

Chairman's Corner

It has been an absolute honor to serve as this year's Chairman of the Board of Trustees for the Central Service Office. So many people in the background work tirelessly to ensure A.A. flourishes in our community. I want to especially thank those involved with putting on Weekend in SA, which was a huge success! Also, to the other members of the Board and C.S.O. Employees who all play a vital role in sustaining C.S.O.'s purpose and mission. Welcome and congratulations to the new Board Members who were elected in November! I have no doubt you will all thrive in your positions. I wanted to use this last Nightcap to talk a little about where C.S.O. falls in the A.A. Service Structure:

Did you know that Intergroups/Central Office representatives met annually for a conference? To be sure, that means our dependable Central Office managers (Jim and Virginia B.!) participate annually to learn what other central offices are doing to help carry the A.A. message. The first Intergroup/Central Office Seminar was held in 1986 with 98 representatives from 82 Intergroups attending. The purpose of the seminar was to provide a forum for discussions and solutions to those who work the A.A. frontlines - answering the A.A. hotline in every city, managing the websites, selling A.A. literature, chips, etc. These conferences have continued to take place annually for 35 years (most recently in Colorado) with the primary theme being how can the various Central Offices help carry the message of A.A. in their area. Every city and metro area in the U.S. generally has at least one Central Office like ours (now numbering over 500). They are responsible for maintaining and updating the meeting roster, stocking literature and chips, keeping the community informed, managing the website and MUCH more.

However, these offices and representatives are not *technically* part of the General Service Conference in New York and don't fall in the official G.S.O. Service Structure, per se. While both service entities fulfill the same mission – aiding suffering alcoholics – there are times when different perspectives and lack of communication may seem at odds and hinder A.A.'s primary purpose. In September 2020, the Des Moines, Iowa central office hosted a virtual ICOAA (Intergroup/Central Office A.A.) seminar. Quoting directly from the seminar, "ICOAA and G.S.O. really should be partners, we have way more things in common than we do differences, but we need to tell G.S.O. what we are doing and G.S.O. needs to tell us. It's a two-way street." "One of the pain points we've experienced for years is one-way communication with New York. Several decisions are made at the General Service Conference that impacts our offices," says the San Francisco Intergroup manager.

So, this begs the question, why are Intergroups and Central Offices not officially represented at the General Service Conference? After all, structurally, intergroups predate the creation of G.S.O. *and* the A.A. Service Structure. Not to mention, Intergroups and Central Offices are the ones generally implementing the decisions made at the G.S.O. level. They are really the A.A. boots-on-the-ground doing 12-step work in every city and community! Central Offices have long talked about lack of representation at G.S.O. There are liaisons between the two that exchange information and ideas, but sometimes things get lost in translation.

A statement from a G.S.O. member reads, "Nobody argues that we don't have the same job of carrying the message, and A.A. World Services understands that Intergroups feel they are not being heard. We are taking actions to demonstrate that we are listening to their concerns. If there is a common theme from this recent seminar, it's this: to discover what is possible when we really start working together, understanding our differences, and making them work for A.A. as a whole."

Perhaps now is the time for the best communication possible between all service entities. Carrying the A.A. message is our ONLY OBJECTIVE, we ought to consider every single opportunity and angle we have! Thanks again to everyone who played a role in supporting our Central Office these past several years! Here's to a successful, joyous, and spiritual 2023!

In love and service,
Omri R.

Carrying the Message

Service Committee Spotlight Report

<https://www.sainterservice.org/>

Every month we will highlight the service work that is being done by one or two of the six (6) service committees. Please know that every committee (listed at end of report) are actively working to carry the message to the alcoholic that still suffers. But due to space, we will only highlight one or two each month (on a rotating basis). Our hope is that you may choose to help us in one of the AA service committees, as we are in desperate need of volunteers to help us continue to carry the message.

Statement of Purpose – The purpose of the San Antonio Inter-Service is to carry the AA message through coordination of service activities among the districts in the metropolitan service area in accordance with the Traditions and Concepts for World Service of Alcoholics Anonymous.

Treatment Facility Committee

Jeff, S., Chair

Current Service Activities

19 groups carrying the message to 15 facilities

Partnering with Grapevine & La Vina Committee to collect back issues of GV and La Vina magazines to be delivered to participating treatment facilities in San Antonio area

Bridging the Gap: AA program designed to help the alcoholic transition from the Treatment center by providing an AA contact at the point of discharge. The AA member helps the newly discharged alcoholic make contact with AA, find and attend AA meetings, and helps with the “slippery” place between the Treatment center doors and the nearest AA meeting.

To date 80 recovering alcoholics have been helped through this program!!!
