The Ninth Tradition

*A.A., as such, ought never be organized;
but we may create service boards or
committees directly responsible to those
they serve.*

The words "Let's keep it simple" were the last Bill W. heard from his fellow founder of A.A.; shortly before Dr. Bob's death in 1950. Aware that "it" meant our *recovery* program, Bill later wrote, "We need to distinguish sharply between spiritual simplicity and functional simplicity. . . . When we get into questions of action by groups, by areas, and by A.A. as a whole, we find that we must to some extent *organize* to carry the message—or else face chaos. And chaos is not simplicity."

When Tradition Nine speaks of "A.A. as such," it goes to the heart of the A.A. experience, to the "spiritual simplicity" of one alcoholic's saying, silently perhaps, "Help!" and another alcoholic's answering, "I know how you feel. We're here to help you." Such a relationship couldn't be organized. Or could it?

A nonmember familiar with modern business procedures might examine the A.A. practice of sponsorship and see it as a haphazard operation. How about computerizing it? Then an A.A. behind an intergroup desk might say, "So you want help? First, you need the right sponsor. We have personality profiles of all our sponsors fed into our computer. We'll match you up to the best one for you if you'll just fill out this questionnaire. . . . Where are you going? Come back!" *That* would be an attempt to organize "A.A. as such." (Please—nobody get any ideas!)

But in "action by groups," we find that we do need some degree of organization. If everybody thinks somebody else is going to make the coffee, what's the result? No coffee! To avoid such a disaster, one or more members agree to be responsible for preparing meeting refreshments. All the way from coffee-brewers to trustees on the General Service Board, those who take part in A.A. service work are assuming responsibility—not taking on authority. (Here, Traditions Two and Nine interlock.) Group officers are responsible to the members of the group; intergroup committees, to the groups in one locality; institutions committees, to A.A. groups in treatment facilities and correctional facilities; area committees, to all groups in their areas; Conference delegates and committees, to all groups in the U.S. and Canada; the General Service Office and Board and the board's committees, to all groups and members everywhere.

In an average business corporation, the board has final power to determine company plans and policy. Our board of trustees serves in a custodial capacity; trustees vote at the Conference—but as individuals, with one vote apiece. In industry, branch offices jump when the home office speaks. Our G.S.O. is just a clearinghouse of A.A. information, offering *suggestions* based on experiences reported to it by groups.

And yet, with so small a degree of organization, A.A. miraculously does work! One reason may be that Tradition Five applies to each A.A. committee and board as directly as it does to each A.A. group. By cleaving to this "one primary purpose" in all its activities, the Fellowship retains "spiritual simplicity." To diffuse that purpose, to embroil A.A. in issues apart from its true concern, would create dangerous complications. . . .

CORRECTIONAL FACILITIES COMMITTEE

Pre-Release Contact Program for Texas Prison Inmates

It is strongly recommended that an inmate who is an AA member has a free world contact person in the program before they are released. *You can be that person!*

Your responsibility would include: (1) Sharing your experience, strength & hope about staying sober in the free world. (2) Taking this person to a meeting when they arrive in SA and introducing them to persons in the group. The End.

Your responsibility does not include: Sponsoring, housing, loaning money, job search, transportation, advising on other matters.

HOW THIS WORKS: You will be given a name and address. It will be your responsibility to give the inmate your First Name and Address. It is prudent to use CFC's PO Box for an address. Men work with men & ladies with ladies. Also, a group can be a contact for one or more inmates. Ask your group.

For more info call: Tomi BA at 826-5920 or write to: PO Box 39051, SA, TX 78218

PUBLIC INFORMATION COMMITTEE

In my travels around this city trying to drum up volunteers for the PI Committee, I have come to learn that there is a great deal of mystery surrounding its function and/or purpose. Most all of us who participate in service work are familiar with H&I or phone duty but many of us do not know of the many opportunities that exist for outreach to the professional community, to schools, senior citizens, etc. These opportunities are functions of the PI Committee.

As our co-founder, Bill W., wrote:

"Public information takes many forms--the simple sign outside a meeting place that says "AA Meeting Tonight"; listings in local phone directories; distribution of AA literature; radio and TV shows using sophisticated media techniques. Whatever the form, it comes down to "one drunk carrying the message to another drunk," whether through personal contact or through the use of third parties and the media."

That pretty well sums it up. We need your help...there is too much apathy in our ranks these days. Speaking on a personal level, Service Work has helped, significantly, to keep me sober..it is , or should be, a very important part of our recovery.
