Central Service Office of San Antonio

Dear Group Members:

RE: **Birthday Club**

We need your help getting this letter to your Group members, Live and Virtual.

We have a tradition that has occurred in San Antonio AA for many years.

**The idea of contributing a dollar (\$1) a year on our A.A. Birthday. A celebration of our sobriety!
Others may give a penny or a nickel a day for each day of their sobriety.**

Members can fill out this form and submit their birthday contribution to CSO, call in with a credit card or go to our website. Birthday contributions may be given in honor of one's own Birthday or an AA Friend's birthday.

Contributions may be listed, with your permission, in one of the Central Service Office publications:

- **The "What's Happening in San Antonio"** a publication of events around town and in Groups. We have added a special section called **"The Birthday Club"** at the end of the publication.

These contributions have helped us keep the AA Literature at the same price. Please call me if you have any questions regarding the **Birthday Club** program or anything involving the Office or Bookstore.

With a grateful heart,

Jim Burke
CSO Manager

"When a man or a woman has a spiritual awakening, the most important meaning of it is that he has now become able to do, feel, and believe that which he could not do before on his unaided strength and resources alone. He has been granted a gift which amounts to a new state of consciousness and being. He has been set on a path which tells him he is really going somewhere, that life is not a dead end, not something to be endured or mastered. In a very real sense he has been transformed, because he has laid hold of a source of strength which, in one way or another, he had hitherto denied himself. He finds himself in possession of a degree of honesty, tolerance, unselfishness, peace of mind, and love of which he had thought himself quite incapable."

SECOND TRADITION

For our group purpose there is but one ultimate authority... a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants...they do not govern.
