APRIL 2022 | WHAT'S ON YOUR MIND? | OUR PERSONAL STORIES

Getting back out

BY: JACK N. | NEW CANAAN, CONN.

After two years of COVID, a member wonders what the new normal will look like and what challenges lie ahead

I'll be blunt. The "reopening" of the world does not excite me, and I'm not alone in my opinion. I am joined in this sentiment by hordes of like-minded introverts, those who got comfortable working from home, as well as many of us recovering alcoholics. I don't speak for all of us, as many are perfectly comfortable at parties and gatherings. Over time in recovery these are social settings we must learn to cope with and attend with grace. After all, they do say the opposite of addiction is connection, but with whom we connect and where we connect gets tricky.

We in AA are told to stay away from "people, places, and things." To name a few, we have those friends who still drink like they're in college, that street corner we once met our dealer on, or that beer poster hanging in our bedroom. We're told the only thing we have to change is everything. For the social component of this change, the past two years handed us a reprieve from creative excuse-making to get out of social obligations.

However, for me and, I imagine, many other sober folks, the greater reprieve was the absence of any fear of missing out. As I sat in my childhood bedroom keeping busy with a virtual workday, naps, meditation, books and social media, I took a selfish solace in knowing so many others were similarly confined. Today I tremble with nerves as the world opens its doors to alcoholics and non-alcoholics alike.

About The Nightcap:

The Nightcap is about by and for members of the AA fellowship. Opinions expressed herein are not to be attributed to Alcoholics Anonymous as a whole, nor does publication of any article imply any endorsement by either AA or the Nightcap

(Exceptions: Quotations from AA books, pamphlets, and the 12 Steps and/or 12 Traditions are reprinted with permission of AA World Services Inc. The AA Preamble, slogans, etc. are reprinted with permission of the Grapevine, Inc.)

I will of course acknowledge that the world is better off as it safely reopens, but I can't help feeling left out, bummed and subsequently guilty, as if my fear and sadness are unfounded. The public's joy and excitement are hard-earned and long awaited, but my heart breaks when I see a super crowded club doing group sing-alongs. I'm embarrassed that I yearn to be a part of this crowd, but sobriety in this setting means a hyper-awareness of sweat, liquor fumes and a scared inner shyness. Perhaps this is a yearning I should have grown out of by now.

For any non-alcoholic readers who haven't had their drinking privileges revoked, I ask you to think about what you most look forward to as getting back to shops, bars and social events return. I imagine an honest survey would include concerts, clubs and parties in at least the top 10.

I imagine my 12-year-old sober self, the one who used to get excited for school dances and Yankee games, and I try to summon his energy. Bars should be fun because you get to see your friends. Concerts should be fun because you hear your favorite music. Sitting in airports should be fun because, well, never mind. Twelve-year-old me would most likely tell me to suck it up and go engage with friends.

In sobriety, I have learned that my anxieties, such as those outlined above, fall into the category of "leaves in the swimming pool" problems. I'm reminded that I have plenty to be grateful for and that if the specifics of my social life are my biggest concern, then I'm probably doing pretty well.

After a recent period of so much suffering, I have plenty to look forward to as the world reopens, but my reentering into the world will look different than most. It will include in-person recovery meetings, gallons of coffee, and yes—if I'm ready—social gatherings with old friends from my previous life.

So to my fellow millennials in recovery, let's practice what we preach and fake it until we make it as we discover what the new normal will look like for us.

Why do we have a Central Service Office ?

CSO supports Alcoholics Anonymous activities in the San Antonio Metropolitan Area. The CSO services more than 250 meetings in and around the area. In addition to responding to inquiries from people seeking general information. We provide the 24-hour hotline mentioned above and will provide 12 step calls if necessary. This can be a life saving service as we know as well as fulfilling our primary purpose.

They sell literature, sobriety tokens and chips as well as a store full of other merchandise to help AA groups and the individual. You can purchase these items on line from the website if you can't visit the Tradeway location in person. The website has the Nightcap and the current What's Happening newsletters. You can also sign up to receive the newsletters on the website.

They maintain and publish a directory and a list of every meeting in the area. There is also a list of speakers available if you are need of one. There is a copier you may use for your group needs (flyers, pamphlets etc.) at rates lower than Kinkos.

The Office is located at 8804 Tradeway, San Antonio, Texas 78217. They are open Monday 9 to 6 and Tuesday through Friday 9 to 5. The website is <https://aasanantonio.org> . The main office phone number is 210 821 6325. The 24-hour Helpline is 210 828 6235. For those of you with one year or more sobriety looking for a service project we always need reliable folks to man the 24-hour help line.

Go see Jim and Virginia the next time you are over near the Airport.

The San Antonio Archives Committee exists to document and preserve the rich history of AA in our area. We are composed of a few sub-committees. I am writing to introduce myself as the new Chair of Group Histories.

The groups are the foundation of our service structure in AA. Their importance is further solidified in our first tradition, with the 12 and 12 stating, “Without unity, the heart of A.A. would cease to beat; our world arteries would no longer carry the life-giving grace of God...”

New groups are constantly sprouting up around town and worldwide. Sometimes a coffee pot and a resentment could turn into a great opportunity to carry our message to many more alcoholics! As new groups form, we want to capture key demographics (e.g., start date, founding/early members, location) so that perhaps 10 years down the road, when celebrating an anniversary, we don't have to rely solely on memory. And perhaps 50 years from now, a newly sober alcoholic can see the rich history of their group and be inspired to keep it going.

Additionally, we've had groups come and go. Some are frequently mentioned by speakers. One of our first goals is to get some of their info down on paper! We are specifically interested in the 24 Hour Service Club which was located on Fredericksburg Rd in the 70s and 80s.

Please join us at our Spring Fling hosted by the Airport Group on Saturday, May 14th at Christ Lutheran Church, 6720 Broadway Street from 2-4 p.m.

I will be seeking to collect information on groups. Please reach out via email if you would like to give us some information on your group or groups that are no longer active. I have a questionnaire you can fill out or discuss with your Group Conscience.

Yours in service,

Rheanna E.

STORY SOLICITATION

Fifth Edition of the Book *Alcoholics Anonymous* —Big Book
Deadline for submissions: October 31, 2022
Online submission: aa.org/submit-bigbook-english-5th

The Preface to the Second Edition of the Big Book explains that revisions to the personal history section of the book were made in order “to represent the current membership of Alcoholics Anonymous more accurately, and thereby to reach more Alcoholics.” In that spirit, the 2021 General Service Conference recommended that “a Fifth Edition of the Big Book, *Alcoholics Anonymous*, be developed, including an update of stories to better reflect the current membership, keeping in mind the 1995 Advisory Action:

“The first 164 pages of the Big Book, Alcoholics Anonymous, the Preface, the Forewords, ‘The Doctor’s Opinion’, ‘Dr. Bob’s Nightmare’, and the Appendices remain as is.”

In response to the 2021 General Service Conference Advisory Action requesting the development of a Fifth edition of the book *Alcoholics Anonymous*, the trustees’ Literature Committee is seeking a wide range of A.A. recovery experience of members in the Fellowship.

The trustees’ Literature Committee is searching for recovery stories of our members for possible inclusion in the Fifth Edition which are from a broad cross-section of our local communities, all stories are of value. As Bill writes on page 29 of the book *Alcoholics Anonymous*: “Our hope is that many alcoholic men and women, desperately in need, will see these pages, and we believe that it is only by fully disclosing ourselves and our problems that they will be persuaded to say, ‘Yes, I am one of them too; I must have this thing.’”

It is the Literature Committee’s shared hope that any new stories from our current membership will help future alcoholics to identify and find recovery in the pages of a Fifth edition.

The suggested format for typed manuscripts is 3500 words, double spaced, in 12-point font. Handwritten manuscripts should be approximately 5 to 6 pages. Please include your complete name, address, and email/phone information on the first page of the submission. A copy of your manuscript should be retained for your files.

The anonymity of all authors will be observed whether their story is selected for publication or not. Stories will be accepted in English, French or Spanish. If you have any questions, please write to 5BBStory@aa.org.

Instructions for submitting your manuscript:

Deadline: Please submit on or before October 31, 2022.

Online: aa.org/submit-bigbook-english-5th

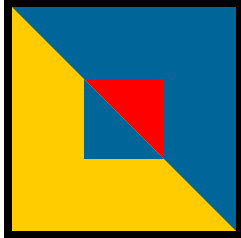

Email: 5BBStory@aa.org

Subject Line: Fifth Edition of the Book *Alcoholics Anonymous*

Postal Mail: Attn. Literature Assignment, General Service Office, Box 459, Grand Central Station, New York, NY 10163

On the envelope: The word "5th Edition BB" should be written on the envelope and at the top of the first page of the manuscript.

Thank you to all who are participating in this process!

Central Service Office virtual (Zoom) meeting held 4/18/2022 at 6:00 pm

Chair - Greg

Virginia - Roll Call of CSO Representatives and Board Members

ANNOUNCEMENTS

Special Group Activities/Changes:

- Airport Group - Rich - Hosting the Archive committee's "Spring Fling" Saturday, MAY 14th (2-4pm)
- Sober Over 60 - Cherie - Celebrating FIFTH anniversary July 12th - JIM WILLIS, Guest Speaker
- Rush Hour - Tammy - Birthday Night CHANGED to Monday
- Jaywalkers - Omri - NEW young AA MEETING; I-10/De Zavala @ University Meth. Church - Mon. 7:30pm

Texas State Conference of Young People In AA - Omri reported that the annual state conference will be in S.A. the

3rd week-end in October (weekend before AA in SA) at the Brooks Base Embassy Suites. They are expecting 300-500

"young AA's" to attend the many fun events. Admission will be \$20 payable at the door and "young at heart" are welcome.

Service Committee Activities/Changes:

- Archives - Tammy - Tammy intends to submit a letter of resignation to be effective in the fall due to personal health considerations. She is hopeful her notice will allow adequate time for her to train a replacement. Additionally, the committee

needs to fill the assistant chairperson position (Daniel & Sydney are covering temporarily). There are quarterly oral history

training sessions that volunteers can attend to learn how to interview members & tape speakers so that their sobriety stories

are documented (esp. those of our aging "AA Old-Timers"!). Tammy and her committee will provide a flier for Virginia to include

in the newsletter describing the archive process. Please alert your groups to volunteer for this important job as it is a FUN SERVICE opportunity to meet & hear about other members.

Greg commended Tammy for her remarkable "labor of love" service attitude to the Archive Committee.

- Minutes of previous meeting - Greg - made a motion to approve the 3/21/2022 Meeting Minutes

AFTER the Airport Group's "Spring Fling" DATE CORRECTION of MAY 14th (NOT May 9th) by Secretary.

ALL voted in favor and the March minutes were approved.

BOARD REPORTS

- Inter-service - Mike - Still in need of a chairperson for the Grapevine - contact Mike (sainterservice.org)
- Liaison Report - Omri/Greg noted that there was not an April meeting due to a lack of a meeting quorum.
- Manager's Report - Jim - Reminder to check website (aasanantonio.org) for your group's meeting information. Jim's

gotten a request from UTHS for 500 printed meeting booklets (for students & visitors) and we need to decide if we are going to continue providing. It is an easy process, however, meeting information changes, so it'd need to be noted "dates/times are

good for date of printing and subject to change". The CSO office rest room is being updated this month.

- Financial Report - Sheila - Gross Profit amounts appear slightly skewed relative to the Budget (\$3k/m & \$5k-ytd)

due, in part, to a drop in Income (Individual Contributions down by \$500/m & Food Sales down \$1300) AND the

"lump-sum" early payment of a few Expense items (like taxes @ \$4k) that are budgeted on a monthly pro-rata (1/12) basis.

Actual Expenses should decrease while Actual Income should increase and the gap between "Budget and Actual"

amounts in ALL categories will likely be closer to the budgeted amounts as we approach the six-month time period.

If gaps remain, Budget adjustments can be considered after review of all the numbers.

The report was unanimously approved after a motion by Greg.

- Hispanic Intergroup - Eliana - Her home group will be celebrating 30yrs. in 2022. Eliana also noted that they will be participating this year in

"AA in S.A." weekend and are now providing information to Virginia for the Night Cap publication.

NEW OR OLD BUSINESS

Discussion & Vote to change CSO Meeting format from Zoom to Live/In Person -

Greg called on several members to voice their opinions on the (3) alternative choices available for CSO monthly Board meetings: On-Line (Zoom), Live/In person, Hybrid (Live + Zoom)

The merits of each were discussed and members voted by majority to continue the On-line format.

New Business - Greg asked that Bruce be added to the May agenda to report on candidate recruitment efforts to fill

positions for the 2022-2023 CSO Board of Directors. Greg also noted the need to consider & elect a Secretary alternate.

Please consider this position as we will need to elect someone at the May meeting.

Meeting Closed with the Lord's Prayer

Secretary - Phyllis

"Your Job now is to be at the place where you may be of maximum helpfulness to others, so never hesitate to go anywhere if you can be helpful." - Alcoholics Anonymous, p. 102

What if you needed a meeting and couldn't get to one?

There may be no greater population of alcoholics in need than those who live behind the walls. They don't have the option of pulling up the AA Meetings app and finding the nearest meeting to fit into a time slot convenient in their schedule. They depend upon **you** and **me** to bring a meeting to them, to offer our individual message of experience, strength, and hope.

The purpose of the Correctional Facilities Committee is to coordinate the work of individual AA members and groups who are interested in carrying our message of recovery to alcoholics behind the walls, and to set up means of smoothing the way from the facility to the larger AA community through pre-release and contacts.

How can you help? Be part of a rotation team to carry a meeting into the prison
