DEPARTMENT REORGANIZATION AT GENERAL SERVICE OFFICE

With the recent reorganization at the General Service Office (GSO), two new departments have been created - Language Services and Legal, Licensing and Intellectual Property. The focus will include licensing of literature to AA structures around the world and protecting intellectual property rights related to literature and the AA name.

Legal Licensing and Intellectual Property

Many of the services previously provided under the Publishing Department have seen a surge in requests for translation projects creating a backlog. A key component of the new Department is a centralized portal known as the Translation Licensing Connection (TLC) to address the backlog.

Beverly Jones-King (non-alcoholic) is named Executive Legal Administrator. She became familiar with AA because her father was a sober alcoholic. She worked in the legal field for 25 years with experience that spans from startups to large firms, including litigation support company working on numerous government contracts. Beverly's experience at GSO so far has deepened her understanding of AA.

Language Services

This Department is responsible for translation of the literature and thousands of GSO procedures each year in several languages. The most recent deliverable was in February, where the Department provided all General Service Conference background material to delegates in three languages - English, French, and Spanish - which has never been before. The Department also coordinates interpretation services to allow for direct communication with other AA service structures around the world.

Stephanie Bozino-routier (non-alcoholic) serves as the Language Services Manager with a background in project management in addition to her translation skills. Stephanie tutored a student when she learned he had been in AA for more than 30 years. She learned about the Twelve Steps and Big Book from him. They began to translate *Daily Reflections* into French each day as part of his lessons. Stephanie continues to broaden her knowledge of the organization and approaches her work with principles of diversity, equity inclusion and accessibility.

GENERAL SERVICE OFFICE OF ALCOHOLICS ANONYMOUS**2025 INTERNATIONAL CONVENTION FREQUENTLY ASKED QUESTIONS****1. When and where will the 2025 International Convention take place?**

The 90th anniversary of Alcoholics Anonymous will be celebrated at the 2025 International Convention in Vancouver, BC, Canada, July 3 – 6, 2025.

2. What is the theme of the 2025 International Convention?

The theme of the 2025 International Convention is “90 Years – Language of the Heart.”

3. Have A.A. International Conventions been held in Canada before?

Yes. There have been International Conventions in Toronto (1965), Montreal (1985), and Toronto (2005). As you may know, the Responsibility Statement was adopted at the 1965 International Convention in Toronto.

4. Are there any restrictions or regulations affecting travel to Canada in 2025?

Yes. The U.S. and Canada each have restrictions and regulations that apply to citizens and visitors who travel from one country to the other. Border crossing into Canada has significantly changed, particularly in the last two years. (For more information: access links to Canada Border Services Agency website (CBSA) provided below question #6)

5. Who will have to process forms and applications to gain admission to Canada?

It is suggested that those who believe they have some past legal incident, such as a DUI or felony that could inhibit their attendance at the 2025 International Convention, seek assistance/information by accessing the CBSA links provided below question #6.

6. What Canadian travel information is currently available?

The International Convention assignment at GSO is not yet up-and-running. However, below is a resource to aid members in making plans to attend the 2025 International Convention (most questions can be answered by connecting to the links below). Also, a good travel book on Canada will provide valuable information on needed documents and border crossing requirements, as well as vacation tips.

Lord make me an instrument of your peace,

Where there is hatred let me sow love.

Where there is injury, pardon.

Where there is doubt, faith.

Where there is despair, hope.

Where there is darkness, light.

And where there is sadness, joy.

O divine master grant that I may
not so much seek to be consoled as to console;

to be understood as to understand;

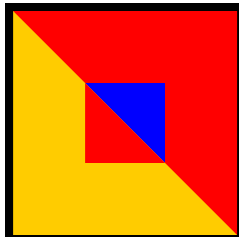

To be loved as to love

For it is in giving that we receive-

it is in pardoning that we are pardoned.

And it's in dying that we are born to eternal life.

Amen
