IMPORTANT

To all Online Meetings

We are having several request from newcomers who are sent by the courts or their probation officers. **THEY ARE NOT GETTING PROOF OF ATTENDANCE.**

Please make sure when you have a court ordered newcomer you provide proof of attendance either via the Chat or send them an email.

Remember this is not their fault, they simply do not know to ask for this in the beginning of the meeting .

Their probation officer or the Court is not telling them this, because they do not know the way we work.

All they know is the probationer needs AA meetings.

If we do not do this, the probationer is disappointed and leaves never to return

Please take the time to help the newcomer

Thanks

Jim

Most seniors never get enough exercise.

In His wisdom, God decreed that seniors become forgetful so they would have to search for their glasses, keys and other things, thus doing more walking. And God looked down and said that it was good.

Then God saw there was another need. In His wisdom He made seniors lose coordination so they would drop things, requiring them to bend, reach, and stretch. And God looked down and saw that it was good.

Then God considered the function of bladders and decided seniors would have additional calls of nature, requiring more trips to the bathroom, thus providing more exercise. God looked down and saw that it was good.

So, if you find, as you age, you are getting up and down more, remember it's God's will. It is all in your best interest even though you mutter under your breath.

Nine important facts to remember as We Grow Older

#9 Death is the number 1 killer in the world.

#8 Life is sexually transmitted.

#7 Good health is merely the slowest possible rate at which one can die.

#6 Men have two motivations: hunger and hanky-panky, and they can't tell them apart. If you see a gleam in his eyes, make him a sandwich.

#5 Give a person a fish and you feed them for a day. Teach a person to use the Internet and they won't bother you for weeks, months, maybe years.

#4 Health nuts are going to feel stupid someday, lying in the hospital, dying of nothing.

#3 All of us could take a lesson from the weather. It pays no attention to criticism.

#2 In the 60's, people took LSD to make the world weird. Now the world is weird, and people take Prozac to make it normal.

#1. Life is like a jar of jalapeno peppers. What you do today may be a burning issue tomorrow.

PLEASE SHARE THIS WIDSOM WITH OTHERS; I NEED TO GO TO THE BATHROOM.

A long standing tradition in Alcoholics Anonymous has been to make a contribution on your Sobriety Date in gratitude to the Program for giving you a new life. Here in San Antonio, your Central Service Office offers the "Birthday Club" as an option. By supporting CSO, you enable us to keep literature prices as low as possible and enable us to produce items such as the digital newcomer card and special pamphlets offering them at no cost to Groups.

You may choose to contribute on-line with a credit card, by mailing a check or stopping by the office. Attached you will find a contribution form and return envelope for your use.

If you wish, your contribution will be listed in our "What's Happening" publication.

With a Grateful Heart,

Jim Burke, General Manager
