MINUTES OF THE COR MEETING  
February 16, 1998

Cleo T. called the meeting to order with a moment of silence followed by the **Serenity Prayer**. The **12 Traditions** and **COR guidelines** were read.

Two new **CORs** were welcomed. Cleo stress the importance of each attending COR signing the sign-in sheet. A comment was made from the floor concerning the sign-in sheet not being updated by CSO from one COR meeting to the next.

**Minutes of the previous COR meeting** were accepted as printed in the Nightcap.

The **financial report** was passed around the CORs as the meeting continued. Cleo asked for comments, none were made. Burt K. questioned why the November 1997 CSO Financial report was printed in the current Nightcap.

Madonna, **AA in SA chairman**, gave a report on the status of AA in SA, to be held March 6-8.

Kim C. gave the **Hot Line Phone Service** report , asking for volunteers. Kim provided new Spanish version instructions. Kim called for volunteers for a 12 Step call down list. A sheet was passed for sign up. There will be a Hot Line Phone Service workshop during AA in SA. David W. is the chairperson.

Liddy, CFC chairperson, gave a report on the **current activities of CFC** and invited anyone interested in doing service work through CFC to contact her.

**OLD BUSINESS:** At the January COR meeting, a suggestion was made to look into a return envelope of some kind for return of Nightcap subscriptions. As it turns out, CSO already has return envelopes.

**NEW BUSINESS:** Charles T. of Stahl Rd. group brought to the CORs attention some concerns about volunteers with long term sobriety being unable to volunteer at CSO because of the **smoke environment**. After a brief discussion on possible solutions including a smoke free environment, a motion was made by Ron G. to table the discussion and take the issue back to the groups for input and a vote taken at the March COR meeting on a solution. Charles T. seconded the motion. The motion was voted on passed.

The meeting was adjourned with the Lord's Prayer.

**NIGHTCAP SUBSCRIPTIONS REDUCED!!!**  
**THE NIGHTCAP, our monthly newsletter, has been reduced to \$3.00 per year.** Have one mailed to your home every month. Give a gift to a sponsor, newcomer or any friend. Great for AA birthdays. Always know what's happening in AA. Call your birthday in to CSO, 821-6235 so it will appear in the newsletter. (subscription blank on the back page) **If you already paid \$9.00 in January, your sub will be extended. Thanks!**

**THANKS to all the volunteers** that give unselfishly of their time to answer the phones, help make the coffee, move boxes, staple papers, stuff envelopes, help with the NIGHTCAP, and even carry out the trash. A big thank you to each one.....and a special thanks to....

**GENE L., long time volunteer at CSO.** Long time means about 20 years. Gene has seen a lot of changes come and go during the years he spent at CSO. During the past few years Gene's sight has been failing and he memorized much of the meeting directory to be able to help those seeking meeting info. Gene was always ready with encouragement (or a dumb joke) for the alcoholic that needed it. He recently resigned and the staff and many others will be missing him.

**A GREAT BIG THANK YOU TO GENE!!!**

**GOLIAD**

Goliad birthdays are on Monday and Thursday only. Goliad dinner is 3rd Sunday at 6:00 PM  
**S.W. Loop Group**

Dotti died after a long illness. She is survived by Ed P. and her children. Our sympathy to all.

**Lois E.**

Lois passed away with 22 years of sobriety. She was a member of the Free at Last Group, and attended meetings at other groups in SW San Antonio. Lois did after hours phone duty and was as active as her health would permit. She will be missed by her many friends in and out of AA. Our sympathy to all.

## The Birthday Plan

Many AA members across the country are currently sharing their Anniversary Celebrations with others by giving a Dollar or Two for each Year of their Sobriety to the Intergroup Office.

This insures that the same help they received will be available to others.

Start this year and make it an annual event. Individuals may give up to \$1,000 to A.A. in any one calendar year. It's not how much you give that's important. It's thinking of others on your Special Day, that makes it Special.

This is a wonderful way to express your Gratitude by helping others.

# 'Hello and Welcome' Are Magic Words

Just as our "being there" at meetings is important to the vitality of the group, so can being there beforehand with a warm hello induce the sick alcoholic to take that giant step inside—like a miracle wanting to happen. One Manhattan A.A. tells the story of a chronic slipper who was walking past the door of a meeting he had sometimes attended. Wavering, he made a bet with himself: "If that old guy is still sitting by the door in the same seat, I'll go in; if he's not, I'll leave." The greeter was at his old stand; the slipper stepped inside, sobered up and now does some greeting of his own.

Providing a point-counterpoint, Jim, of Irvine, California, shares his experience as a greeter. "I was sitting in my usual seat in the front row at the speaker meeting," he writes in the October issue of *Lifeline*, the newsletter of the Orange County Intergroup Association, "because my sponsor had told me there was no good A.A. past the first three rows. A man who looked vaguely familiar approached the podium, said his name was John and proceeded to tell how it was and what happened. My ears pricked up—I always like hearing people talk about going from being drunk to sober—and suddenly he was pointing at me and saying that I was the guy responsible for his being there sober."

As the speaker continued, understanding dawned. "I was a greeter at my home group," Jim explains. "My sponsor knew I'd been a lonely, isolated drunk and was struggling to get out of myself in sobriety, so he 'suggested' I take the position. (He always said that when the words left his mouth they were suggestions, but when they hit my ears they were orders.) My job was to welcome people as they entered the room, tell them where the coffee was and help to answer their questions. Which is what I was doing the night John came to the door. I had seen him many times during the past months, and he usually reeked of booze. He just couldn't seem to get sober although he came to meetings anyway. I welcomed him back again, saying something like, 'It's good to see you here.'"

As John related his story from the podium, Jim remembers, "he said that was the first time he really heard someone say he was welcome at A.A. drunk or sober. And he said it was the turning point for him. He corked the bottle and has kept it corked. We barely glimpsed each other again until the night I heard him speak, but his story made me realize two important things:

"1. You never know when something you say will be the key to someone else's recovery. I try to be the best example of A.A. I can be because I may be the only edition of the Big Book someone may have on hand.

"2. When someone is not ready to get sober, there's usually nothing right you can say to force it to happen. Conversely, when a person is finally ready, there's nothing you can say that's wrong (well, almost nothing). John might have sobered up even if I hadn't been at that meeting—but I'm glad I was there as the greeter. It was a small way for me to give back some of what had been given to me."

AA

#### HOW DO I GET A HOME GROUP?

I've heard this asked many times from new comers and I had the same question when I was new to AA. I wanted to "belong" and didn't know how.

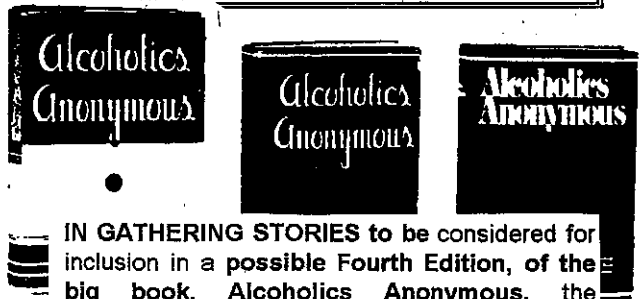

Well, it's very easy to do. Find the group that you want to be a member of and ask when the next business meeting is. Go to that Business meeting and request to be a member. That's all there is to it! You will find that the group will probably have some kind of service work you can do, too.

Service work is an important part of our recovery. If we can do something to be of service to others (even if it's just emptying ashtrays or straightening chairs after a meeting), it serves us as well. When we do service work, we are getting out of ourselves and into the world, soberly....by Peg Y, National Hills Group, Washington DC *REPRINTED FROM THE TURTLE SEPT 1997*

The Nightcap is about, by, and for members of the A.A. fellowship. Opinions herein expressed are not to be attributed to Alcoholics Anonymous as a whole, nor does publication of any article imply endorsement by either A.A. or the Nightcap.  
(Exceptions: Quotations from A.A. books, pamphlets and the 12 Steps and/or 12 Traditions are reprinted with the permission of A.A. World Services, Inc.; the A.A. Preamble, slogans, etc. are reprinted with the permission of The Grapevine, Inc.)

#### GSR PREAMBLE

We are the district committee members. We are the link in the chain of communication for our groups with the General Service Conference and the world of AA. We realize the ultimate authority in AA is a loving God as expressed in our group conscience. In passing along this group conscience, we are helping to maintain the unity and strength so vital to our fellowship. Let us therefore, have the patience and tolerance to listen while others share, the courage to speak up when we have something to share, and the wisdom to do what is right for our groups and AA as a whole...from GRASSROOTS FORUM FEB 98

IN GATHERING STORIES to be considered for inclusion in a possible Fourth Edition, of the big book, Alcoholics Anonymous, the subcommittee will use all possible AA Fellowship sources. The emphasis will be on AA stories which reflect a broad range of experience and diversity. The most important thing is to find good AA stories and then, among those, to identify some stories that reflect the experiences of folks not now well represented in the Big Book. The committee will look at documents of up to 3,500 words, double spaced. The deadline for receipt of manuscripts is June 1, 1998. The words "Fourth Edition" should appear on the outside of the envelope and at the top of the first page. Your mailing address should also appear on the first page of the manuscript and you should keep a copy for your own files. Mail to: Literature Coordinator, General Service Office, Box 459, Grand Central Station, NY, NY. 10163.
