NEW PHONE SERVICE

Tuesday, February 4th, 2025, we will be changing our phone service from AT&T to Verizon.

What this Means to You!

Our Business line-210-821-6325. You will not notice any changes.

Our 24hr Help Line (210-828-6235) will change procedures. Instead of our Volunteer changing the phone from one to another, the computer will do this for you.

IMPORTANT CHANGES

- A. If you cannot fill your shift for any reason, you must call Sarah or Jim so they can make the changes to the database.
- B. You will no longer receive a call informing you that the phone has been switched to your number.

We have made this change for two reasons:

1. AT&T is getting out of the landline business
2. We will save almost \$300 a month

Thanks for your patience and understanding. We appreciate your service and your willingness to help the alcoholic in need.

Filled with interviews with friends and family, this deeply researched biography follows A.A. co-founder Dr. Bob S. from his New England childhood to his days as a surgeon and father who couldn't stop drinking; to his transformative meeting with Bill W. and the birth of A.A. in Akron; and finally to his untimely death in 1950. The early history of Alcoholics Anonymous in the Midwest is chronicled along the way.
