GENERAL MEMBERSHIP MEETING
FEBRUARY 20, 1994

The meeting was called to order at 5:35 pm by Dee S., the chairman. She began with the Serenity Prayer, and asked Renee Z. to read the Traditions. Dee made two announcements before taking up the usual order of business. First, that Betty Z. was not present because she is recovering from a recent surgery, and that Russ B. had disqualified himself as a member of the board of trustees, by serving on the board of an agency providing treatment for alcoholism. Russ questioned this action. Dee read the pertinent portion of the bylaws.

Dee passed around the check-in sheet and requested those making corrections to use the form provided on the front table. She also mentioned the NIGHTCAPS and Conference Reports on the front table and asked if everyone was receiving the NIGHTCAP.

The new CORs were invited to introduce themselves. They are: Chuck of the Morning After, Tanya of Colonies North, Kurt of Marymont and Burt of the Ft. Sam Group.

Bonnie read the minutes of the previous meeting. It was MOVED the minutes be accepted as read. The motion PASSED.

Joe C. gave the financial report. He explained the loss of sales and the new account named accrued salaries. He compared 93 to 94. There were no comments.

Bonnie made the CSO report, and mentioned the Interdistrict Archives Committee.

Renee Z. reported on the progress of the WEEKEND IN SA. She said the fliers will be ready next week. She also brought preregistration forms and a list of the committee chairman. Renee introduced Bill T. the registration chairman, he encouraged everyone to take fliers to their groups and preregister. Renee introduced Virginia g., who is handling scholarships. Virginia described the new method being used and asked groups to let her know when they were having a fund raiser.

Erik C., the interdistrict liaison, said he attended the interdistrict meeting and introduced himself. He reported the interdistrict voted to pay half the rent for the General Membership/ Interdistrict meetings.

Raymond F. called for Saturday volunteers to work at CSO. He also handed out the folders for after hours phone duty.

OLD BUSINESS: none on agenda

NEW BUSINESS: Erik announced that the board thought there needs to be more awareness of the CSO location and services available. Discussion followed.

The basket was passed and the meeting was adjourned at 6:20 pm with the Lords Prayer.

Recognizing that we want to get A.A. literature into the hands of groups and people who want it, we also need to get a better understanding of where and to whom it is being distributed. It will help us to be more aware of what the needs are of our community.

Therefore, we are asking that you channel your literature needs through Jim B., chairman of the Public Information Committee. It will only take a short phone call or you can visit with Jim at length.

If you have free time during normal working hours and would like to help "pass it on," give serious consideration to working with this intrepid group of volunteers, known as the Public Information Committee..

They hold regular monthly meetings on the last Wednesday of every month at

Club 12 at 7 p.m. If you have any questions, call Jim B. at 545-1012 or 824-9421 ext. 7387.

**IF YOUR NAME
 ISN'T HERE,
 DON'T CALL US.
 YELL AT YOUR
 SECRETARY**

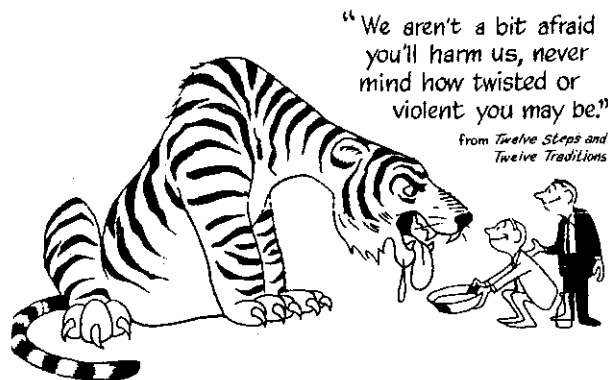

The only requirement for A.A. membership is a desire to stop drinking.

Isn't every operation entitled to have rules for membership? Why did A.A. decide to forgo this privilege, to be "inclusive...never exclusive"? That's easy. Early members tried it the other way, and it just didn't work. As the Fellowship was nearing its ten-year mark, the office that served as headquarters "asked the groups to list their membership rules and send them in," Bill W. recalled. "If all of these edicts had been in force everywhere at once, it would have been practically impossible for any alcoholic to have ever joined A.A. About nine-tenths of our oldest and best members could never have got by!" So the rule books went out the window and were replaced by one uncomplicated sentence: Tradition Three.

But, somebody may ask, isn't this Tradition itself a rule? It does state ONE requirement for membership. Let's read it again and ask another question: Who determines whether or not newcomers qualify, whether they do want to stop drinking? Obviously, nobody except the newcomers themselves; everybody else simply has to take their word for it. In fact, they don't even have to say it aloud. And that's fortunate for many of us who arrived at A.A. with only a halfhearted desire to stay sober. We are alive because the A.A. road stayed open to us.

The problem faced by this Tradition isn't just past A.A. history. It keeps coming up - for instance, when a group debates whether to exclude alcoholics who are also hooked on other drugs. The Tradition mentions no such negative requirements, no demand that the prospective member must not be a "pill" addict, a homosexual, an ex-convict, a person with a record of mental illness. All alcoholics are welcome.

What about the group that seems to impose extra positive requirements beyond "a desire to stop drinking?" This might be a "special interest" group or collection of groups in which, for example, each member must be a physician - or a young person, a man, a woman, a priest or a law-enforcement officer. By their own account, those who belong to International Doctors in A.A. or Young People in A. A. consider themselves A.A. members first, and they attend general-membership meetings as well as those that fill

their other individual needs, while remaining devoted to A.A.'s primary purpose.

These "special groups" groups offer one instance of the wide variety within the Fellowship. Our Traditions allow unparalleled freedom, not only to every A.A. member but to every A.A. group.

A.A. World Services, Inc.

Without the Traditions, could this be you?

Letter to a member sent in 1945. This is not a joke.

Dear Charlie:

In view of your recent conduct, the Executive Committee felt it incumbent upon itself to give your case serious consideration and came to the conclusion that as you are not apparently adhering to the 12 Steps of Alcoholics Anonymous, you cannot very well be considered a member of the Vancouver Chapter and it is, therefore, my painful duty to advise that your name has now been stricken from the roster. Needless to say, I find this extremely difficult and it is only with sincere regrets that I advise you of such facts.

You are, however, at liberty at any time to make a further written application for membership to the Group, provided of course, that you can in all sincerity, accept and adhere to the 12 Steps or principles of Alcoholics Anonymous and if such a time should arrive when you can come to this decision and *wish to submit application* you may be assured that it will receive our deepest consideration.

Sincerely,
Secretary-Treasurer, Vancouver, A.A.
