

# THE NIGHTCAP

**EDUCATION ARTICLE by Sarah B.** March 2024

As our Area 68 Delegate prepares to attend the upcoming General Service Conference in April, Concept One comes to mind. ‘The final responsibility and the ultimate authority for A.A. world services should always reside in the collective conscience of our whole Fellowship.’ K.C. has asked us all to complete his survey concerning the treatment (possible future changes) of our founders’ writings. Hopefully, we are all discussing this amongst ourselves and will make it a priority to attend our March Group Conscience meetings so that K.C. can get a true sense of the Area on this issue.

Other items on the conference Agenda include:

Discussing the cost effectiveness and sustainability of continuing to print our La Vina magazine

Discuss the paid placement of our Public Service Announcements on streaming platforms

Discussing the development of new literature (K.C. should have the opportunity to read some of the plain language Big Book)

Discussing the participation of on-line groups

The list goes on (available on the Area website), but needless to say there are many items of interest to the fellowship which merit our attention. I hope you will all participate in the discussions, trusting that our Higher Power is in charge! Keep our Delegate and all conference participants in your prayers. In Service, Sarah B

# Chairperson's Corner

In the journey of recovery, gratitude is more than just a feeling; it's a powerful action that can transform lives. The essence of gratitude in Alcoholics Anonymous is beautifully captured in the simple act of service—extending a hand to someone who still suffers, sharing our experience, strength, and hope, and supporting the very framework that keeps our fellowship strong. One such pillar of strength within our community is the Central Service Office (CSO), a beacon of unity, service, and recovery.

CSO is instrumental in facilitating the connection between those in need and the fellowship ready to embrace them. It organizes a meeting directory, maintains vital communication lines, via the helpline manned 24hrs/day by a recovering alcoholic volunteer. and, importantly, manages the CSO store. This store is more than just a place to purchase literature and recovery tokens; it's a direct channel through which we can practice gratitude through service. By supporting the CSO store, we're not just buying books or medallions; we're investing in the continuation of a legacy that saves lives.

At the CSO store (<https://aasanantonio.org/online-store/>), you'll find an array of resources essential for recovery. From literature that guides us through the Twelve Steps to medallions that commemorate our sobriety milestones, each item carries the weight of our shared journey towards healing. But beyond the tangible items, the store represents our collective commitment to support the CSO's mission. Each purchase is a seed of gratitude, helping to ensure that the next suffering alcoholic will find the help they need when they reach out.

# “More Will Be Revealed” EVENING GRACE WORKSHOP

ZOOM WEDESDAY 7 PM UNTIL 8PM

<https://us02web.zoom.us/j/864679931?pwd=N0gxRHNTK2NvVIBKSml0Y1hyTUlmZz09>

Meeting ID: 864 679 931

We encourage attendance to Big Book and Twelve & Twelve Study meeting prior to venturing into other AA related literature to include books, pamphlets and workbooks. Our goal in this meeting is to seek, review and discuss other literature that provides alcoholics with insights to the founding, development and maturity of Alcoholic Anonymous. Further, the purpose of this Workshop is to provide support to the programs of individual Alcoholics by reviewing and sharing the experience of our founders, old-timers, and current observations and viewpoints. Then we discuss the topic by responding with our own experience, strength and hope so as to share and solve our common problem and help others to recover from alcoholism.
