# Central Service Office of San Antonio

Dear Group Members:

RE: **Birthday Club**

**We need your help getting this letter to your Group members, Live and Virtual.**

We have a tradition that has occurred in San Antonio AA for many years.

**The idea of contributing a dollar (\$1) a year on our A.A. Birthday. A celebration of our sobriety!  
Others may give a penny or a nickel a day for each day of their sobriety.**

Members can fill out this form and submit their birthday contribution to CSO, call in with a credit card or go to our website. Birthday contributions may be given in honor of one's own Birthday or an AA Friend's birthday.

Contributions may be listed, with your permission, in one of the Central Service Office publications:

- ***The "What's Happening in San Antonio"*** a publication of events around town and in Groups. We have added a special section called **"The Birthday Club"** at the end of the publication.

These contributions have helped us keep the AA Literature at the same price. Please call me if you have any questions regarding the **Birthday Club** program or anything involving the Office or Bookstore.

With a grateful heart,

Jim Burke  
CSO Manager

## Where do Central Service Offices Fall in the A.A. Service Structure?

Who knew that Intergroups/Central Office representatives met annually for a conference? I had zero idea. To be sure, that means our dependable Central Office managers (Jim and Virginia B.!) participate annually to learn what other central offices are doing to help carry the A.A. message. The first Intergroup/Central Office/A.A.W.S./A.A.G.V. Seminar (great title, right?) was held in 1986 with 98 representatives from 82 Intergroups attending! The purpose of the seminar was to provide a forum for discussions and solutions to those who work the A.A. frontlines - answering the A.A. Hotline in every city, managing the websites, selling A.A. literature, chips, etc. These conferences have continued to take place annually for thirty-five years, with the primary theme being how can the various Central Offices help carry the message of A.A. in their area. Every city and metro area in the U.S. generally has at least one Central Office like ours (now numbering over 500). They are responsible for maintaining and updating the meeting roster, stocking literature and chips, keeping the community informed, managing the website and MUCH more.

However, there is a slight issue, these offices and representatives are not *technically* part of the General Service Conference in New York and don't fall in the official G.S.O. Service Structure, per se. While both service entities fulfill the same mission – aiding suffering alcoholics – there are times when different perspectives and lack of communication may seem at odds and hinder A.A.'s primary purpose. In September 2020, the Des Moines, Iowa central office hosted a virtual ICOAA (Intergroup/Central Office A.A.) seminar. Quoting directly from the seminar, "ICOAA and G.S.O. really should be partners, we have way more things in common than we do differences, but we need to tell G.S.O. what we are doing and G.S.O. needs to tell us. It's a two-way street." "One of the pain points we've experienced for years is one-way communication with New York. Several decisions are made at the General Service Conference that impacts our offices," says the San Francisco Intergroup manager.

So, this begs the question, why are Intergroups and Central Offices not officially represented at the General Service Conference? After all, structurally, intergroups predate the creation of G.S.O. *and* the A.A. Service Structure. Not to mention, Intergroups and Central Offices are the ones generally implementing the decisions made at the G.S.O. level. They are really the A.A. boots-on-the-ground doing 12-step work in every city and community! Central Offices have long talked about lack of representation at G.S.O. There are liaisons between the two that exchange information and ideas, but sometimes things get lost in translation (especially with alcoholics).

A statement from a G.S.O. member reads, "Nobody argues that we don't have the same job of carrying the message, and A.A. World Services understands that Intergroups feel they are not being heard. We are taking actions to demonstrate that we are listening to their concerns. If there is a common theme from this recent seminar, it's this: to discover what is possible when we really start working together, understanding our differences and making them work for A.A. as a whole."

Perhaps now that A.A. is changing, for example with the introduction of thousands of online meetings which are NOT going away, probably ever, now is the time for the best communication possible between all service entities. There are those that wholeheartedly believe the service structure must remain as-is and strictly believe central offices are not "part of A.A." I disagree. I tend to think the best solution is for the ICOAAs to be allowed to send a delegate to voice their concerns at G.S.O. each year in New York – this will, in my opinion, help us serve our primary purpose with direct communication and coordination. Carrying the A.A. message is our ONLY OBJECTIVE, we ought to consider every single opportunity and angle we have!

### Accessibilities Committee

The Responsibility Statement:

I am Responsible.

When anyone, anywhere reaches out for help,  
I want the hand of A.A. always to be there.

And for that; I am responsible.

Some have significant barriers that must be overcome to ensure full participation in A.A. The Accessibilities Committee is here to identify what the local strengths in accessibilities are and where we are lacking. We are looking to the groups to help us identify where there maybe a wheelchair ramp or elevator for access. Does your group have ADA (Americans With Disabilities Act) restrooms? Is your meeting online or face to face? These are just a few questions in a very broad topic of inclusivity. Can we do better to get this information out there to those who may need it? There is an Accessibility Checklist that will be very helpful for the committee to compile information and communicate with San Antonio A.A. It has been added to the bottom. You can email me with your groups inventory of accessibility. The Accessibility Committee will be meeting online zoom

Meeting ID 850 1179 6272 PW 496791

AA Service is alive and thriving in San Antonio. Here are some opportunities. For more information and how to get involved, please email [SAInterService@gmail.com](mailto:SAInterService@gmail.com).

Accessibilities Committee: This new committee meets on the third Sunday of every month and is currently working on a purpose statement, and with CSO to gather information on issues concerning accessibilities in AA meetings. All members are invited to participate.

Corrections- AA members on the outside are not currently able to visit jails and prisons, but the CFC has not slowed down on service. We are asking for male sponsor by mail volunteers. If you are a CFC volunteer and you get the Covid vaccination, please let the committee know so that we can provide that information to TDCJ.

Grapevine/ La Vina- On March 20th at 2 pm Grapevine committee is holding a writing workshop. Come with your story, whether finished or not. This workshop will help attendees finish and submit their stories to the Grapevine or La Vina. Grapevine Committee volunteers are currently visiting groups and districts to talk about the Grapevine.

Public Information and Cooperation with the Professional Community- Some current projects this committee is working on are interviews which will be featured in the student publications, giving presentations to recovery centers, and placing literature racks in public places.

\*Reminder that group contribution checks to Inter-Service must be made to San Antonio Inter-Service. The bank will no longer accept checks made to Inter-District.

At Weekend in SA, we'd like to develop a photo project to pay tribute to these members who have passed on.

Please use the form below to submit a request, this will cover the costs of copying/scanning photos & equipment rental. We ask for a suggested donation of \$20.

Please see below for scholarship opportunities.

**DO NOT LET THE SUGGESTED DONATION DETER YOU FROM SUBMITTING A NOMINATION.**

Your Archives Committee is spearheading this project and we could use YOUR help with this event. Please submit photos along with the release form to display those we would like to honor. We would like to host a slide show remembering all of our members who have served and passed.
