One comic told me:
"I do a great magic
trick. I walk down
a street and turn
into a saloon." He
also claims: "My
favorite drink is
the next one." He
then goes on to say:
"There's one basic
difference between
a drunk and an al-
coholic--the drunk
doesn't have to go
to meetings." This
guy drinks to pass
the time--last night
he passed 1995.
