GENERAL MEMBERSHIP MEETING MINUTES

December 20, 1992

This is the first meeting of the general membership since it was voted to split the agenda from the general service structure. Forty-seven persons were present.

Jan T., Chairman, opened the meeting at 5:30 p.m. with a call to order and the Serenity Prayer. Dee S. read the Twelve Traditions. Jan invited the new Central Office Representatives to introduce themselves. They are: Randy B., Marymont Group; Dave, SW Loop Group; Ed M., Colonies North Group; Cookie, Turtle Creek Group; Cindy, Women Together in Sobriety Group; Mary, Downtown Group; Nina, Group 12; Raul, Blue Door Group; Kelly, Foxey Ladies Group. OLD BUSINESS: Call for discussion and vote on whether anyone serving on the CSO Board of Trustees should serve (at the same time) as DCM, GSR, etc. Vote was taken twice; however, a two-thirds majority could not be reached as required.

A vote was taken to decide whether to establish an Archives and Grapevine committee. Neither one survived--both defeated.

NEW BUSINESS: John P. talked about the letter to groups concerning suggestions for literature. The letter was available on the front table and will appear in the NIGHTCAP.

The various committees are on the District Agenda and will report at that meeting at 6:30 p.m.

The General Membership voted to let the districts pay one-half of the \$35 monthly rent to St. Patrick's Church.

This was the last meeting of Jan's term. She handed over the gavel to Knut H., incoming chairman. Knut thanked Jan and the out-going trustees. The meeting was adjourned with the Lord's Prayer at 6:28 p.m. The next meeting will be held on January 17 at 5:30 p.m.

Respectfully submitted, Bonnie R., Sec.

CORRECTIONAL FACILITIES COMMITTEE

The Correctional Facilities Committee would like to thank the Devine Group and the Stahl Road Group for their generous contributions. This money will be used to purchase literature to carry the message to inmates of the criminal justice system. There but for the grace of God...

Syd M., Secretary
Correctional Facilities Committee

The Second Tradition

For our group purpose there is but one ultimate authority . . . a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants . . . they do not govern.

"Now that I've been elected Secretary, I'll show this group some real leadership!"

"There's only one way to do it and I'll tell you what it is..."

"...furthermore, we'll take our money and establish a fund... I'll manage it..."

"Thank you. Now shall we talk about working the program?"

REPRINTED WITH PERMISSION OF A. A. WORLD SERVICES, INC.

A.A. is both a democracy and, in Bill W.'s words, "a benign anarchy." A group elects its own officers—who have no power to *order* anybody to do anything. In most groups, most of the slate rotates out of office at the end of six months, and new officers are elected.

If a group wants to be a part of the whole A.A. service structure, it elects a G.S.R. (general service representative, with a two-year term). G.S.R.'s elect area committee members and then join them in electing a delegate from their area to the annual General Service Conference. The Conference is about the closest approximation of a government that A.A. has; it produces opinions on important matters of policy; it approves the choice of some trustee nominees for the General Service Board and directly elects others. But neither the Conference nor the board can give

orders to any A.A. group or member.

Then who's in charge around here? A.A. is a spiritual movement, and so the "ultimate authority" is the spiritual concept of the "group conscience." Its voice is heard when a well-informed group gathers to arrive at a decision. The result rests on more than arithmetic, a "yes" and "no" count. Minority ideas get thoughtful attention. What about that annoying character who's always sure she's right? Better listen—maybe, just this once, she *is* right. If she's wrong, then she will—if she remembers the First Tradition as well as the Second—go along with the decision of the group conscience. Does this notion seem too cloudy? Let's think back to our first meetings. The presence we newcomers felt in those rooms was the same as the group conscience. And it was *real*—welcoming us in, setting up no barriers of rules. . . .

INTERDISTRICT ORGANIZES

The organizational meeting of the San Antonio Interdistrict Organization was held at St. Patrick's Church on Sunday, December 20, 1992, following the Central Service Office general membership meeting. Erik C., DCM for District 19, chaired. Five DCM's and 32 GSR's discussed how the service structure for the city should be organized to support AA World Services efforts in the San Antonio Metropolitan Service Area.

After some discussion, it was agreed that:
1. The Interdistrict meeting will continue to follow the CSO meeting on the third Sunday of each month at St. Patrick's Church;
2. The organization would request a report from CSO during each monthly interdistrict meeting;
3. DCM's should meet together prior to the next monthly meeting and develop proposals for the interdistrict organization, particularly to determine how meetings will be chaired; how agenda will be developed; how minutes will be kept; how the treasury will be managed and, how the Interdistrict Organization will relate to service committees. The DCM's agreed to meet on Sunday, December 27, 1992, at 7 p.m. to carry out these tasks.

LETTER FROM AA GENERAL SERVICE OFFICE

"Recently, it has been brought to our attention that a New York business corporation, known as '**InterGroup World Services, Inc.**,' has published an abridged version of the book, **Alcoholics Anonymous**.

"Notwithstanding that the cover material and color of the book are very similar to our soft cover edition, it is **not** an AA publication. There is no connection between the publisher of the book and this office, nor, insofar as we know, any central office/intergroup."

Sincerely,

George Dorsey, General Manager
General Service Office

AA AA AA AA AA AA AA AA AA AA AA AA AA AA AA AA

Our individual sobriety depends on the group.
The group depends on us. We soon learn
that unless we curb our individual
desires and ambitions, we can
damage the group...

The First Tradition

*Our common welfare should
come first; personal recovery
depends upon A.A. unity.*

Our brother the noisy drunk affords the simplest illustration of this Tradition. If he insists on disrupting the meeting, we “invite” him to leave, and we bring him back when he’s in better shape to hear the message. We are putting the “common welfare” first. But it is *his* welfare, too; if he’s ever going to get sober, the group must go on functioning, ready for him.

Yet he is only one rare aspect of the problem. When we do get sober in A.A., we shed a few small bits of the Big Ego: We admit, “I can’t handle alcohol, and I can’t stay away from it on my own.” Fine so far! Then we find there is plenty of that Ego still with us. It may lead us to take other members’ inventories and to gossip about their supposed shortcomings. It may lure us into hogging the floor at every discussion meeting.

Oh well, it’s a selfish program, isn’t it? After all the miseries of active alcoholism, why shouldn’t we indulge ourselves a little? We all know one good reason why we shouldn’t: Self-indulgence of this kind is an immediate personal danger; it threatens the individual’s own sobriety. More than that, it threatens the very basis of our sobriety—the unity of the A.A. group. For a self-righteous gossip *can* damage the mutual trust that is vital to every group. And a compulsive talker *can* ruin the effectiveness of a discussion meeting—“I’ve stopped going to that group. Nobody but Joe can get a word in edgewise.”

When A.A. was very young, the first members clearly saw the preservation of its unity as a life-or-death matter for themselves and for the alcoholics still unrecovered. The First Tradition states this aim, and it is the common aim of all Twelve Traditions. When A.A. reached the age of 35, the aim was restated in the theme of the 1970 International Convention:

This we owe to A.A.’s future:

To place our common welfare first;
To keep our Fellowship united.
For on A.A. unity depend our lives,
And the lives of those to come.

Each of the other eleven Traditions explains one specific way to protect the unity of the Fellowship and the A.A. group. Those early members quickly recognized power-drivers as potential group-wreckers. And they’re still around—the members who are always sure that they’re always right—the members who are happily ready to assume all the burdens of leadership and grimly unwilling to share them, let alone give them up. But a group does need officers. How can we cope with this dilemma? Tradition Two provides the answer. . . .
