AFTER-HOURS TELEPHONE BACK-UP LIST

The Central Service Office needs a few more names to add to the back-up list for after-hour telephone duty. This list is only used when the person who has volunteered for a particular time cannot be reached by the answering service. This does not happen often.

Also, you may be asked to fill in a time period when a small Group cannot get enough members to take all the time slots needed to fill up a week's service. Please call CSO if you wish to be included on this list.

OSCAR W., with 48 years of continuous sobriety in AA, passed away on October 9, 1987. He was 77 years of age.

Oscar was truly one of the "pioneers" of our program and will be missed by all of us who were fortunate enough to have known him.

TO THE FAMILY AND FRIENDS, WE EXTEND OUR SINCERE SYMPATHY AND OUR PRAYERS THAT THEIR BEREAVEMENT MAY BE TEMPERED BY REFLECTIVE THOUGHT UPON THE HAPPINESS SHARED.

GSR Meeting Minutes

CENTRAL SERVICE OFFICE COMMITTEE MEETING
Club 12, October 25, 1987

The meeting was opened at 7 p.m. by Gary L., Chairman, with the Serenity Prayer. The CSO Guidelines were read, followed by reading of the Twelve Traditions. New GSR's were recognized and reminded to contact their DCM's. Literature on the table was pointed out and suggested anyone who wished to take some. The meeting was turned over to Fred D., Administrative Board Chairman, who asked for reports from the various committee chairpersons.

Wayne B., Finance Chairman, presented the financial statement for September; explaining and reviewing the report. Fred D., filling in for James H., H&I Chairman, announced that GSR's do not have to ask their group to volunteer them for H&I meetings. (See list below.) CPC Chairman is still needed. Dee S., Editorial Chairman, asked for comments or changes to Nightcap and asked for jokes to be sent in. She then gave Mailing Chairman's report in his absence--mailed 1,081 copies of NIGHTCAP for October at about a cost of \$92.00. Larry W., alternate chairman for Penal Committee, gave this report in the absence of John R. He reported that the prison sent out letters of appreciation to CSO and John R. Volunteers who want to carry the message to prisons must contact John R., personally. Contributions from groups to the Penal Fund are greatly appreciated. Donna T. and Diana B. carried the message to women's prisons, however, more women are needed. Tom B., Chairman, Jail Committee, said Melissa G. is the only woman going to the jail--more women are needed. Anyone interested should call Tom at 525-1932, requirements are 1 year sobriety and no felonies. PI Chairman, absent. Fred D. turned meeting back to Gary L.

(Minutes of previous meeting were not read and were approved as published in Oct NIGHTCAP.)

The Eleventh Tradition

Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films.

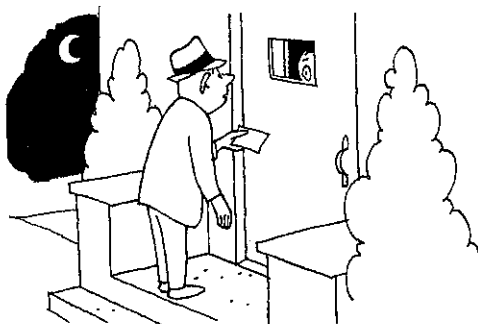

Ours is not a secret society...
we carry the message
anywhere we can—

But we must ever be aware
that self-appointed messiahs
speaking for A.A. through public
media can do us great damage!

Alcoholics who have recovered through our program are themselves the strongest attraction that A.A. has. When people are asked what led them to seek A.A. help, the answer given most often is: "An A.A. member." Their chances would have been slim if all of us had remained completely in hiding. But many of us have chosen to tell our friends, neighbors, employers, co-workers, doctors, or spiritual advisers that we are in A.A.—and when we do so, we are *not* breaking our anonymity in the meaning of this Tradition.

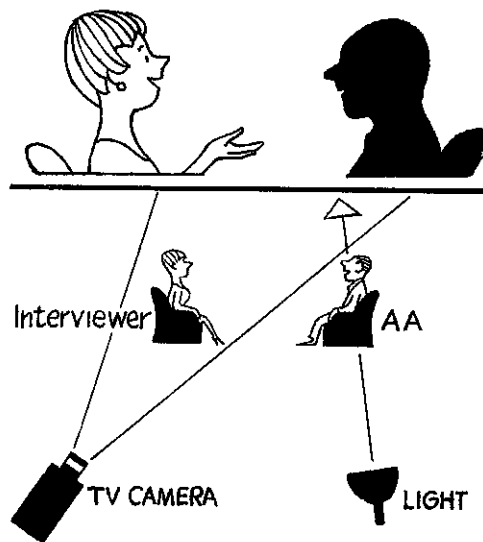

Suppose a sick alcoholic never has the good fortune to meet an A.A. How is such a person going to find us? The search will be difficult if the local group thinks *it* should be anonymous, too. The Tradition is talking about "*personal* anonymity," remember? Alcoholics will not be attracted to A.A. if they don't know that it exists or if they have distorted, unfavorable impressions of its members or its program.

Giving the general public an accurate picture of A.A. is the chief job of our public information committees. In addition, they often carry the message to certain groups—from police officers to personnel directors—whose work includes contact with active alcoholics.

How to Be Anonymous on Television

Information about A.A. is being offered to the public through all the communications media, in print and over the air. On radio, it's easy to guard members' anonymity, of course. But TV (not in wide use when the Traditions were written) is another matter. According to a Conference opinion, members are breaking their anonymity when they are identified on TV as A.A.'s and their faces are shown—whether or not their names are given. And yet this medium, with its vast audiences, cannot be ignored.

Different techniques have been employed to preserve anonymity on TV: masks; screens; back-lighting that shows A.A.'s only as silhouettes; camera angles showing them only from the back. The "shadow" method diagrammed here is simple, relaxed—and appropriate. For we are not selling personalities—we are explaining A.A. Personal anonymity breaks in the public media not only may discourage timid prospects; they may threaten the anonymity-breaker's own sobriety, by violating the spirit of the A.A. program and Traditions. . . .
