## Note from the Board of Trustees.....

The Central Service Office Board of Trustees wish to thank Bonnie, Al, Leslie and Jerry for their years of hard work and dedication in making our CSO run as smoothly as possible. Your efforts have far exceeded our appreciation. We wish you all the best in your new adventures and please know you will all be a part of our fondest memories and in our continual thoughts and prayers.

In Service, CSO Board of Trustees

## Thanks, =JERRY=S=!!

Jerry has been the Nightcap Mailing Chairman, so long, (he replaced Alley Oop) and has done a great job. Jerry has stapled, folded, labeled and sorted the mailings of the Nightcap month after month. Sometimes with help and sometimes without; he always gets it done. During the time Jerry has handled this the Post Office has never rejected a mailing. That's quite an impressive record. Jerry is a former DCM and past Board Member and volunteers for phone duty. He has served CSO in many capacities. Jerry is now looking toward another phase of service work. Thank you, Jerry, for all you have given to AA in San Antonio!

We will be leaving CSO on June 2, 2000; and we want to thank the AA members of San Antonio for the experience we have enjoyed serving at CSO. There have been many wonderful encounters (and some "not-so-wonderful") that must be unique to a Central Office. We have been very fortunate to have served here.

During the nine years I have been employed here I have worked with unselfish and devoted volunteers. Also the volunteers that put on AA in SA. They are a special bunch and I thank you all for what you have given to CSO and everything I have learned from you.

The decision to leave CSO was not easily made. It is time for me to do something different; which I look forward to with a little fear and a lot of excitement. Al wants to retire. (I don't know why?) Leslie has been given another job very near her home.

Thank you for the special opportunity you have given us. We are grateful for the CSO experience.

## ATTENTION VOLUNTEERS! Where to send'em?

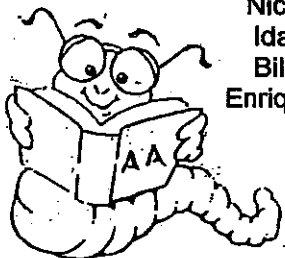

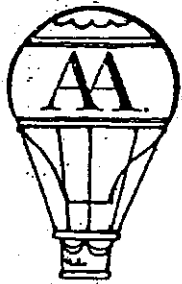

This was a group's recent experience and they want to pass it along.....Once upon a time...not so long ago....a couple of non-alcoholics arrived at their closed meeting. The group, wanting to be friendly, was on the spot. They talked to the visitors prior to the meeting and explained the meeting was for alcoholics only. The visitors reported they had called the hot line and this time and address had been given to them. Moral of the story? Please get enough info from the caller, to make a good suggestion as to they might best be served.

Why, some members have asked, do AAs have to pay a fee to attend an AA conference, convention or other special event? As one Californian wrote to the General Service Office, "Some of us have difficulty when it comes to having the AA name attached to any gathering that requires payment to participate. What's more, some of the prices at many of these functions are not cheap." And, he adds, what about the payment of travel expenses and lodgings for certain "select" speakers?

It's true that AA membership is free, and meetings and most AA events are self supporting in the spirit of the Seventh Tradition. But conferences and conventions are AA get-togethers beyond the group-meeting level, generally ranging from special one- or two-hour meetings to banquets and weekend events-area, statewide, regional and international. These events require months of planning, preparation and money presented up-front to the hotel and other commercial facilities involved. Arrangements may also be made for AAs with special needs; providing wheelchair accessibility, sign-language interpreters for the deaf and, in some instances, programs in Braille for the blind. Additional expenses include the printing of flyers, schedules, postage and supplies, not to mention renting meeting space, insurance coverage, travel and accommodations for the invited speakers, many of whom live a thousand miles or more from the convention site. As the AA Guidelines on Conferences and Conventions, available from GSO, state, "It should be made clear, when the speakers are booked, what terms are being made for expenses. Unless it's otherwise specified, speakers have a right to assume that all their travel, meal and hotel expenses will be paid. Speakers will also expect hotel or motel accommodations as a matter of course; if there are to be guests in private homes, this should be explained well before their arrival.

How are the costs of a convention covered, and what can be done to ensure that the venture won't go deep in the red? According to the aforementioned Guidelines, "there is no substitute for common sense here; the committee must take a business like approach to finances and keep expenditures somewhere within a

conservative estimate of anticipated revenues."

Among the sound methods that seem to be in general use: (1) underwriting of the event by area groups. Since the registration fees can be established at a level sufficient to cover the total costs, this should result in no actual out of pocket costs to the groups; and (2) building a convention fund to which the area groups contribute year round. This method obviates the need to charge a registration fee except for visitors from out of state.

The criterion for using the AA name generally specifies that the event be put on by AAs for AAs about AAs. Although a golf tournament or a dance are beyond the purview of AAs primary purpose, such events are often scheduled as social adjuncts to the main meetings and workshops scheduled.

When Al-Anon participates in an AA convention, the relationship and financial arrangements usually follow one of two patterns; When an AA convention committee invites Al-Anon to participate with its own program, AA may pay all expenses (for meeting rooms, coffee, etc.) and keep all income from registrations and such in a single fund earmarked to cover the convention bills, after which any excess income reverts back to AA. Alternatively, Al-Anon may have a separate registration and cover its own expenses directly, besides assuming its share of common expenses. In this case, Al-Anon receives its own share of the registration income and also shares in any losses incurred. *Reprinted from the Apr-May 1999 Issue of the Box 459*

Rocky also mentioned that the reason the donations amount is so low is because he has checks from groups that he has not yet deposited. The Bexar County Jail is opening their doors a bit more for the carrying of meetings. The Bexar County Jail is a separate entity from the State Prisons, and as such, requires a separate clearance procedure - 1 year of sobriety is required and anyone "on paper" cannot attend Bexar County Jail meetings. #### Old Business -

**(AGENDA ITEM: Funding of Standing Committee Chairs to SW Regional AA Service Assembly.)** Glenn provided information on the SWRAASA to be held in Oklahoma City the weekend of Oct. 6<sup>th</sup> and stated that the issue was not to fully fund the Committee Chairs, but only to partially fund them at \$150.00 each – for a maximum of \$750.00 total outlay. After discussion, Mike S. made a motion to take the issue back to the Groups and Jack seconded. A vote was taken and approved with 1 opposed – Ken. When asked for the minority opinion, Ken stated that he felt that he had enough information to represent his Group and to vote on the issue. It was then asked if anyone who voted for the motion would like to change their vote and Melba stated that she would. The motion was re-voted and the majority voted to **not** take the issue back to the Groups. Glenn C. then provided clarification on the voting procedures as outlined in the Concepts. Bill T. then made a motion to authorized partial funding of \$150.00 for each of the 5 Standing Committee Chairs to attend the SWRAASA and Melba seconded. A vote was taken and approved with 3 opposed – the motion carried.
