Who Am I?

You are asking yourself, as all of us must: "Who am I?, Where am I? Whence do I go?" The process of enlightenment is usually slow. But, in the end, our seeking always brings a finding. These great mysteries are, after all, enshrined in complete simplicity. The willingness to grow is the essence of all spiritual development."

Bill Wilson, letter, 1955

*BELATED MAY BIRTHDAYS.

AN A.A. GROUP OUGHT NEVER ENDORSE, FINANCE OR LEND THE A.A. NAME TO ANY RELATED FACILITY OR OUTSIDE ENTERPRISE, LEST PROBLEMS OF MONEY, PROPERTY AND PRESTIGE DIVERT US FROM OUR PRIMARY PURPOSE.

A.A. members employed by outside agencies "wear two hats"—but Tradition Six cautions any such members against wearing both at once! On the job, they may be alcoholism counselors; they are not "A.A. counselors." At meetings, they're just A.A.'s, not alcoholism experts.

There are two major danger areas. But our course has been charted and the hazards clearly marked. If we steer clear of them, we should have smooth sailing...

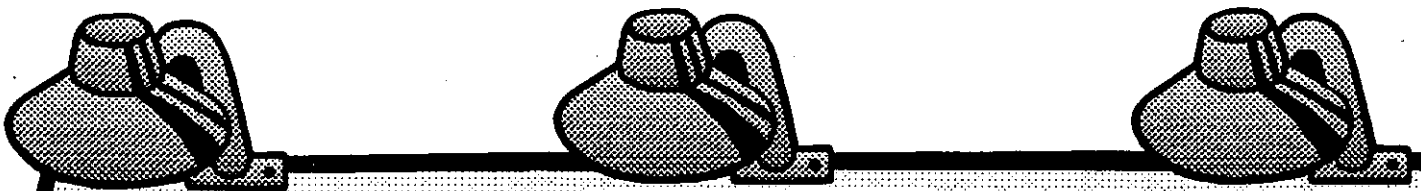

The "related facility" may be an outside group combating alcoholism -- or an enterprise that A.A. wants to start. It was the latter that most often confronted the young Fellowship. Outside agencies were pretty scarce in those days, and some members thought A.A. should cover the whole alcoholism field. Led by a "superpromoter" (as the "Twelve and Twelve" describes him), one group built an all-purpose center, including a section for drying-out treatment. Picture any group tackling such a project! Arguments over cost, architecture, staff, fees, medication, and rules might even make the local paper. (And pity the poor newcomer straying into the group -- "We'll get around to you in a minute.")

Though that ambitious center failed, some individual members have since founded

successful clubhouses, rest farms, halfway houses, etc. The enterprises are run by these A.A.'s and patronized by other members or prospective members. But money and property are involved. Therefore, it has proved wise to keep the operation of the facility completely separate from that of any A.A. group, and to keep "A.A." or terms like "Twelfth Step" out of the name.

Toward outside agencies dealing with alcoholism, the A.A. policy is "cooperation but not affiliation." A group cooperates, for example, by welcoming referrals from clinics or by sponsoring A.A. groups in institutions. But in one area, money for a rehab was solicited at an A.A. meeting -- implying affiliation. In another, A.A. was listed among beneficiaries of a United Fund drive...

CSO THANKS YOU!

Happy Birthday, Grapevine

On June 25, 1994, at Antonian High School on West Avenue, we will be celebrating not only what we perceived as customary the sharing with each other, but a vital tool for 12-Step Work within the limits of our world spectrum.

Many A.A. members have been touched by our "Meeting in Print" as we have established a journal which has recorded many changes in the fellowship. Such as the face to face meetings of A.A. to the computer age of the 90s. It has taken a look at the Oldtimers to the Young People in A.A. My personal favorite is meetings, as they are designed for special interest groups from the professional to nude meetings held in a nudist vacation camp. As I read the Spanish article in my Grapevine, I can't help but realize that our fellowship is both diverse in deeds as well as in language. What a large picture window I have in this small monthly journal.

Our thanks go to the Grapevine founders and to those who currently work in the corporate office. We also remember those who have given of their time, money and energy just to keep passing it on for the last 50 years. Please join our celebration by coming to the Grapevine Jamboree. Inform your GVR or GSR that you would like to volunteer to help or to give food donations. Tickets have been distributed to the groups for a raffle. Please come and join us.

The following are things your group can do in June to recognize the Grapevine:

1. Have Grapevine meetings or marathons.
 2. Have color day (purple). June 25 is a good day.
 3. Recognize June as Grapevine month.
 4. Have Grapevine drives. (12 Step work with other committees)
 5. Get a GVR to represent you.
 6. Hold other celebrations for group awareness.
- Please call Yolanda F. if any of suggestions were placed into action. 927-3082 or 675-4560.

THANK YOU

The CFC committee would like to thank these groups for their green can contributions:
