Central Service Office of San Antonio

Dear Group Members:

RE: **Birthday Club**

We need your help getting this letter to your Group members, Live and Virtual.

We have a tradition that has occurred in San Antonio AA for many years.

The idea of contributing a dollar (\$1) a year for our A.A. Birthday. A celebration of our sobriety! Others may give a penny or a nickel a day for each day of their sobriety.

Members can fill out this form and submit their birthday contribution to CSO, call in with a credit card or go to our website. Birthday contributions may be given in honor of one's own Birthday or an AA Friend's birthday.

Contributions may be listed, with your permission, in one of the Central Service Office publications:

- ***The "What's Happening in San Antonio"*** a publication of events around town and in Groups. We have added a special section called **"The Birthday Club"** at the end of the publication.

These contributions have helped us keep AA Literature at the same price. Please call me if you have any questions regarding the **Birthday Club** program or anything involving the Office or Bookstore.

With a grateful heart,

Jim Burke
CSO Manager

Filled with interviews with friends and family, this deeply researched biography follows A.A. co-founder Dr. Bob S. from his New England childhood to his days as a surgeon and father who couldn't stop drinking; to his transformative meeting with Bill W. and the birth of A.A. in Akron; and finally to his untimely death in 1950. The early history of Alcoholics Anonymous in the Midwest is chronicled along the way.

INTERNATIONAL
CONVENTION!

Le langage du cœur

There is still time to register and attend A.A.'s 90th Anniversary Celebration!

Did you know our room blocks are constantly being updated? We encourage you to keep checking back to see what becomes available! If you cannot find something that fits your needs in our official block, check out our [housing resources flyer](#)!

What to expect?

Celebrate 75 years of our General Service Conference with our Archives Exhibit.

Convention tales:

My wife had never been on a cruise before, so we agreed to spend Christmas of 2018 on the high seas. We checked the agenda and found that Friends of Bill W met every morning at 8:00. About 10 of us had a meeting each day. I struck up a conversation with one of the guests and discovered that he lived in Barbados. At some point, I mentioned that the two of us were in Atlanta for the 2015 International. His eyes got big and he let us know that he was the guy who had the privilege of carrying the Barbados flag across the stage during the opening ceremony. It's a big ocean but a small world.
