THE WORDS OF DR. BOB ON SUNDAY, JULY 3RD AT THE FIRST INTERNATIONAL A.A. CONVENTION IN CLEVELAND, OHIO

There are two or three things that flashed into my mind on which it would be fitting to lay a little emphasis. One is the simplicity of our program. Let's not louse it all up with Freudian complexes and things that are interesting to the scientific mind, but have very little to do with our actual A.A. work. Our Twelve Steps, when simmered down to the last, resolve themselves into the words "Love and Service." We understand what Love is, and we understand what Service is. So let's bear those two things in mind.

And one more thing. None of us would be here today if somebody hadn't taken time to explain things to us, to give us a little pat on the back, to take us to a meeting or two, to do numerous little kind and thoughtful acts in our behalf. So let us never get such a degree of smug complacency that we're not willing to extend, or attempt to extend, to our less fortunate brothers that help which has been so beneficial to us.

Thank you very much.

INTERDISTRICT MEETING REPORT

The Interdistrict Meeting was held Aug 15, 1993 at St. Patrick's Church. The meeting was called to order at 6:40 p.m. followed by the Serenity Prayer. There were 4 DCM's present with 3 absent. Four new GSR's were in attendance; Cindy (Legacy), Bill (Pearsall), Roy (North San Pedro), Ed (Schertz-Cibolo) and 3 new alternate GSR's; Bill (Free Spirit), Jeff (Stahl Road), and Ron (Bulverde).

Minutes of previous business meeting were accepted as printed.

Russ T. asked if the reminder cards mailed by CSO for the monthly business meetings (CSO/Interdistrict) should be continued for the GSR's. A motion was made to continue to do so by those present. Another motion to reimburse the CSO (approximately \$15 a month) was tabled until the next business meeting in September. Yolanda F. gave a presentation on the need for a translation machine for the SW Texas Area. The cost of the machine was approximately \$1300 and it would be paid for by donations from the A.A. groups in the SW Texas Area. The availability of this machine would greatly enhance the participation/interaction between the Hispanic and English speaking members at the area workshops/conferences.

H&I, Jim C. reported all commitments were fulfilled.

CFC, Jim D. - Tommy gave more info on the pre-release program. Donations to the cancer program are going well. Because of members

Interdistrict Meeting Report (cont):

generosity they were able to spend approximately \$400 on literature for the correctional facilities. Many thanks. New Juvenile Program has started up and local jails still need volunteers.

PI/CPC, Don N. - No report available.

District Reports: 1A-annual picnic Aug 22 at the Raymond Russell Park from 11 a.m. to 6 p.m.; 16-workshop Sep 12 on 12-Step calls; 17-quiet; 18-Legacy Group starts the 1st meeting Sep 6 (8:15 p.m.) at the Methodist Church in Universal City; 19-Traditions Workshop, Aug 28 (1-2:30 p.m.) with an Old-Timers Panel.

Erik C. was voted in as new Interdistrict Treasurer. He hopes to give a complete financial report at the next business meeting in September.

Did You Know...

... how coffee and doughnuts, or other pastries, became to A.A. meetings (almost) what the Steps are to recovery?

It happened in the late 1930's, during the Great Depression. When the first regular meetings of A.A. began to be held at the King School in Akron, some of the members gathered afterward at nearby Kistler's Donuts, at the corner of Aqueduct and West Market Streets, for refreshments and continuing fellowship. Other, less solvent members could not afford such luxury, so it was suggested that the doughnuts and coffee be taken back to the meeting and shared all around. Before long, refreshments became integral to A.A. meetings everywhere.

Kistler's is long gone, but not the "thirteenth tradition" it was instrumental in creating. Over the years, many a "hopeless" drunk has stayed for the first A.A. meeting because it held out the lure of free hot coffee and a doughnut.

NIGHTCAP CALENDAR

SUNDAY MONDAY TUESDAY WEDNESDAY THURSDAY FRIDAY SATURDAY

A rattlesnake, if cornered, will become so angry it will bite itself. That is exactly what the harboring of hate and resentment against others is-a biting of oneself. We think that we are harming others in holding these spites and hates, but the deeper harm is to ourselves.
