

THE NIGHTCAP

August 2024

Chairperson's Corner

Exploring the 11th Step

The 11th Step of AA is all about deepening our spiritual connection through prayer and meditation. It's simple: "Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out."

This step encourages us to take some quiet time each day to connect with a higher power, whatever that means to you. It's not just about asking for things, but about listening and seeking guidance. For many, this step brings a sense of peace and clarity. It's a chance to slow down, reflect, and find the strength to handle life's challenges. Whether you're new to this or have been doing it for years, it's a way to keep growing spiritually.

Give it a try. Set aside a few minutes each day for prayer and meditation. You might be surprised at how much it helps.

About The Nightcap:

The Nightcap is about by and for members of the AA fellowship. Opinions expressed herein are not to be attributed to Alcoholics Anonymous as a whole, nor does publication of any article imply any endorsement by either AA or the Nightcap.

EDUCATION ARTICLE by Sarah B.

Trust God, Clean House and Help Others. Pretty simple. But just how do we go about Helping Others? One experience which I have particularly enjoyed is working with the various service committees, serving as “boots on the ground” to carry the message to the still suffering alcoholic and those who work with them.

Whether your interest lies in Accessibilities, Archives, Communications, Corrections, Grapevine/La Vina, Public Information / Cooperation with the Professional Community or Treatment Facilities, you can easily log in to sainterservice.org to get a description of the work being done and sign up to help! The contact info for each chairperson is printed in the calendar at the back of the Nightcap monthly. Most committees also host workshops at various times throughout the year which you can attend.

For many tasks there are no long term sobriety requirements, so it is the ideal place for newcomers to make themselves useful.

Many hands make light work and it indeed takes many hands to serve our large area! Please consider serving and take action by contacting a committee chairperson today!

Also, see the flyers herein detailing our current needs for the 24 hour answering service.

In Service, Sarah B

Did you know ???

You can recycle your old Grapevine / La Viña magazine issues here at the office! We give them to the service committees to use in their outreach work.

We offer the latest issue of both magazines here at the bookstore if you want to read a few before subscribing!

Please utilize our printing services! B/W copies are just 15 ¢ each, Color copies are 40 ¢. We also offer specialty printing on cardstock, Banners, Booklets and laminating too!

Thanks to our CSO Board of Directors for facilitating our physical inventory on July 13th!

Speaking of the Board, we are in search of Board Nominees to serve from January 1, 2025 to January 1, 2027. 5 year minimum sobriety required. Call the office for additional details.

We still do not know the publication dates for the 5th Edition Big Book, the Plain Language Big Book: A tool For Reading Alcoholics Anonymous or the 4th Edition of the Spanish translation of the Big Book. We will keep you updated as we receive word from AAWS.

24 HOUR HELP LINE VOLUNTEER

One of the most fulfilling service commitments that exist in AA

Help line volunteers agree to cover a regular set time (shift) weekly to be available to answer calls which come into the helpline number. This can be done remotely from home, or they can come into the Central Service Office to answer the calls. Substitutes are always welcome to cover shifts on an as needed basis as well.

Calls range in variety from a member looking for a meeting, to a family member asking about AA, to a still suffering newcomer ready to embark on the journey of sobriety. Often people newly released from the correctional system ask for guidance in attending their first meeting outside the walls.

An office staff member will meet with the new volunteer to review our Guidelines Manual and answer any questions they may have.

Substitutes are available if they are unable to cover your shift on a certain day.

It is suggested that volunteers have one year of sobriety to do telephone service work, but this can be waived if you have a sponsor or other experienced back up person to call upon if you need help in handling a call. Office staff are always available to help during business hours.

We currently need volunteers for the overnight shifts
on Thursdays and Sundays - 10 pm to 9 am

After – Hours Shift Coordinator
