"Our Society, therefore, will prudently cleave to its single purpose: the carrying of the message to the alcoholic who still suffers. Let us resist the proud assumption that since God has enabled us to do well in one area we are destined to be a channel of saving grace for everybody."

A.A. co-founder Bill W., 1955

It takes member participation to ensure that group service work is done. In A.A. groups, these trusted servants are sometimes called "officers" and usually are chosen by the group for limited terms of service. As Tradition Two reminds us, "Our leaders are but trusted servants; they do not govern." These service positions may have titles. But titles in A.A. do not bring authority or honor; they describe services and responsibilities.

SERVICE STRUCTURE INSIDE THE A.A. GROUP

A.A.'s essential group work is done by alcoholics who are themselves recovering in the Fellowship, and each of us is entitled to do our A.A. service in the way we think best within the spirit of the Traditions.

About The Nightcap:

Chairperson's Corner

"A Voice from the Past"

On Wednesday, May 3rd, Women's Big Book Group and the San Antonio Archives presented "A Voice from the Past" - Char S., an interview recorded in 2016. Held at the Alamo Heights Unified Methodist Church, the room was overflowing and the energy was electrifying. In a beautiful tribute to Char, her group members sported their pink logoed tees. Listening to Char via an oral interview, her voice hung in the air as she recounted her way into the program, her first service role and her path to recovery through usefulness and purpose, Char not only serviced on the Board of Trustees for the Central Service Office, she was later employed as the Manager. I could almost see her standing at the podium, smiling with that familiar twinkle in her eyes.

Thanks to Women's Big Book Group and the San Antonio Archives for presenting this wondrous treat!

This November we will elect new Board of Trustees for the Central Service Office. Following are the requirements of the CSO Board of Trustee Members:

There are seven elected Trustees. Four elected in even numbered years. Three elected in odd numbered years.

Board members must have five years or more of continuous sobriety prior to nominations.

The trustees serve two-year terms on the Board.

Board of Trustee meetings are held once a month on the Wednesday before the third Monday at 6:00pm.

Attendance is required. Missing two consecutive meetings may forfeit your position on the Board.

Chairperson's Corner

The Board of Trustee primary duties are:

- Developing policies for the operation of the CSOSA
- Develop and oversee CSO budget
- Non-voting member of all Board Committees
- Oversee hiring and job performance of Office Manager
- Voting member of the CSOR Meeting
- Attend functions of the Central Service Office
- Additional assignments as determined by the Board Chairperson

Additional assignments may include:

- Board Chairperson
- Vice Chairperson
- Events Coordinator
- Financial Advisor
- San Antonio Interservice
- Archives Committee Liaison
- Education
- Group Visitation
- Communications

Each of these assignments require some additional time and effort and are opportunities to be involved in new areas of AA.

These assignments are kept for one year and then reassigned the following year. This position of service requires a commitment and provides tremendous gratification as a service position!

Becky R. is Chairing the Nominating Committee this term - unobek@gmail.com Please reach out to her or to the Central Service Office if you are interested in standing for one of the these four service positions.

Editorial:

My service journey in the Archive Committee started Jan. 2023. My home group, Turning Point, held a Group Conscience to take the opportunity to rotate or full service positions. The Archivist chair had not been filled for over 18 months. At the last minute, I volunteered myself without any prior knowledge or experience. I knew I loved studying History in grade school, and I thoroughly enjoy documentaries. So why not?

I was met with love and kindness at the monthly committee meeting. Thus, I was determined to find a niche within the group functions. I helped to advocate and carry out hands-on workshops that would fully train me to record oral histories of Old Timers in the Greater San Antonio Area. Immediately, I fell in love with the whole experience. Preserving their stories of what they were like, what happened, and what they are like now has many benefits as it empowers our AA fellowship. This verbal snapshot of our Old Timer's lives gives us a an understanding of how their overwhelming struggles led to inconceivable accomplishments. The historical evolution of AA is also part of their stories, from their earliest recollection of Anniversary Parties, and other fellowship gatherings, to the rise and fall of many of our AA groups, how clubhouses came to be, and so much more.

There are other areas of our committee that serve great importance. Just like my own AA program and personal adventures, I am excited that remain a docile pupil. I have often heard others share feelings of being stagnant, and struggle. I am grateful that committees like Archives were created to bring more depth and experience to the service portion of the solution.

Thank you again!

Sincerely,

Sondra
