PLANS FOR REGIONAL UNDER WAY

At the Plaza Hotel on Saturday, July 21st there was held a meeting of delegates from A. A. groups in the Southwest Texas Regional Conference area. Representatives from Austin, Corpus, the Rio Grande Valley and all local groups of A. A. were present.

The purpose of the meeting was to formulate the basic framework of the program for the forthcoming regional to be held in San Antonio on October 12, 13 and 14th.

Dr. Joe M. and Paul B. were appointed Chairman and Co-Chairman, respectively, of the Conference General Committee. Under their guidance will be the matters of finance, housing, entertainment, etc.

Alberta T. and Zuleme B. were appointed Chairman and Co-Chairman, respectively, of the A. A. activities of the Conference. They indicated that they plan a complete program not only of entertainment but of meetings for the discussion of the problems of the A. A. A. wife, as to how they may meet and help to cope with the problems which beset the A. A. husband, who is trying to recover from his illness.

The general tone of the preliminary meeting was optimistic and cooperative. The fine spirit and helpfulness of the visiting group members is appreciated and gratefully accepted.

Every San Antonio A. A. should

realize that this is his conference and respond quickly and cheerfully when called on to help. There is more to having a good conference than accepting the plaudits after it is over. It means rolling up our sleeves and digging in now.

Together, let's make this the most successful conference in Southwest Texas history!

OLMOS PARK GROUP MEETING

At the regular meeting of the Olmos Park Group on Thursday, August 2nd, Dr. Joe celebrated his birthday by having one of his famous barbecues. The food was marvelous and the fellowship even better. We couldn't help thinking we were glad it was drinking we couldn't do and not eating!

True humility is not an abject, groveling, self-despising spirit; it is but a right estimate of ourselves as God sees us.

-Tryon Edwards

A wonderful meeting followed, chaired by Jim S. Talks were made by Ed H., Claude R., Fred H. and Nedra L.

Dr. Joe will probably never forgive us for this comment, inclined as he is to minimize the things he does for us, but we are all grateful for his wonderfully generous spirit, which is manifested in so many different ways to San Antonio A. A.

No thoroughly occupied man was ever yet very miserable.
