To Grow up

As we grow spiritually, we find that our old attitudes toward our instinctual drives need to undergo drastic revisions. Our demands for emotional security and wealth, for personal prestige and power all have to be tempered and redirected.

We learn the full satisfaction of these demands cannot be the sole end and aim of our lives. We cannot place the cart before the horse, or we shall be pulled backward into disillusionment. But when we are willing to place spiritual growth first--then and only then do we have a real chance to grow in healthy awareness and mature love.

About The Nightcap:

The Nightcap is about by and for members of the AA fellowship. Opinions expressed herein are not to be attributed to Alcoholics Anonymous as a whole, nor does publication of any article imply any endorsement by either AA or the Nightcap

(Exceptions: Quotations from AA books, pamphlets, and the 12 Steps and/or 12 Traditions are reprinted with permission of AA World Services Inc. The AA Preamble, slogans, etc. are reprinted with permission of the Grapevine, Inc.)

Where Have All the AAs Gone?

Remember the old Pete Seeger song from when we were young? I am reminded of that song as I sit in an AA meeting missing so many of my longtime AA friends. I worry about them, hope they're sober, and living a purposeful, joyous life. I wonder if they've gone to another home group or just left AA altogether. Some of them I see on their sobriety birthdays to collect a chip. It's a relief to see them then, but I still have a feeling of uneasiness, wondering if I'll see them again the next year. Our longstanding cliché, "meeting makers make it" seems to hold true, but offers no guarantees of sobriety. We have to work the program. We have to work the steps and be of service to others.

It seems the pandemic has dwindled AA meeting attendance, and service involvement as well. Just my own perspective as a longtime service advocate, I don't see the commitment, the passion for AA service that used to be so prevalent. I don't see nearly as many pre- and post-meeting gatherings. I don't notice as many sponsor-sponsee pairings before or after a meeting visiting, working the steps, in the next room over. It has me concerned, and wondering if our program will always be there for those who need it.

I guess all I can do is my part, meet with my sponsor, work with others, carry the message. I can pray for those friends who I don't see much of these days. And I can pray for AA, that we come through the pandemic, the apathy, and be the hand of AA that is always there. I suppose that's all we can do, our part to keep AA there for the next man and woman who seek a solution to the hopeless state of mind and body that we know as the progressive disease of alcoholism.

Speaker meetings have always been a favorite of mine. I still remember fondly, the first speaker tape I ever heard some thirty years ago. Without fail, I take away words of wisdom from each speaker to add to my spiritual toolkit. It was for this reason that when a friend of mine told me about the Old Timer interviews she was doing for the Archives Committee, I knew it was something I wanted to be a part of. I had been looking for service work, so when I heard that the Committee needed the interviews transcribed, I jumped at the opportunity to help. One of the first speakers I transcribed, told a story that was very much like my own. I was hooked. I looked forward each day to listening to, and transcribing her story. By the time I finished, I felt like she was an old friend, sitting across from me in my living room. That has been the case for each interview I have transcribed. Many of the speakers have since passed away, making the preservation of their stories all the more precious. I'm thankful for this opportunity to give back to the people of this program who have so freely given to me. It gives me great pleasure to have a small part in preserving and sharing these stories of experience, strength and hope with my fellow AA members.

Dear A.A. Friends,

First and foremost, thank you for your participation in our Seventh Tradition with contributions to the General Service Board. Our co-founder Bill W. posed the question, where do A.A.'s services fit into our scheme of things and why should we provide these functions with money? His answer was simple and still holds true today, that "Every single A.A. service is designed to make more and better Twelfth Step work possible, whether it be a group meeting place, a central or intergroup office...or the world service Headquarters." It is with this spirit that the General Service Office (G.S.O.) supports your efforts to carry the message of hope to the still-suffering alcoholic.

For decades, all correspondence to G.S.O., including our contributions, have been sent to Box 459, Grand Central Station, New York, NY 10163. Over the years, Box 459 became such an integral part of A.A. that we named the G.S.O. newsletter after it.

Now, your office and board are excited to announce that we are embracing a new method of processing our Seventh Tradition contributions that will reduce costs, ultimately allowing for more investment in services to members and groups. To this end, we are excited to announce that a separate post office box has been established for Seventh Tradition contributions only. This change will enable us to process contributions much more efficiently and at a significant savings to the Fellowship.

Effective immediately, please send contribution checks to:

Post Office Box 2407
James A Farley Station
New York, NY 10116-2407

Over the next few months, we will be updating and reprinting our contribution envelopes and literature to reflect this change. To help this change be embraced as fully and quickly as possible, we ask for your assistance in sharing this information with fellow A.A. members and groups.

We have tried to anticipate and answer questions you may have about this change. If you do not see your question below, please contact our Member Services team for assistance at memberservices@aa.org or 212-870-3023.

CSO-Group Information - Virginia - Virginia provided a succinct overview of the Central Service office and the core function of the CSOR Group volunteer member. A complete packet for all members (with an updated

2021 AA handbook) can be picked up at the office, emailed or snail-mailed to you, just let Virginia know your preference. In addition to the AA Groups providing volunteers or "Boots on the Ground" for ALL the services

the CSO area office offers (ie. 24/7 manned Helpline, 12-Step/hospital/homebound visits, foreign language assistance, etc.), the collective CSOR Group representatives provide local oversight of the 7-member AA board

and CSO office. The CSO office also produces the "Night Cap" monthly newsletter, maintains a website, provides

a meeting directory (250+ mostly meetings), speaker list, and maintains an inventory of AA related literature, tapes, tokens plus a variety of gifts/collectibles for sale. VOLUNTEERS are needed to "carry the message" in all these above-mentioned ways. Please encourage your group members to consider participating in one of these many

SERVICE opportunities. There is an excellent synopsis of the CSOR role in AA written by a past manager in the packet titled, "A Note To Our Members".

BOARD REPORTS

Liaison Report - Omri (for Michael) - Anticipate maintaining the 2022 budget amount. Board met and positions assigned for 2022 as follows: Liaiso- Micheal, Events-Laura, Finance-Sheila, Interservice-Wanda, Archive-Mary, CSOR -Michael, Hispanic Intergroup-TBD

Financial Report - Jim - ALL contribution categories (Groups, Memorials, etc.) were great in 2021 allowing reserves & savings account to remain untouched since March 2020. Of note, AA in SA weekend provided \$40k Income & Expenses were reasonable as budgeted/ operated under unique circumstances. Plan to review actual numbers in June & adjust if needed. We are at a \$35.4k net YTD & have \$149k Assets (Cash + large Inventory); our Liabilities will drop a lot (pay-roll taxes paid). The Financial Report was approved after a motion by Adam & 2nd by Bruce.

Archives Chairperson - Bryna (for Tammy) Volunteers and a chairperson are needed.

Meetings are 1st Thurs. of every month at 6pm, Club 12

Manager's Report - Jim - Poor internet speed has Jim & Virginia hamstrung in almost every online way possible while he is doing everything to improve it. A GSR member alerted Jim that hard-cover Big Books are in short supply nationwide due to printing/supply chain problems. Fortunately, Jim maintains a good supply (200 copies).

NEW OR OLD BUSINESS

New Business - Mike suggested all CSO representatives alert their groups (esp. sponsors seeking opportunities for sponsees) about the need for VOLUNTEERS within these groups & committees and remind them how gratifying SERVICE WORK can be. Mike also noted that the Interservice website is nearly ready to launch and will know more after next meeting on 1/30.

Meeting Closed with the Lord's Prayer
