GENERAL MEMBERSHIP MEETING MINUTES

May 17, 1992

The meeting opened at 6:30 p.m. with the Serenity Prayer. The Chairman, Jan T., asked Jim D. to read the Twelve Traditions. There were 65 persons present, including Joe T., new GSR for Rush Hour Group, and Mike announced that he was representing the new Attitudes Meeting. The minutes of the previous meeting were not read, but accepted as printed in the NIGHTCAP.

The Financial Statement was presented by Gerry G. with no questions asked. Volunteers for After-Hour phone duty were requested and obtained, as shown below.

Committee reports: Hospitals & Institutions, Charlie R. requested volunteers for carrying the message to various H&I's (see list below) and announced signing up for Bridge the Gap at CSO. Public Information, Don N. announced the AARP and Correctional Institutions Conventions coming up and asked for volunteers. He read a thank you letter from UTSA and had a request for speakers from UTSA School of Nursing and a Baptist Church. Jail, Jim D. reported on the CFC/Jail Workshop; asked for volunteers and encouraged members to apply for clearance unless they have outstanding warrants. Convention, Jim W. reported on the State Convention stating that the a "Fun Day" will be held at the Goliad Group to raise funds for scholarships. Also said more pre-registrations are needed and more volunteers for all committees are needed.

Old Business: None.

New Business: 1. A new meeting place needs to be found since Colonial Hills is closing. GSR's will be contacted.

2. It was decided that CSO would take orders for literature and it would be brought to the General Membership Meetings.

3. Richard G. reported that two more committees are needed: Archives and Grapevine. DCM's may contact the Board of Trustees regarding this.

4. Letters to all DCM's were mailed out by Gerry G. regarding DCM's operating under CSO; had only two replies, so this proposal died.

5. Charlie R. announced a workshop at Goliad and all invited.

Interdistrict Report: Mike S., DCM, District 1-A, announced a meeting will be held immediately following this meeting.

CSO Report: Bonnie R. reported 1542 copies of the May issue of THE NIGHTCAP were mailed with 16 returned; April phone calls totaled 910; GMM reminders were mailed early so members could make plans to hear the delegate's report at 4 p.m. An anonymous donor gave and installed a shelf and new faucets in the coffee room at CSO.

Announcements: CSO will be closed Monday May 25 for Memorial Day. Renee, Chairman of the Host Committee, requested volunteers for the State Convention. Robert announced the TSCYPAA to be held here in August--had pre-registration fliers. Mike S. announced the Winners Club is having a fund-raiser with a garage & bake sale the last weekend in June. Rudy F. is the new alternate DCM for District 1-F.

There being no further business, the meeting adjourned with The Lord's Prayer.

Respectfully submitted, Pilo G., Secretary

CSO PHONE VOLUNTEERS

Your CSO always needs office phone volunteers. Shifts are from 9 a.m. to 1 p.m. and 1 to 5 p.m. Qualifications are: 1 year continuous sobriety in AA, no affiliation with a treatment center, and not a trustee on the CSO Board. With summer approaching, we will need people who can be on call to fill in for the regulars while they are on vacation. An on-call list will enable us to better serve AA. Our "hotline" is a vital link to the still suffering alcoholic and we want the hand of AA to be there. If you are interested and have the qualifications, please come by and talk to us!

Thanks!

We found that there are all kinds of goals, motives and ambitions...

...and the good name of A.A. could be smeared!

Reprinted with permission of AAWS.

The Sixth Tradition

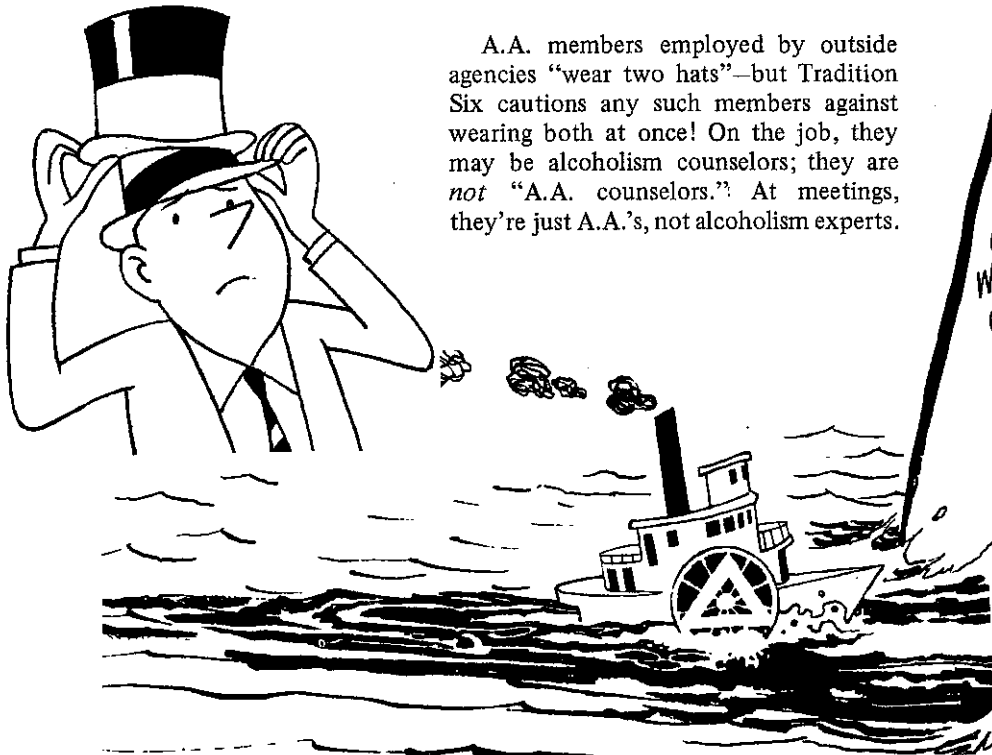

An A.A. group ought never endorse, finance or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.

The "related facility" may be an outside group combating alcoholism—or an enterprise that A.A.'s want to start. It was the latter that most often confronted the young Fellowship. Outside agencies were pretty scarce in those days, and some members thought A.A. should cover the whole alcoholism field. Led by a "super-promoter" (as the "Twelve and Twelve" describes him), one group built an all-purpose center, including a section for drying-out treatment. Picture any group tackling such a project! Arguments over cost, architecture, staff, fees, medication, and rules might even make the local paper. (And pity the poor newcomer straying into the group—"We'll get around to you in a minute.")

Though that ambitious center failed, some individual members have since founded successful clubhouses, rest farms, halfway houses, etc. The enterprises are run by these A.A.'s and patronized by other members or prospective members. But money and property *are* involved. Therefore, it has proved wise to keep the operation of the facility completely separate from that of any A.A. group, and to keep "A.A." or terms like "Twelfth Step" out of the name.

Toward outside agencies dealing with alcoholism, the A.A. policy is "cooperation but not affiliation." A group cooperates, for example, by welcoming referrals from clinics or by sponsoring A.A. groups in institutions. But in one area, money for a rehab was solicited *at an A.A. meeting*—implying affiliation. In another, A.A. was listed among beneficiaries of a United Fund drive. . . .

A.A. members employed by outside agencies "wear two hats"—but Tradition Six cautions any such members against wearing both at once! On the job, they may be alcoholism counselors; they are *not* "A.A. counselors." At meetings, they're just A.A.'s, not alcoholism experts.

There are two major danger areas. But our course has been charted and the hazards clearly marked. If we steer clear of them, we should have smooth sailing...
