*Drunk classic for sober people:*

"There was an alcoholic woman in my home town, who, in the course of her drinking, married four times: a millionaire, a magician, a minister, and—finally—an undertaker.

"That's one for the money, two for the show, three to get ready, and four to go!"

From Chico C.

**HAPPINESS IS A SENSATION WE ACHIEVE BY BEING TOO BUSY TO BE MISERABLE.**

Money will buy a bed, but not sleep; books but not brains; food not appetite; finery but not beauty; a house but not a home; medicine but not health; luxuries but not culture; amusement but not happiness; religion but not salvation; a passport to everywhere but heaven.

THE NIGHTCAP IS ABOUT, BY, AND FOR MEMBERS OF THE AA FELLOWSHIP. OPINIONS EXPRESSED HEREIN ARE NOT TO BE ATTRIBUTED TO ALCOHOLICS ANONYMOUS AS A WHOLE, NOR DOES PUBLICATION OF ANY ARTICLE IMPLY ANY ENDORSEMENT BY EITHER AA OR THE NIGHTCAP. (Exceptions: Quotations from AA books, pamphlets, and the 12 Steps and/or 12 Traditions are reprinted with permission of AA World Services, Inc.; the AA Preamble, slogans, etc., are reprinted with permission of The Grapevine, Inc.)

# The Fifth Tradition

*Each group has but one primary purpose  
... to carry its message to the alcoholic  
who still suffers.*

Every newcomer learns (some of us the hard way) that the business of staying sober must have top priority. If we fail at that, we can't succeed at anything else. The Fifth Tradition tells us that groups should remember *their* "one primary purpose."

Often, unthinking enthusiasm puts a group off the main track. One, for instance, offered an "expanded A.A. program" that included helping newcomers to find jobs. Tradition Five doesn't frown on the individual A.A. who tells another about a good opening. But when the group turns itself into an employment agency, newcomers may get confused about *their* primary purpose. A.A.'s function is to help them get sober—then they can find work for themselves.

Using discretion, a member may lend a few dollars needed for a meal or a hotel room, or may even invite a broke alcoholic to be a temporary houseguest. But the A.A. group as a whole is not a friendly finance company, nor a welfare department, nor a housing bureau.

Even when acting on their own, as individual members, A.A. lay people certainly shouldn't award themselves honorary medical degrees and hand out diagnoses and prescriptions and amateur analyses of other people's neuroses. Exactly because this personal failing is so common, the A.A. group in all its dealings should be extra careful to emphasize that it is not invading the medical field. Through the personal experiences of its members, it is qualified to carry only one message: how an alcoholic can recover in A.A. That's all.

Yet one group recently felt itself equipped to set up an "alcoholism information center." The temptation is understandable; it was even stronger at the time this Tradition was written, because public ignorance about alcoholism as an illness was more widespread than it is now. Since then, other agencies have sprung up to assume the task of educating the general public on alcoholism. That is not A.A.'s purpose, but these agencies also are trying to help the active alcoholic. They are our friends—and Tradition Six marks the boundaries of the relationship. . . .

No matter how different

our own

personal concerns,

we are all bound

together

by one common **RESPONSIBILITY**

... to carry the message  
to the suffering alcoholic.

## WELCOME TO CSO

If you haven't been to the Central Service Office since April 3rd, then you need to come in and welcome our new Office Manager, Bonnie R., and our new Assistant Office Manager, Donna H. And, of course, if you have been in since last July then you have met Char McM., our Computer Operator. We are all very lucky to have these three AA gals doing the daily work involved in the operation of our CSO!

The coffee pot is always on and there is almost always cookies to go with it--so come in and browse (you may find something you can't live without) and say "hello" to the staff.
