December 2024

## Chairperson's Corner

### Season of Gratitude

Gratitude is a cornerstone of recovery, and as I reflect on my journey, I am overwhelmed with appreciation for the sponsors and fellow travelers who have guided me. Each conversation, late-night call, and piece of wisdom offered by my sponsors has shaped the person I am today. Their patient support illuminated my path and taught me how to live a life anchored in honesty and humility. I am equally grateful to the broader fellowship, whose collective strength reminds me that none of us walks this road alone.

Gratitude, however, is more than a feeling—it is an action. For me, this means paying forward the gifts I have received by being of service to others. Whether it's offering a kind word, sharing my story, or simply showing up for someone in need, each act of giving strengthens our shared recovery. Gratitude in action transforms lives, connecting us and keeping the lifeline of AA alive. Today, I strive to embody gratitude, not just in words, but through the choices I make and the service I give.

## Twelve Tips on Keeping Your Holiday Season Sober and Joyous

Holiday parties without liquid spirits may still seem a dreary prospect to new A.A.s. But many of us have enjoyed the happiest holidays of our lives sober—an idea we would never have dreamed of, wanted, or believed possible when drinking. Here are some tips for having an all-round ball without a drop of alcohol.

**1** Line up extra A.A. activities for the holiday season. Arrange to take newcomers to meetings, answer the phones at a clubhouse or central office, speak, help with dishes, or visit the alcoholic ward at a hospital.

**2** Be host to A.A. friends, especially newcomers. If you don't have a place where you can throw a formal party, take one person to a diner and spring for the coffee.

**3** Keep your A.A. telephone list with you all the time. If a drinking urge or panic comes—postpone everything else until you've called an A.A.

**4** Find out about the special holiday parties, meetings, or other celebra-

tions given by groups in your area, and go. If you're timid, take someone newer than you are.

**5** Skip any drinking occasion you are nervous about. Remember how clever you were at excuses when drinking? Now put the talent to good use. No office party is as important as saving your life.

**6** If you have to go to a drinking party and can't take an A.A. with you, keep some candy handy.

**7** Don't think you have to stay late. Plan in advance an "important date" you have to keep.

**8** Worship in your own way.

**9** Don't sit around brooding. Catch up on those books, museums, walks, and letters.

**10** Don't start now getting worked up about all those holiday temptations. Remember—"one day at a time."

**11** Enjoy the true beauty of holiday love and joy. Maybe you cannot give material gifts—but this year, you can give love.

**12** "Having had a . . ." No need to spell out the Twelfth Step here, since you already know it.

## PRAYER OF ST. FRANCIS

Lord make me an instrument of your peace,  
Where there is hatred let me sow love.  
Where there is injury, pardon.  
Where there is doubt, faith.  
Where there is despair, hope.  
Where there is darkness, light.  
And where there is sadness, joy.

O divine master grant that I may  
not so much seek to be consoled as to console;  
to be understood as to understand;  
To be loved as to love  
For it is in giving that we receive-  
it is in pardoning that we are pardoned.  
And it's in dying that we are born to eternal life.

Amen

Dear A.A. Friends:

The response to the release of the *Plain Language Big Book* has been heartwarming. The initial print run of just over 70,000 copies sold out in only two weeks!

In preparation for a second printing, the General Service Board noted revisions that better align with the 74th General Service Conference's recommendation (Advisory Action) to move ahead with the printing of the book.

Prior to the first printing, the General Service Board made adjustments to align with the Conference's direction. However, the Board now realizes the adjustments that were made fell short. A regrettable and unintentional mistake had been made. We have worked together to correct those mistakes quickly.

The changes outlined below may be very consequential for some, and less significant for others, but the Board feels responsible to see that the Advisory Action from the Conference is carried out.

In addition to the changes to the text of the *Plain Language Big Book* outlined below, the language on the back flap will be amended to better reflect the progress of this project. The third sentence will now read, "The 72<sup>nd</sup> GSC reviewed a progress report, and sample chapters were reviewed at the 73<sup>rd</sup> GSC."

My sincere apologies for any inconvenience this may have caused any of our members, and I appreciate your patience and understanding. The order for the second printing has been placed to include the changes outlined below. We expect the book to be back in stock in approximately 4-6 weeks.

Thank you again for your understanding. I hope you find the *Plain Language Big Book* a useful tool for reading the Big Book, *Alcoholics Anonymous*, and helpful with carrying our life saving message.

Scott H.  
Chair, General Service Board
