to achieve recognition, power, or personal gain. When using digital media, A.A. members are responsible for their own anonymity *and* that of others

When we break our anonymity online, we may inadvertently break the anonymity of others. The word “anonymous” in our name is meant to provide as much privacy as an individual may desire regarding membership in A.A. From its earliest days, A.A. has promised personal anonymity to all who attend its meetings. Because its founders and first members were recovering alcoholics themselves, they knew from their own experience how ashamed most alcoholics are about their drinking, how fearful they are of public exposure. The social stigma of alcoholism was great, and those early A.A. members recognized that a firm assurance of confidentiality was imperative if they were to succeed in attracting and helping other alcoholics to achieve sobriety. Over the years, anonymity has proved one of the greatest gifts that A.A. offers the suffering alcoholic. Without it, many would never attend their first meeting.

Although the stigma has lessened to some degree, most newcomers still find admission of their alcoholism so painful that it is possible only in a protected environment. Anonymity is essential for this atmosphere of trust and openness. As valuable as privacy is to new members, it is noteworthy that most of them are eager to share the good news of their A.A. affiliation with their families. Such a disclosure, however, is always their own personal choice: A.A. as a whole seeks to ensure that individual members stay as private and protected as they wish, or as open as they wish, about belonging to the Fellowship; but always with the understanding that anonymity at the level of the press, radio, TV, films and other media technologies such as the Internet is crucial to our continuing sobriety and growth — at both the personal and group levels.

To assure the unity, effectiveness, and welfare of A.A., anonymity must be universal. It was the guardian of all that A.A. stood for, and still is. More recently, the arrival of new forms of electronic communication such as social networking offers fresh vehicles to carry the A.A. message to the public. Modern communication flows in ways that are high-tech, relatively open ended and evolving quickly. Protecting anonymity, is a major concern for A.A. members who are accessing the Internet in ever-growing numbers.

In stressing the equality of all A.A. members — and unity in the common bond of their recovery from alcoholism — anonymity serves as the spiritual foundation of the Fellowship. Back in 1948, Bill W., our co-founder, wrote: “One may say that anonymity is the spiritual base, the sure key to all the rest of our Traditions. It has come to stand for prudence and, most importantly, for self-effacement. True consideration for the newcomer if he desires to be nameless; vital protection against misuse of the name Alcoholics Anonymous at the public level; and to each of us a constant reminder that principles come before personal interest — such is the wide scope of this all-embracing principle. In it we see the cornerstone of our security as a movement; at a deeper spiritual level it points us to still greater self-renunciation.”

Howdy!

Our annual AA in SA conference will be held Saturday, October 9, 2021. We have planned many of the same fun events you have grown to expect at this fantastic conference. This year's theme is "We were reborn". It will be held at the San Antonio Shrine Auditorium, 901 North Loop 1604. One of the many benefits of our new location is lots of free parking. The auditorium is easy to access from 1604 West, take the Stone Oak Parkway exit ramp. Also, you can take the Via Bus #2 1604. Or perhaps car pool it! This year we will have a full Spanish and English line-up, with Speakers and workshops.

Speakers, Silent Art Auction, Split-The-Pot, and Hospitality are just some of the wonderful events to enjoy during your time at Weekend In SA With AA. This year we have one fully packed day of sharing.

Those of you who have attended in the past can once again expect our great Hospitality of free breakfast, lunch, dinner, coffee, and snacks throughout the conference. As always, Weekend In SA With AA will continue to nourish your Mind, Body and Spirit. This is our "Grande" fundraiser for the San Antonio Central Service Office, which helps keep the important AA service available to so many who need and want it.

Don't forget the pre-conference kick-off Golf Tournament Friday October 8, 2021 at the Fort Sam Houston Golf Course. We look forward to seeing old friends and making new ones!

Hope you'll put these dates in your 2021 calendar and come enjoy a gorgeous event in San Antonio on Saturday, October 9, 2021. Hurry and send in your pre-registration or register online at AAinSA.org!

Please, share our conference information with your home group and local fellowship.

THINGS WE CANNOT CHANGE

Kathy W.

Kathy was a great friend of A.A. You could say she was the little tennis player that loved drunks. Kathy was very instrumental in helping with the start up of WISA. She always provided the welcome baskets for our Guest, some times the baskets were larger than her. She will be greatly missed.

Pat T

Pat passed away from complications with Cancer. Pat was a long time member of Serendipity Group and very active in answering CSO Helpline for many years. Pat's sobriety date was 10/11/1986

Wally G.

Wally passed away from complications from COVID. This was a active member of Sober Over Sixty and answered CSO Helpline for several years. Wally's sobriety date was 8/15/1987

**Lord, make me an instrument of thy peace!
 That where there is hatred, I may bring love.
 That where there is wrong, I may bring the spirit of forgiveness.
 That where there is discord, I may bring harmony.
 That where there is error, I may bring truth.
 That where there is doubt, I may bring faith.
 That where there is despair, I may bring hope.
 That where there are shadows, I may bring light.
 That where there is sadness, I may bring joy.
 Lord, grant that I may seek rather to comfort, than to be comforted.
 To understand, than to be understood.
 To love, than to be loved.
 For it is by self-forgetting that one finds.
 It is by forgiving that one is forgiven.
 It is by dying that one awakens to Eternal Life.**

CSO-Group Information- Virginia B – About group accessibilities forms, we have received some back. At Weekend in SA, we will have accessibilities workshop and information table to answer questions.

BOARD REPORTS

Liaison Report by Don K: We had board meeting last Thu... I gave a summary of last CSOR meeting to the board. Randy gave archives liaison report; Rhiana gave presentation on meeting numbers and AA growth; John gave a report on the Interservice meeting; Jim B gave a financial report. CSO has a new printer, which will save us a lot of money over time. Website is doing well with Virginia doing constant updates. The Meeting Guide app has been having technical difficulties with Android phones—being worked on. We approved financial report and board minutes.

Board Financial Report—Jim B for Wanda B: Reviewed income--group contributions—thank you! During COVID year, budget came out pretty good. Expenses are on-track. Reviewed assets and liabilities/equity--operating reserve was never needed during COVID year, and we don't plan to need to. Thank you!

San Antonio Interservice (SAIS)—Wanda G: We are meeting hybrid. We did our group inventory. We're working on getting the website back up. We're working on getting a better connect back to districts- input from GSRs and DCMs has been less in Zoom. Financial responsibilities: We have money to spare for worthy proposals. Accessibilities is working on a pamphlet. Communications working on a new logo for Interservice. Grapevine had their bar-b-que... Sept writing workshop is postponed. Treatment facilities would like to see groups back to sponsoring meetings. Officer elections are coming up in October meeting.

Accessibilities Committee—Sonya D:

Hispanic Intergroup—Eliana for Mike: we have a committee that provides information to the public, to for example La Prensa newspaper. Also, we have the following committees: 12-step, literature, activities and events. We also maintain a website with updated group dates/times. We have an assembly coming up Nov 5-7 in Houston. A La Vina (Grapevine) workshop is coming up Oct 24.

Archives Chairperson-- Doug F: We had a Zoom meeting on Sept 2. For weekend in SA, we are gathering biographies to present tribute videos. We are working on recruiting our next committee. Groups are encouraged to have a representative to attend our meetings. Our oral history event is rescheduled for December. Archives handbook should be completed very soon.

Nominating Committee-- John J: we really need groups who have members with 5 years sobriety to volunteer to serve. Just make an announcement at your group..." being on the CSO board is incredibly good, fun and important service work." We need several candidates for November elections.

San Antonio Helpline—Phyllis H: Slots are filled, we are accepting back up phone volunteers.

Managers' report by Jim: We are very busy getting ready for AA in SA after a 2-year gap from COVID. We are still focused on keeping website and Meeting Guide app current, to get people to meetings. We printed meeting directory about 3 weeks ago, the first one in a year. About the new printer, it is great. It has additional capabilities and will save us money.

NEW OR OLD BUSINESS

Old business-

At the last meeting, motion to discuss this CSO meeting as a hybrid meeting was tabled. On request, no re-introduction of the topic was made at this meeting.
